College Scholarship Information:

A \$500.00 scholarship is to be awarded when the treasury exceeds \$1000.00 and there is a qualified applicant. The scholarship will follow these guidelines:

1. In January, the chapter will send the information to the four area high school guidance councilors (and education departments of select colleges.)
 - a. The applicant must major in education.
 - b. The applicant must be a resident of Georgetown County or attends/attended a Georgetown County School.
 - c. The scholarship is not limited to high school seniors.
 - d. The applicant will furnish two letters of recommendation written by any person able to represent the student's needs such as an educational professional, a member of the clergy, or community leader.
 - e. The student completes the application packet, including the Statement of Intent, and turns it in on time.
 - f. Each application packet is to be received on or before March 31.
 - g. The scholarship committee will review all of the above and select the candidate.
 - 1) In the event of a stalemate, members' children will be given 1st priority. In the event of multiple applications from members' children, GPA will determine the recipient.
 - 2) GPA will be the deciding factor if two (2) candidates are "tied".
 - 3) Extracurricular activities will be used to break a tie beyond GPA.
2. The scholarship will be presented at the awards ceremony of the recipient's high school and articles will be submitted to the local newspapers. College students will be notified by mail.
3. Students may/should re-apply each year.
