Family Justice Center's Used Shoe Drive

What: The Family Justice Center is conducting a shoe collection drive in 2016. Our goal is to collect 100 bags of shoes (25 pairs per bag) to raise funds to continue providing free and confidential services for victims of domestic violence and their children.

The shoes collected will not only provide funding for FJC services but will also benefit impoverished people in developing nations. Through the collections these people are able to start, maintain and grow their microenterprise to feed, clothe and house their families. Shoes are creating sustainable economies in countries where little hope of economic stability exists.

Bring shoes of any size, style or condition!
