Parents-

As you all are aware, the flu season has arrived in our area. Part of keeping our students and staff healthy, is to know who is sick.

If your student is missing school due to any illness, please take a moment to notify me. You can call the school at 843-237-4233, and ask to speak to the nurse. You can also reach me via email at shughes@gcsd.k12.sc.us.

At WES, we follow the SC DHEC protocols for "School exclusion due to illness".

Children are to be fever free for 24 hours, without using a fever reducing medication, before returning to school.

Please follow the dates on your student's return to school pass from the physician, and do not bring your child back to school earlier than the date listed. Some illnesses, including the flu, can still be contagious after the fever has subsided.

If your child has been vomiting, please do not send them to school until they are able to eat without nausea or vomiting.

With your help, we can keep WES a safe and healthy school, for all students and staff.

Thank you,

Sharon Hughes, BSN, RN, NCSN
