A: 90-100

B: 80-89

C: 70-79

D: 60-69

F: Below 60

# MRS. SOTO'S 7TH GRADE MATH CLASS

#### **HOMEWORK and CLASS WORK**

Homework will be given 3-4 days weekly and is due the day after it is assigned and will not be accepted late. We go over each problem and check all answers. Homework is not considered complete without showing all work. Homework is graded as 100 (complete), 50 (less than all to one-half of questions complete), and 0 (none to one-half of the questions completed).

Class work will be completed during class time and turned in for grading.

#### **LATE WORK**

All assignments, including homework, class work, bell work, projects, etc are due when assigned. Homework will NOT be accepted late. If classwork is late, 5 points per day will be deducted from grade

If a student is absent, he/she has 3 days after returning to class to make up all missing work.

#### **MAJOR ASSESSMENTS**

Students will be given tests and quizzes to assess their learning and understanding of the covered material. Quizzes will be unique to what we are covering in each particular unit. Students will be allowed to use notes on quizzes, however there will not be re-takes on quizzes.

Tests will cover each unit, and may include questions from previous units of study, homework, class work, and daily math. Tests and quizzes will be given during classroom time and any make-up tests due to absences should be completed within 3 days of returning to class/school. If additional time is needed due to prolonged absences, parents should notify Mrs. Soto.

## **STAYING AFTER SCHOOL**

Students may stay after school on Thursdays for extra help, make-up tests/quizzes etc. Students will need to sign up with Mrs. Soto prior to staying.

Student signature

## **RE-TAKE/RE-DO**

Students are encouraged to retake assessments if grades are below 60 (excluding Exams and District Assessments) provided that additional steps have been taken to learn the material. This may include tutoring or additional practice. Students may not retake assessment if they have any missing assignments. The grade of a Re-take assignment will be averaged with the original grade for a final grade for that assignment.

l,	, have read and understand the rules and expectations for Mrs.
Soto's Math class. I acknowledge that it is	s my responsibility to contact my teacher if I have any questions or concerns.
•	If absent, I have three (3) days to make up any outstanding work. I also hat I can check my grades on PowerSchool at any time.
