## Questions to Ask Your Kids After School Instead of "How Was Your Day?"

Adapted

- What made you smile today?
- Can you tell me an example of kindness you saw/showed?
- What did you do that was creative?
- Who did you sit with at lunch?
- Tell me something you know today that you didn't know yesterday.
- Did you like your lunch? Why or why not?
- What was the hardest rule to follow today?
- If you could change one thing about your day, what would it be?
- What made you smile today?
- What made your teacher smile? What made you frown?
- If you could switch seats with anyone in class, who would it be? Why?
- What kind of person were you today?

## Traffic Patterns

Parents – Your help is needed. Please follow established traffic procedures which have been put in place to ensure the safety of all of our students. When picking up or dropping off your child in the auditorium parking lot, we ask that you join the pick-up lines and refrain from parking in or cutting through the parking spots. The safety of your child is our biggest concern. We appreciate your understanding and assistance!
