On Wednesday, November 4, eight WES students had the opportunity to present their engineering problem solving skills at the GCS D CATE (Career and Technology Education) Expo. All third grade classes participated in a Halloween Treat Toss STEM (Science Technology Engineering Math) Challenge with Mrs. Marshall, Elementary Science coach, the previous week. This group of students did additional research relating to the STEM Challenge and spoke knowledgably about their learning experience. We are proud of **all** of our engineering dolphins!

3rd Grade Anti-Bullying Superhero Poster Contest Winners

October was "Bullying Prevention Month." The 3rd grade S.P.I.C.E. Club began the observance with an anti-bullying assembly program presented by "Omegaman." Omegaman travels to schools across the United States teaching students about bullying prevention and character education. His message to students this year was "Be a H.E.R.O." The 3rd graders were invited to enter a poster contest to create a superhero whose job is to help stop bullying. The winners are: 1st Place—Ireland White; 2nd Place—Emmie Bess; 3rd Place—Kayla Sheedy; Honorable Mention—Justin Steros, Iliana Intrieri, and Matthew Henry. Congratulations! Remember: Everyone can be a H.E.R.O. when you help everyone respect others, be a dream maker, and make good choices.
