# Go Fund Me for Reagan Greene

Hi my name is Reagan, I'm a second grader at WES, and in this picture I had already had 14 surgeries on my foot. But now December 1st, 2016 I had to have that foot amputated. I am 7yrs. old and I live with my Mimi( who started this campaign) and Papaw, dad and 3 sisters. I was born with club feet and I did not get the treatment I was suppose too so I have had a very hard time just so I could walk.t Now that my foot has been amputated I will be getting a prosthetic foot. I will have to learn how to walk again and everything. My grandparents have to take me 5 hours away to the doctors and hospital that I have to use. And it has been very hard on them money wise. My papaw has to take off work all the time. My dad can't help because he is completely disabled. So the money you give will go for the travel, gas, food, motel stays and medicines and many, many more things that are greatly needed. This is a very urgent thing so we don't loose everything we have. I thank you for all your time and help.

Thank You,  
xoxoxo  
Reagan Lake Greene
