

WES Summer Assignments for Rising 2nd Graders

JUNE 2018

Sun	Mon	Tue	Wed	Thu	Fri	Sat															
Parents and Families, In order to avoid ‘summer slide’ and be prepared for the next grade level, we encourage students to continue practicing the skills they have learned over the summer. Below you will find an optional calendar of activities for your student to complete during the summer. In addition, please make sure your child is reading 20 minutes at home daily. Please sign your initials for each activity completed and have your child bring it with him/her the first week of school. We suggest getting a notebook for your child to complete all of the fun activities on this calendar. We look forward to seeing you in August!																					
	4	5	6	7	8 Write a letter to your 1st grade teacher telling them what you will miss the most about school.	9															
10	11 Write 5 addition story problems about summer.	12 Write a story titled: The Year Summer Vacation Was Cancelled.	13 Pick 5 things around your house to count. List them. Use tally marks to show how many there are. Bonus: Make a Graph	14 Write the time a.  b. 	15 Write your opinion about something you like to do during the summer (or don't like to do!). Be sure to give reasons!	16															
17	18 <table border="1"><tr><td>10 less</td><td>#</td><td>10 more</td></tr><tr><td></td><td>24</td><td></td></tr><tr><td></td><td>41</td><td></td></tr><tr><td></td><td>79</td><td></td></tr><tr><td></td><td>87</td><td></td></tr></table>	10 less	#	10 more		24			41			79			87		19 Write 5 subtraction story problems using ocean animals.	20 You are trapped in Wal-Mart! Write a story about your adventure. Be sure to include how it happened and what you did.	21 Find the sums: 6+4+2= 7+3+3= 4+4+2= 8+5+3= 9+8+1=	22 Write to teach someone about an animal you think is interesting. Be sure to include lots of facts and a picture, diagram, or other text feature to teach your reader.	23
10 less	#	10 more																			
	24																				
	41																				
	79																				
	87																				
24	25 If you could plan a family “fun day” what would you want to do with your family?	26 Find two things that are longer than your foot. Find two things shorter than your foot. Write down the name of the objects.	27 Make a Daily Schedule. From Waking up to Bed Time. Example: 7:30 Wake up 8:00 Breakfast	28 Write a book review about a book that you really like or really don't like. Tell your reader what the book is about and why you think they should (or shouldn't) read it.	29 Look around your house or car for spare change. Count it up and write how much in dollars and cents.	30															

JULY 2018

Sun	Mon	Tue	Wed	Thu	Fri	Sat
1 I have a pack of red and blue skittles. There are 15 skittles in the pack. 7 are blue. How many are red?	2 Happy 4 th Of July	3 Count and use tally marks to record everything you see that is red, white, or blue today.	4 How many different ways can you make 10? Show at least 4.	5 Write 5 sentences about things you think make our country special.	6	7
