### Third Grade News

Third graders have been busy learning the new expectations and routines of their classroom. This year will be a shift in learning for the students. In previous years, students have been learning to read. This year students will be reading to learn. Teachers are encouraging students to embrace the challenges of learning and problem solving each day. It is our hope that each student will accept this challenge and bloom into an independent learner who is able to take charge of his/her learning. We are excited about this year and can't wait to share in your child's personal successes.

Sincerely,

Third Grade Teachers

Parents,

- \* The tardy bell rings at 7:55 a.m.
- \* Please allow your son/daughter to walk to class in the morning independently.
- \* When bringing lunch, snacks, etc. the front office staff will call your child to retrieve these items.
- \* When picking up your son/daughter early we ask that you please remain in the waiting area in the front office.

From The Principal,

# Let's fill buckets with change for our Friends in Texas!

Dear Waccamaw Elementary Families,

I am thankful that our Dolphins are safe, and I hope there was minimal damage to your homes and businesses from Hurricane Irma. We are so fortunate, and we will continue to remember those in Florida and Texas.

At this time, Georgetown County School District will be taking financial donations to assist with relief efforts for those affected by Hurricane Harvey.

I am asking that our Dolphins be the “bucket fillers” they are and contribute to this cause. From September 15-September 21, we will be filling buckets with loose change for our friends in Texas. Each grade level will have a bucket, and the grade who collects the most change will receive an ice cream celebration during recess.

Please see the attached flyer, and bring in that change!

Thanks,

Mrs. Cameron
