

# First Annual WMES Scarecrow Silent Auction

Each WMES teacher is asked to participate in this FUN Fall activity to support our PTA by creating a classroom scarecrow display. We're encouraging creativity, team work, and a little friendly competition! The PTA will provide each classroom with a hay bale on Wednesday October 17<sup>th</sup> so that you can complete your display.

**If your class plans to participate please email [leah.owens@dcctc.org](mailto:leah.owens@dcctc.org), by Friday October 12<sup>th</sup> so that the correct amount of hay bales can be ordered.** Please ask your students' parents to provide any other necessary supplies. If you need any help from the PTA just let us know.

**These need to be completed by the end of the day on Wednesday October 17<sup>th</sup>.** Once all of our Scarecrow Friends are made we will display them at our Fall Carnival on Thursday October 18<sup>th</sup> where they will be up for auction. The classroom that has the *highest bid* on their scarecrow will receive a party and the teacher will receive a gift card (as well as bragging rights)!! This is meant to be FUN for everyone and we hope that you are all excited and eager to participate to support your PTA!
