School Mission Statement: An inquiry based learning school to help children become respectful, knowledgeable, and caring citizens, through cultural understandings by providing developmentally appropriate curriculum in a safe and supportive environment.

Happy Spring!

The Child Development Class of Mrs. Oliver and Ms. Thomas

This unit has found us exploring outer space, the atmosphere, colors, and the earth's changes! It has been so much fun creating a volcano, blasting off to the moon, and charting the weather for the month of February! We counted, wrote number symbols, and charted different weather conditions daily. We have also learned several different names of dinosaurs and talked about the earth's changing form from the past until now.

We are continuing to read and write. Please check out our wall display about colors and take time to read what we wrote!

Dear WES Families,

We will be supporting the March of Dimes in the following ways:

*MOD Tags – These will be sold for \$1 and displayed with your child’s name in the hallway near the cafeteria. The class that has the most tags sold by April 30th will have a Pizza Party! The 2nd place winner will have a class Sunset Slush party.

*We will have t-shirts that were designed by our very own March of Dimes committee. Please use the order form at the bottom if you are interested in purchasing a t-shirt. Complete and return to your child’s teacher and please make checks payable to WES. These shirts will be great to wear on Spirit Day!

*The March of Dimes walk will be held at East Bay Park on April 30th. They will have a butterfly garden on display at the walk. Please see the attached form and return to your child’s teacher if you are interested in honoring a baby with a butterfly. Please feel free to honor your own child too-after all, they are still your babies.

Nearly half a million babies are born too soon in our country each year. Some are so small they struggle to survive. We need your help to give all babies a fighting chance. Please help us meet our \$2,000 goal.

The cost of the March of Dimes/WES t-shirts are \$15.00 adults (v-neck) and \$12 for youth (crew neck only). The t-shirts are pastel yellow and the writing is chocolate brown. They have a teddy bear with the March of Dimes & WES logo. They say “saving babies TOGETHER one step at a time.” See WES website for graphics. Order deadline is April 11, 2016.

I would like the following amount of t-shirts: _____ (list amounts by the size that applies.)

___ Youth Small ___ Youth Medium ___ Youth Large ___ Youth X-Large

___ Adult Small ___ Adult Medium ___ Adult Large

___ Adult X- Large ___ Adult XX Large

Student’s Name _____ Teacher _____

Dear Parents,

Our school is participating in the 2016 Georgetown County March for Babies campaign to help give every baby a healthy start. We would like to give each of you the opportunity to purchase a butterfly that will be placed in the Butterfly Garden at the March for Babies event at East Bay Park in Georgetown on April 30th. These butterflies represent babies born healthy and those who need help. Please feel free to honor your own child too– after all, they are still your babies.

Please complete the form below and return with your child by April 30, 2016. Each butterfly is a minimum \$10 donation. Checks can be made payable to the March of Dimes or WES.

Your support is greatly appreciated-for babies!

Please check the butterfly or butterflies you would like to purchase.

Quantity

_____ Healthy baby girl (pink) _____

_____ Healthy baby boy (blue) _____

_____ Expecting mother (green) _____

_____ Premature baby (purple) _____

_____ Baby born with a birth defect (yellow) _____
