Hello Families,

Did you know that premature birth is the #1 killer of babies?

We are fundraising for March for Babies to change that.

The money raised goes toward research to prevent premature birth, birth defects, and infant loss.

We are trying to raise \$2,000 by May 4<sup>th</sup>.

We will be raising money in different ways and all money raised will go towards meeting our school and grade level goal. We also will be selling March of Dimes t-shirts for children and adults.

We are selling March of Dimes tags for \$1.00. That tag will have your child's name written on it and it, will be placed on our door. Help us win a prize!

Thanks for supporting WES & March of Dimes.

**FIRST GRADERS ARE AWESOME!**

First grade students have worked so hard preparing for the spring musical, *Freddy the Frog and the Mighty Meter Gnome*, and it paid off! They did such an awesome job performing twice: once for their parents and school community and a second time for local preschools and the WES student body. Way to go first graders...you truly are awesome! In language arts we are becoming more fluent readers showing expression as we read more challenging texts. In writing we are finishing up opinion pieces while focusing on editing and revising our own work. In math we are focusing on two-dimensional shapes and equal shares. We have had so much fun learning about the cultures of many countries around the world. The children have been working hard on their mini research projects at home and are looking forward to our Taste Around the World eating different foods from many countries. It's hard to believe we are in the fourth nine weeks of school but we are going to finish the year strong being the best first graders we can be!
