Mission Statement of the Waccamaw Boys Lacrosse Program

All members of the Waccamaw Boy's Lacrosse Program adhere and model the values within our Mission Statement.

Mission Statement

The mission of the Waccamaw Boy's Lacrosse Program is to develop student-athletes of character and integrity who will serve as positive citizens to the community.

1. We will promote pride, unity, and confidence in Waccamaw High School, the Waccamaw athletic department, and the Waccamaw Lacrosse family.
2. We will place emphasis on academics.
3. We will practice positive leadership.
4. We will hold ourselves responsible and accountable.
5. We will embrace and value work ethic.

Our lacrosse program is built on values that will serve as our foundation. Safety, respect, and growth mindsets are values that all players, including past, present, and future will be accountable for. This will help us to grow as positive members of society.

Safety: Player safety is our first priority. We develop players to understand, recognize, and value their own safety as well as others around them. We encourage players to make safety-conscious decisions both on and off the lacrosse field.

Respect: In the game of lacrosse, as well as everyday life, we must conduct ourselves in a way that embodies strong character. We promote respect in three ways: the game, our opponents, and ourselves. It is through respecting these three areas that we develop as a whole student-athlete and valuable member within our society.

Growth Mindset: We believe that individuals can grow and improve. Our program focuses on the task at hand and the process of improvement, rather than individual ability. We teach players to focus on combining learning strategies with effort to ensure positive growth.

2017 Program Sponsorship

At the start of the first season, Waccamaw Boys Lacrosse Program had 28 players...now in our fifth (5th) year we have approximately 60 players (Varsity & JV). This is outstanding! But the growth brings added expenses. We are reaching out to our program's family and friends asking for help in the way of sponsorship donations.
