Second Grade News

Happy fall ya'll! Second grade is in full swing. This 9 weeks we continue to work on personal narratives in writing. In math, number sense has been the focus. Students continue to build stamina and work on correctly following the I-charts during each rotation of Daily 5. We are busy, busy reading and writing! In social sciences, we will finish up communities past and present and then move into our exciting weather unit.

Please remind your child of their roles and responsibilities as a second grade learner. We have so much fun stuff to teach them to get them ready for third grade 😊 and want them to bring their best self to class every day.

Waccamaw Supports Warriors is collecting sundries and snacks until November 11th which is Veterans Day for marines deployed abroad. Please help support our troops!

Waccamaw Supports Warriors

Waccamaw Elementary School is supporting deployed marines this year. We are kicking off our event on September 11 and continuing through November 11th, Veteran's Day. We will send care packages to marines accompanied by students' notes and artwork. These care packages will include a variety of items that we will collect in a box to the right of the office. They have informed us that they are in need of toiletries, spices, powdered drink mixes, snacks, and reading materials. I have placed a list of examples on the box that will be used for collection.

Marine Wish List:

Seasonings of all kinds

Non-perishable snack foods

Powered drink mixes

Toiletries of any kind
