First Grade News

The first grade spring musical was a great success!! Congratulations on a fantastic musical production to all of the hardworking first graders. A big thank you to all the families who came out to support our students on their big night, as well as to our wonderful volunteers who assisted with set-up and decorations!

We have also been gearing up for the upcoming multicultural week! In the past few weeks our students have been studying and researching many different countries and cultures around the world. Each first grade student has had a chance to research a country and culture that is important to them and they get to present it to their peers! All of the first grade teachers are just as excited to see these awesome presentations next week! Come by the first grade halls next week to see our multicultural projects displayed, you might even learn something new!

WES was recognized at the School Board meeting this past Tuesday evening, March 20, 2018, for being the top school in the district, and 11th in the state, for raising the most money for Jump Rope for Heart, with \$14,384 total. Also, Jonathan Angell was recognized for being the highest individual contributor at \$575.

School Mission Statement: An inquiry based learning school to help children become respectful, knowledgeable, and caring citizens, through cultural understandings by providing developmentally appropriate curriculum in a safe and supportive environment.

Kinsa Fluency Program

WES was given several extra thermometers for the Kinsa FLUency program. If you would like a thermometer, please download the Kinsa Fluency app to your phone, and follow the directions for the sign up. Make sure to join the "Waccamaw Elementary, Pawleys Island" group. Once you have completed the registration, I can give you a thermometer.

If you have any questions, please give me a call at the school.
