A Musical by **Sharon Burch & Mark Burrows**

Presented by:
Waccamaw Elementary First Grade Students
Two Hopping performances -March 30, 2017 6:30 pm
March 31, 2017 9:00 am, WES Gym

Hello Families,

Did you know that premature birth is the #1 killer of babies?

We are fundraising for March for Babies to change that.

The money raised goes toward research to prevent premature birth, birth defects, and infant loss.

We are trying to raise \$2,000 by May 4th.

We will be raising money in different ways and all money raised will go towards meeting our school and grade level goal. We also will be selling March of Dimes t-shirts for children and adults.

We are selling March of Dimes tags for \$1.00. That tag will have your child's name written on it and it, will be placed on our door. Help us win a prize!

Thanks for supporting WES & March of Dimes.

Jump Rope for Heart "Heart Competition"

HEART Competition top 3 winners:

1st—Mrs. Loftus-1340 hearts (pizza party and an extra physical education class)

2nd—Mrs. B. Thompson-1005 hearts (ice cream party & jump rope lanyard for each student)

3rd—Mrs. Allard-732 hearts (kickball for the class and jump rope for each student)

Thank you for all of your participation and joining in on the fun while supporting the American Heart Association

Coach DelBagno

The Child Development Class of Mrs. Oliver and Ms. Thomas

Our class is getting ready to begin another unit of study! This unit will concentrate on shadows and reflections! It should be so much fun participating in activities that incorporate these properties! Look for our exciting wall displays that will be coming soon!!

Mrs. Maring and Mrs. Stecz's Child Development Class

In Child Development we are putting March to the test to see if it really does roar in like a lion and go out like a lamb! We are learning about wind and movement. We discussed the speed and direction of the wind as well what weather instruments measure each of these. So far the month of March has not disappointed us and we have been able to experience the wind and its many properties! We made our own kites and flew them as well! We had a wonderful "Kite Day"!

Kindergarten News

Kindergarten students are enjoying sharing many different versions of classic fairy tales together. We are comparing and contrasting the different versions daily and learning what makes a story a fairy tale. Try reading fairy tales at home too! See if your child can tell you who the evil, good, royal, or magic characters are. Where was the setting? Did it happen long ago or far away? Can they figure out what the problem in the story was? Was there a set of 7 or 3? Was there an underdog? Did it end happily ever after? Was there a lesson to be learned?

Remember, reports cards go home Friday. Practice sight words nightly and: READ, READ, READ!!

Tardy Reminder

Parents,

When your child arrives after the 7:55 a.m. bell, a parent must come to the front office to sign them in.

Safety First!
