We Celebrate Our Grandparents 2015

My Handprints

My dirty little handprint
I've left on every wall
And on the drawers and tabletops
I've really marked them all
But here is one that won't rub off
I'm giving it to you
Because I am so thankful
For grandparents like you!

HAPPY GRANDPARENTS DAY

It is a privilege for students to ride our school buses.

Parents/adults at bus stops are prohibited from boarding school buses at bus stops.

1st Grade News

1st grade students and teachers have been busy this month! We have been getting to know all about our families, especially our grandparents. We had many visit on Grandparent's Day, it was great fun. We are working on our reading skills, please be sure your child is reading every day! In math we are practicing our facts, both addition and subtraction. During science, we are studying all about our shadows. Next month we will be taking field trips to Thompson's Farm and a Junie B. Jones play. Please be certain to send in permission slips and \$, if you have not already done so. It is going to be a wonderful year!!!

The United Way campaign takes place during the month of October. At WES we will be collecting coins and bills in large glass jars in the front office. Each grade level has a jar and students are encouraged to throw their coins in their grade level jar. We will be keeping an eye on whose jar is filling the fastest! Some of the things that your donations help with are listed below:
