Kindergarten News

The kindergarteners continue to share their buzzing personalities while making new friends. The kindergarten team would like to thank the parents for letting their little ones walk to class independently. Our goal is to work with parents to develop independent thinkers, problem solvers for those kid size problems and lifelong learners. Students are still being assessed with the Developmental Reading Assessment. This test will assist teachers in identifying areas of strength and weaknesses in all students while giving them target skills to work on for success.

Carolina vs. Clemson Football Game

~ You could win free tickets!

Students ~ Have you been reading lots of books?
~ Do you like football?
~ Would you like a chance to win free tickets to the Carolina vs. Clemson game?

Parents ~ Please read the "Read Your Way to the Big Game" newsletter that was sent home earlier this week.
~ Please help your child complete the list on the back of the newsletter and have them return it to their teacher.

Questions? Please call Paula Canine ~ Library Teacher

PowerSchool

PowerSchool is a secure web-based student information system. The PowerSchool parent portal is designed to strengthen communication between the school and home by providing parents, and teachers with a tool to communicate student performance. The parent portal may be accessed from any location where the parent/guardian can access the internet. You must come to the school to see Mrs. Nelson to receive your child's login information.
