

Ms. Peace's Newsletter

Welcome to U.S. History class. I am looking forward to working with you! U.S. history is a required course for graduation, and it includes a state end of course exam which counts 20% of your student's final average. This fast paced survey of our nation's history will be both challenging and rewarding. Please contact me with any questions and concerns.

Classroom Rules

In addition to following the school rules, I ask that the students:

1. Be seated before the tardy bell rings.
2. Come prepared with required materials which include a notebook, paper, textbook, pen/pencil, and homework.
3. Listen, follow directions, and stay seated.
4. Respect the school, others and yourself.
5. Leave food and drinks outside the classroom..

Journals are due at the end of each quarter!
