## Happy New Year!

By: Mr. Hillman

Happy New Year! It is hard to believe that we are already preparing for second semester. Parents, we encourage you to stay involved and monitor your student's academic progress through Parent Portal. If you do not have an active account, please contact us and we can help you obtain one. We want all of our students to be successful and your involvement can make a huge difference.

The remainder of this school year requires us to inspire and motivate our students to continue the good work achieved these past months, and finish the school year with the same level of determination and enthusiasm. Please take the time to encourage your child to stay focused, manage their time wisely, complete assignments, and, enjoy their middle school experience.

Up to this point, this has been a terrific school year. Let's continue to work together as one and show our future that we are united in their success.
