

Physics = study of
motion and
forces

motion = movement

force = push or pull

Jan 30-8:45 AM

1. You are 5 yrs.
old in Kindergarten.

Explain everything
about

motion

Jan 30-9:18 AM

2. Explain moving ball rolling across the floor to a 5 yr. old. Use all the boring science you can.

Jan 30-9:26 AM

Mass — Weight
(amount of matter) (gravity controlled)

Jan 30-9:37 AM
