## JUNE 2018

Sun	Mon	Tue	Wed	Thu	Fri	Sat
Parents and Families, In order to avoid 'summer slide' and be prepared for the next grade level, we encourage students to continue practicing the skills they have learned over the summer. Below you will find an optional calendar of activities for your student to complete during the summer. In addition, <b>please make sure your child is reading 20 minutes at home daily.</b> Please sign your initials for each activity completed and have your child bring it with him/her the first week of school.
