DENIAL OF RELEASE TO MEDIA OF STUDENT INFORMATION

The Georgetown County School District and its individual schools often have the opportunity for positive media coverage of students while they are participating in school-sponsored events. The school district encourages media coverage so that the citizens of Georgetown County may learn about the awards and accomplishments of students.

With your permission, your child may be included in such media activities at your child's school. This coverage may include the student's name, picture (video or still), art work, written work, voice, and verbal statements to appear in school publicity/publications, newspapers, the educational access TV channel, or on the school's or district's web page. **If you want to grant permission for your student to participate in media coverage, you do not have to complete this form.**

If you **do not** wish to grant permission for your child to participate in media coverage associated with your child's school, please complete the information below and return it to your child's school.
