STEM Education Aerospace Camp

Waccamaw Elementary

SPACE EXPLORATION:

Monday – Thursday, July 11 – 14, 2016 9:00am – 12:00pm

This class is for students completing 5th - 8th grades. Students will learn about where America is going next, including the International Space Station, the moon, near Earth Asteroids and Mars. Students will investigate and experiment with scientific principles relating to space exploration. They will interact with an educational specialist from the Johnson Space Center. Emphasis will be on critical thinking, problem solving and deductive reasoning skills. Cost: \$100 which includes tuition and all rocket materials.

SPACE CITIES:

Monday – Thursday, July 11 – 14, 2016 12:30pm – 4:30pm

This class is designed for students completing 2nd - 4th grades. Students will learn about living and working in Space, where astronauts sleep, how they eat, exercise, and spend their free time. They will design and build space stations in cooperative groups using recycled materials and participate in activities involving EVA assimilations, hands-on science experiments dealing with gravity, space mud and astronaut foods. Students will develop their imagination and creativity skills. They will learn about contributions NASA has made to improve the quality of life on earth. Students are welcome to repeat this class as many times as they like creating new space stations each year. Cost: \$100 which includes tuition and all materials.

The Instructors:

The teaching team will be composed of Connie Richardson Smith, an educator/consultant/Morningside College adjunct instructor. Co-teaching is Mary Richardson Tester, who teaches high school special education at Waccamaw High and Ben Tester, who teaches 7th grade science at Waccamaw Middle. Connie and Mary have successfully taught this aerospace science camp for many years adding new features each year. Both teachers have completed graduate work at the University of Iowa in Science Education through the Iowa Chautauqua Program. They have completed teacher training at the Johnson Space Center through the Space Exploration Educators Conference and Mary attended MoonKam training in Las Vegas through the Sally Ride Science Institute. Connie attended the International Space Station conference in Boston last summer sponsored by the American Astronautical Society. This summer we are fortunate to have Ben join the team to co-teach the Space Exploration Class. He is a recent graduate of the College of Charleston and a former student of Space Camp.

Jump Rope for Heart

Thank you again to all of those who contributed to make this year's Jump Rope for Heart event our best ever. To thank you for your efforts, the American Heart Association has provided ONE free ticket to the Friday May 20th Myrtle Beach Pelicans baseball game for each student who donated money to this year's Jump Rope for Heart event. I will be sending your child home with the form and all they have to do is fill it out, and turn it in at the Pelican's Box Office the day of the game to get their ticket. The gates open at 6:00pm on May 20th, and the students can participate in the Pre-Game Parade which starts at 6:15pm. The actual game will begin at 7:05, and again, the free ticket is for any student who turned in money for this year's Jump Rope for Heart event. Any other people who attend with the student will be required to buy their own ticket. Thanks again, and take care.

Mr. Malone

Please submit all box tops by May 20. We will still accept box tops after that day but the box top competitions will end on May 20.

Competitions will resume in August.

TOASTED

Just one bad, blistering sunburn as a child doubles your risk for skin cancer later in life. Yet more than half of all kids report having at least a minor sunburn in the past year.

Don't get burned this summer!

BOYS & GIRLS LACROSSE CAMP

JUNE 27, 28, & 29TH AT WACCAMAW HIGH SCHOOL

This year was WHS's 3rd year of having both Boys & Girls Lacrosse programs. We are looking to grow the sport and would like to offer an introductory level, noncontact lacrosse camp for boys and girls in grades 2 – 8.

No experience is necessary as camp instruction will cover fundamentals of the sport. All participants will receive a lacrosse stick, ball, and t-shirt for attending. All proceeds will go towards the purchase of team equipment for the 2016-17 season.

Cost: \$75.00 (nonrefundable)

Dates: June 27—29

Time: 8:00—11:00 am

Location: WHS—Outside Field TBD

Register Online: <https://goo.gl/kWomNi>

Registration Deadline: June 5, 2016

Waiver Online: <https://goo.gl/3Npfif>

Space is limited. The camp will only be opened to the first 75 campers to register. **Registration Closes June 8, 2016!**

Scholarships available for student-athletes in need of financial assistance. Please contact Coach Marc Frechette by email to inquire about these opportunities or if you are a business looking to help with scholarships.
