

Extended Day Policy

Teacher: Barbara O'Neill

I am aware that Mrs. O'Neill offers extended day on Monday afternoons from 3:15 pm to 4:00 pm. This time can be used for makeup work or grade improvement, or simply extra help on an assignment or topic.

I am aware that Mrs. O'Neill will allow me to improve **any major assignment lower than an 80**. The maximum grade allowed with this 2nd chance is an 89. This must be done in the classroom with Mrs. O'Neill in case I have questions. **ALL COURSE WORK MUST BE COMPLETED PRIOR TO TAKING THE UNIT EXAM.**

I am aware that any grade improvement or incomplete work for a particular unit must be completed before the test date of the following unit.

I am aware that I must sign in when I come in for extended day and arrange a ride when I am done with my work.

I was given this information at the beginning of the semester. It is also posted in the classroom and on Mrs. O'Neill's web page pagebaoneill@gcsd.k12.sc.us under the Parental Forms.
