

Remind

This is a website that will be used in Mrs. Prudhomme's classes this year. It is optional, but if you decide to sign up, you will be able to receive text message updates about important assignments such as test, quizzes, homework, or other important information.

To sign up:

1. Send a text message with one of the following messages listed below to 81010.
2. Choose the following message that corresponds to your class block:
 - a. 1st Block English III: @mrsprudhom
 - b. 2nd Block English III: @mrsprudh
 - c. 3rd Block Yearbook: @prudhomme
3. If you have not already set up an account with the program, you will receive a message back asking for your name. If you have previously used this program for another class, your name is already connected to your account.

You must send a text message to be enrolled in the group and receive text messages. The application does not allow you to contact me through the number or allow me to see your phone number. The reminders that I send out will be sent to everyone that has enrolled in the group. If you have any questions, comments, or concerns about an assignment or my English class, you will have to reach me through email or my phone at school.
