

2017 ALGEBRA 2 2018

WEEKLY ASSIGNMENT SHEET FOR

MAR. 19 TO MAR. 23

THIRD QUARTER (Q3). WEEK 9 OF 9. (Q3-9)

INSTRUCTOR: MR. ANDRUS.

ROOM: 514

CONTINUING OBJECTIVES:

1. *Improve organization skills.*
2. *Move from memorizing and repeating to applying and thinking.*
3. *Read, write and interpret math statements.*
4. *Use mistakes as opportunities to learn.*
5. *Expand successes and build up weaknesses. Continue to move forward.*

CURRENT OBJECTIVES:

Polynomials: write in standard form. Identify the degree and leading coefficient. Add/subtract

1. A2.AAPR.1*, A2.AAPR.3, A2.ASE.1*, A2.ASE.2*
2. *Complete an objective test. Continue to study the results and re-take until $\geq 80\%$. Notes may not be used on objective test.*
3. *Review.*

MONDAY (IF YOU DID NOT ATTEND CLASS ON FRIDAY)→→

1. After this week, what % of Q3 is complete? What % of S2 grade is complete?
2. Read & study section 3-1. Record 3 key words.
3. Starting on p.154 do problems 1 – 30, 36 – 39.
4. Keep this work in your binder.

Please update last week's test. Please turn "IN". Check your last week's assignment sheet for Thursday's work. Complete this work to prepare for this week's test. ☹☹☹

TUESDAY (IF YOU DID NOT ATTEND CLASS ON MONDAY)→

1. Grade/UPDATE/discuss Monday's work.
2. Read & study section 3-2. Record 3 key words.
3. Starting on p.162 do 1 – 25.
4. Keep this work in your binder.
5. *Complete an objective test. Continue to study the results and re-take until $\geq 80\%$. Notes may not be used on objective test.*

Please complete Monday's assignments. Use them to prepare for the test. ☺☺☺

WEDNESDAY (IF YOU DID NOT ATTEND CLASS ON TUESDAY)→→

1. Grade/UPDATE/discuss Tuesday's work.
2. Complete test review sheet.
3. Journal: Explain how to find the degree and leading coefficient of a polynomial. (hint: bottom of p.150 and example 2 on p.151).
4. Keep this work. Have it on your desktop at the beginning of the next class.

Please complete Tuesday's assignments and use them to prepare for the test. ☺☺☺

THURSDAY (IF YOU DID NOT ATTEND CLASS ON WEDNESDAY)→

1. Grade/UPDATE/discuss Wednesday's work. Review.
2. **COMPLETE WEEKLY TEST Q3-9.**
3. **You may use all notes on this test.**
4. **If you did not attend class for new test problems, your first take will count as your new test problems. Your 2nd take will count as your test score. Additional takes will be updates**

Please complete Wednesday's assignments and use them to prepare for the weekly test. ☹☹☹

FRIDAY (IF YOU DID NOT ATTEND CLASS ON THURSDAY)→→

1. **UPDATE YESTERDAY'S WEEKLY TEST. DUE BY THE END OF CLASS.**
2. **Problem solving Q3-9. TURN IN BY THE END OF CLASS.**
3. *Complete an objective test. Continue to study the results and re-take until $\geq 80\%$. Notes may not be used on objective test.*

Please complete the weekly test today. ☹☹☹
