# ANDREWS HIGH SCHOOL STUDENT ID POLICY

## Purpose

The purpose of an ID card is to more easily identify anyone on campus as a student, staff member, or registered visitor. This allows for a much quicker response to trespassers, therefore making our school campus safer. Students who do not wear IDs will be issued new or temporary ones for a fee and face disciplinary actions. (We feel it is not only important to stress ways that might make our school safer but to instill in our students the importance of responsibility for coming to school/class prepared.)

## Basic Rules

- IDs should be for the current school year.
- IDs should be worn from the time you enter the building until you leave school. This includes during field trips, fire drills and earthquake drills.
- IDs should be worn above the waist and on the outside of the clothing.
- IDs should not be shared with other students for the purpose of checking out books or to eat in the cafeteria.
- IDs should not be defaced. Do not write or draw on them or put stickers on them.

## Procedures

Before school – Students may go to ROTC to request a new ID for \$5.00 without any consequences.

1<sup>st</sup> Block – Teachers should send an e-mail to Cmd. Turner to request a new ID for students without an ID. Students will be charged \$5.00. Teachers should have students sign a referral for an ID Violation warning (code 360).

2<sup>nd</sup> period/block – 8<sup>th</sup> period/ 4<sup>th</sup> block – Students should not be allowed into class without IDs. Send the student to the front office to get a temporary ID (I Dent A Kid) with a photo and time stamp. Students will be charged \$1.00. Teachers should have students sign a referral for an ID Violation warning (code 360).

\*The program in the office will show to the user if a student has already been issued a temporary ID for that day.

This student should immediately have to speak with an administrator for refusing to follow school rules (code 270).

\* A daily report can be used to keep track of charges for temporary IDs.

*NURSE* – The nurse will not see students without IDs unless it is deemed an emergency.

*MEDIA CENTER* – Students will be sent back to class if they report to the media center without an ID. The pass should indicate this and the teacher should document it.

*GUIDANCE* - Students will be sent back to class if they report to guidance without an ID. The pass should indicate this and the teacher should document it.

*OFFICE* - Students will be sent back to class if they report to the office without an ID unless they were called by an administrator who should address it and notify the teacher. The pass should indicate this and the teacher should document it.

*LUNCH* – Students without IDs should not be allowed into the canteen and should be last in line in the cafeteria.

## Consequences

Before school – none, except the \$5.00 charge.

All periods / blocks

1<sup>st</sup> offense - Students will be charged for a new ID or for a temporary ID depending on the period/block. Teachers should have students sign a referral for a warning (code 360).

2<sup>nd</sup> offense - Students will be charged for a new ID or for a temporary ID depending on the period/block. Teachers should have students sign a referral for a warning (code 360).

3<sup>rd</sup> offense - Students will be charged for a new ID or for a temporary ID depending on the period/block. Complete the referral and turn in to the appropriate administrator (code 360) for student to be issued an overnight suspension and parent notification of the accrued charges for IDs.

4<sup>th</sup> offense - Students will be charged for a new ID or for a temporary ID depending on the period/block. Complete the referral and turn in to the appropriate administrator (code 360) for student to be issued an afterschool detention and parent notification of the accrued charges for IDs.

5<sup>th</sup> offense - Students will be charged for a new ID or for a temporary ID depending on the period/block. Complete the referral and turn in to the appropriate administrator (code 360) for student to be issued an in-school suspension and parent notification of the accrued charges for IDs.

## ANDREWS HIGH SCHOOL STUDENT TARDY POLICY

### **Purpose**

The purpose of a tardy policy is to allow class instruction to begin promptly with as few distractions as possible. Students who are tardy will face disciplinary actions. (We also feel it is important to better prepare students for the work environment where attendance and promptness is valued.)

### **Basic Rules**

Teachers should make their class procedures very clear. Identify at what point you will mark students not tardy (in the door, in their desk, etc.)

### **Procedures / Consequences**

All periods / blocks (Students late to 1<sup>st</sup> block after 8:00 am should have a pass from Mrs. Cumbie)

1<sup>st</sup> offense - Teachers should have student sign a referral for a warning (code 180).

2<sup>nd</sup> offense - Teachers should have student sign a referral for a warning (code 180).

3<sup>rd</sup> offense - Complete the referral and turn in to the appropriate administrator (code 180) for student to be issued an overnight suspension.

4<sup>th</sup> offense - Complete the referral and turn in to the appropriate administrator (code 180) for student to be issued an afterschool detention and parent notification.

5<sup>th</sup> offense - Complete the referral and turn in to the appropriate administrator (code 180) for student to be issued an in-school suspension and parent notification.

# Graduation and Career Planning

## **The Individual Graduation Plan (IGP)**

Studies of how young people make educational and career decisions reveal that parents are the #1 influence on their child's career planning. By the 8<sup>th</sup> grade, all students in South Carolina with the help of their parents and school counselors will be thinking about careers and writing high school academic plans in an Individual Graduation Plan (IGP). The IGP is designed to guide students through career exploration, postsecondary preparation, and workforce transition.

Finding a successful and satisfying career without proper planning can be difficult. South Carolina students begin the Individual Graduation Plan process to answer the question "What do you want to be when you grow up?" by choosing a field of study or profession they are interested in, then developing a plan to guide their high school coursework. The Individual Graduation Plan will be each student's roadmap for achieving his or her career goals - be it technical skill training, college, the military or joining the workforce.

An IGP includes general graduation requirements, out-of-classroom learning opportunities and electives based on each student's chosen field of interest, or cluster of study. South Carolina offers 16 clusters of study based on a national model (see page 2). Each career cluster is a grouping of related real-world professions. For example, a student interested in being a police officer would select the "Law, Public Safety, Corrections and Security" cluster.

Prior to choosing a career cluster, students will complete career exploration and assessment activities to help them pick their areas of interest. Once they choose a career cluster, students will develop their IGPs with the help of school counselors and parents or parental designees. Students, counselors and parents will monitor what the student has done and still needs to do to meet his or her IGP and will meet annually to discuss and adjust the IGP or change clusters.

IGPs are one of several new Personal Pathways to Success components designed to connect academic studies with preparation for entering the workforce. While 85% of jobs today require some post-high school education, not all require a four-year degree. Parents and students can use informative resources to explore all options and make an informed decision, including college financial assistance options.

Created by the Education and Economic Development Act (EEDA) in 2005, Personal Pathways to Success enables students to explore and prepare for career opportunities through a more relevant curriculum and first-hand experience - connecting academic studies with preparation for entering the workforce through planning and exploring various career options. All levels of S.C. public education participate in the Personal Pathways to Success initiative.
