

Literacy Message

Summer reading is a cool way to enjoy the summer.

May Fest is next Friday!! May 19, 2017—8:30 a.m.—2:30 p.m.

We could still use about 3 more volunteers. (*Volunteer Hours 8:30 a.m. -2:30 p.m.*)

Only supplies still needed:

- **Canopies (to borrow, please) Bring these no later than Thursday, May 18, 2017**
- 2 flounder (please call if you can donate these)
- 20 cereal boxes
- plastic bottle caps of all colors

Thank everyone for all of the donations, especially PTA who monetarily supports this activity!

We are looking forward to a beautiful day, the projected forecast is 86, sunshine, low if not no humidity!

So here we go....."Full **STEAM** Ahead!"

If you signed up to volunteer and have not heard from Mrs. Cromley concerning your station, please contact her via email: jcromley@gcsd.k12.sc.us

Thanks to everyone for supporting

Waccamaw Elementary Summer Camp

AEROSPACE EDUCATION In the 21st Century

SPACE CITIES:

July 24 – 27, 2017 Monday- Thursday

9:00 A.M. - 12:00 P.M.

This class is designed for rising 2nd – 5th graders. The students will learn about living and working in Space, where astronauts sleep, how they eat, exercise, work and spend free time. They will design and build space stations in cooperative groups using recycled materials and participate in activities involving EVA assimilations, hands-on science experiments dealing with microgravity, weightlessness, and astronaut foods. Students will learn to develop their imagination and creativity. They will learn about contributions NASA has made to improve the quality of life on earth. Cost: \$100 which includes tuition and all materials. Students are welcome to repeat this class as many times as they like creating new space stations each year.

SPACE EXPLORATION:

July 24 – 27, 2017 Monday - Thursday

12:30 P.M. - 3:00 P.M.

This class is designed for rising 5th – 9th graders. Discover and learn about Orion’s features, innovations and design capabilities of the future. Students will learn how innovations developed in space influence life on earth. Students will learn more about where America is going next, including the International Space Station, the moon, near Earth Asteroids and Mars. Students will investigate and experiment with scientific principles relating to space exploration. Classes will include hands-on experiments in topics such as robotics, rocketry, weather, and space suit technology as it relates to health care, satellites, and hydroponics. They will interact with an educational specialist from the Johnson Space Center. Emphasis will be on critical thinking skills, problem solving and deductive reasoning. Cost: \$100 which includes tuition and all rocket materials.

The teaching team will be composed of Connie Richardson Smith, an educator/consultant/Morningside College adjunct instructor. Co-teaching is Mary Richardson Tester, who teaches high school special education at Waccamaw High and Ben Tester, who teaches 8th grade science at Waccamaw Middle. Connie and Mary have successfully taught this aerospace science camp for many years adding new features each year. Both teachers have completed graduate work at the University of Iowa in Science Education through the Iowa Chautauqua Program. They have completed teacher training at the Johnson Space Center through the Space Exploration Educators Conference and Mary attended MoonKam training in Las Vegas through the Sally Ride Science Institute. This summer we are fortunate to have Ben join the team to co-teach the Space Exploration Class. He is a graduate of the College of Charleston and a former student of Space Camp.

Registration is on a first come, first serve basis. Program materials will be sent to participants upon registration prior to the beginning of class. **You will be notified if you are not accepted.** For more information, contact Mary Tester at 843-602-6447 or email her at mtester@gcsd.k12.sc.us. Partial scholarships are available for students with financial needs, contact Mrs. Tester to apply for them.

The registration fee is nonrefundable. **A \$5 discount will be given to all participants who register by June 1, 2017.**

To register, complete the attached form including your registration fee and return it to:

Fit for Kids Summer Day Camps at Tideland's Health Healthpoint Center for Health & Fitness

June 5 - August 11

Monday - Friday 8 a.m. – 3 p.m.

Aftercare available until 6 p.m. Monday-Thursday

The “good ole days” are happening right now for your kids. Register for Fit for Kids summer camp and make this summer one to remember!

We engage campers in fun activities to keep them physically active, build character, create fond memories and form friendships. We fill our weeks with swimming, indoor and outdoor games, sports, teambuilding, water play, crafts and science, with plenty of time left to play a board game, dive into a good book, or sing and dance to our favorite tunes.

Day camp is open to ages 3 to 5 years (must be potty-trained) and school age children in kindergarten through sixth grade.

Campers should wear t-shirt, shorts and tennis shoes (no sandals please). Bring a bathing suit, towel, and goggles for daily pool or water time (two days a week for preschool). Pack a sack lunch Monday-Thursday. We will provide a pizza party for lunch on Friday.

Early registration begins April 3. Receive camp bag, water bottle and t-shirt.
