Second Grade News

Gobble! Gobble! Second graders are working diligently as they prepare for their Thanksgiving Break! In language arts we are learning about identifying the main idea and details in a story. During our writer's workshop we will switch gears from narrative writing to informational writing. Students will learn how to write to inform or explain on a topic. In math, our second graders will learn how to add two digit numbers with regrouping. We keep cluck-clucking away in second grade!

The Book Fair has been extended!!!

If you haven't had a chance to come by and pick up some books or other fun merchandise, don't worry. Book Fair will continue through noon Tuesday, November 21st! Book Fair hours for Monday, November 20th are 8:00am to 3:00pm. Come check it out!

School Mission Statement: An inquiry based learning school to help children become respectful, knowledgeable, and caring citizens, through cultural understandings by providing developmentally appropriate curriculum in a safe and supportive environment.

WES will be collecting gently-used books from November 6th until December 8th. Books collected will be donated to a non-profit organization called "Give a Book a Chance." This organization (founded by our very own Mrs. Guarino) strives to promote literacy to people of all ages. The books are dispersed free of charge through various churches and other organizations in the community. Take a few moments and clean out your bookshelves this month. Please send in any gently-used books that your children have outgrown, or that you no longer want/need so that others who need books may enjoy them. If every child sends in at least one book, that would be over 500 books for "Give a Book a Chance" to share! Donated books can be dropped off in the media center.

**VOLUNTEERS!
NEEDED!**

Ms. Brown's 2nd Grade Class is in need of a volunteer on Tuesdays and Thursdays at 10:00am to read with students.
