### Fruit Scramble

**Directions:** Unscramble the following letters to spell out the names of fruits. Then check the appropriate column to identify the classification.

| Fruits           | Berries | Drupes | Pomes | Citrus Fruits | Melons | Tropical Fruits | Picture Number |
|------------------|---------|--------|-------|---------------|--------|-----------------|----------------|
| 1. ganrose=      |         |        |       |               |        |                 |                |
| 2. palpes=       |         |        |       |               |        |                 |                |
| 3. sanbaan=      |         |        |       |               |        |                 |                |
| 4. neippalsep=   |         |        |       |               |        |                 |                |
| 5. aptcoenaul=   |         |        |       |               |        |                 |                |
| 6. rebrebslieu=  |         |        |       |               |        |                 |                |
| 7. wabreriestrs= |         |        |       |               |        |                 |                |
| 8. pergaftuir=   |         |        |       |               |        |                 |                |
| 9. sperag=       |         |        |       |               |        |                 |                |
| 10. yapaap=      |         |        |       |               |        |                 |                |
| 11. twiirfkui=   |         |        |       |               |        |                 |                |
| 12. shercrie=    |         |        |       |               |        |                 |                |
| 13. yhwecnd=     |         |        |       |               |        |                 |                |
| 14. sapre=       |         |        |       |               |        |                 |                |
| 15. gantrinsee=  |         |        |       |               |        |                 |                |
