- 5th Grade - Arts & Crafts Basket

Carnival is October 18th 6-8pm

2018 WMIES PTA Fall Carnival

Exciting Changes This Year

The PTA has made some changes to how the fall carnival will run. Carnival will be held outside this year! Pending good weather, we will be blocking off the car rider loop and setting up activities on the loop. Food will still be sold inside the cafeteria and the cake walk will be in the music room. Families are asked to park out front and enter through the front doors to the school.

Wrist Bands

We will no longer be selling tickets. This year we will instead be selling wrist bands. Wrist bands give your child unlimited access to games and events. Each band will cost \$10 if pre-ordered and \$12 at the door. Pre-order information is attached. **Food & beverage is not included in the cost of the wrist band.** Adult admission is \$5 and is payable at the door.

Pony Rides, Petting Zoo & Fire Trucks

This year we are excited to have a petting zoo with pony rides and local fire trucks at our carnival. The petting zoo and truck tours are included with wrist band purchase! **Pony rides are \$2 per ride.**

Scarecrow Silent Auction

Another exciting addition this year is our class made scarecrow silent auction. We will be auctioning off more than twenty handmade scarecrows!

Don't Forget Carnival is
Thursday October 18th 6-8pm
