

Harleyville Elementary School Pledge

I pledge to do my best and
To put forth effort in learning and at all times,
I will set an example for others
By following the school rules.

I will obey teachers and all adults
And do what is right.

I will treat everyone with respect,
As I would like to be treated
And offer help whenever I can.

I pledge to be polite,
Be responsible for my actions,
Help offer solutions to any problems,
And work with pride to make
Harleyville Elementary
A better place each day.
