From March 17th to March 19th, WHS Student Council, sponsored by Mrs. Humowitz, attended the SCASC State Rally at Cane Bay High School in Summer-ville. The theme this year was “Star Wars” with the slogan being, “Discover the Force of Leadership.” The first day was spent networking and getting to know the other schools that attended the convention. That night, Student Council President, Raphael Ofendo-Reyes, was inducted into the Terry McCoy Leadership Hall of Fame. “State was kind of emotional, I had so much fun learning and meeting new people from all around the state, but it was sad because it was my last student council ever at the state level,” Ofendo Reyes said. The second day was spent in workshops and ended with a pep rally, award show, and a dance. The next morning, Tess Humowitz, a junior and Vice President of Student Council, won the chair position for District Two; meaning Waccamaw will host district rally in 2018! Overall, Waccamaw won gold for the scrapbook, which is also regarded as the Council of the Year Award. This is the 13th time in a row Waccamaw has won, the first time in the 3A division! Congratulations Student Council!

Charging Up the Warrior Way!

Article by E-P Vermont, Photo provided by Student Council

Recently, the Waccamaw Student Council sponsored the creation of two charging stations for students to use. Junior Matt Maxiner and his family created them. Each side of the station has two to four outlets for either plugs or USBs. They are located in the cafeteria and media center currently, but if a demand is shown, a third charging station may be added. These charging stations are for phones and other electronic devices only, no food or drinks should be placed on or near the stations. "We hope this will help in keeping students more focused in their classes at the end of the day rather than worrying about charging their phone," Student Council sponsor Mrs. Humowitz said. "As so many students are athletes that have to travel distances or students who work after school, providing an area where they can charge their phones is good for safety and communication."

Cooking Up Something New

Article by Rachel Moore; Photos courtesy of Ms. Hossa

On Tuesday, March 14th, Ms. Hossa's Foods 1 and 2 classes visited the new Culinary Institute on the Myrtle Beach campus of Horry Georgetown Technical College. Students were given a guided tour by one of the chefs in the program. The students were able to see what it would be like to be a culinary student there - seeing the outdoor grilling area, the baking and pastry classrooms which includes a student run bakery, and the culinary classrooms. While touring, the students were able to watch culinary students prepare part of the lunch they would later have. The visit ended with a three course lunch and dessert all prepared by the students in the program. It was a great experience for everyone.

Springing into a New Season

Article by E-P Vermont & Maddie Giarratano; Photos by E-P Vermont

Waccamaw had its last pep rally of the year on Thursday, March 16th. There, all of the spring sport players were recognized—Baseball, Lacrosse, Boys Tennis, Soccer, Boys Golf, Softball, and Track and Field. During the pep rally, Student Council passed out Pixi Sticks to the spring sport players thanking them for their hard work and dedication. To end the pep rally, classes were asked to show their class pride to see who would win the spirit stick. Seniors beat out the other classes, proving they had the most class spirit.

Before the pep rally, Student Council hosted a Student vs. Faculty basketball game. In the first game, female students and faculty went head to head competing for the win. Though the female faculty put up a valiant fight, the students overcame them to take the win. The second game was much more aggressive with the males playing. The faculty was winning in the first half of the game until “older age” ☺ caught up with them, which opened the door for the students to come back and secure a win.

Article by E-P Vermont, Photos courtesy of Coach Matthews and Mrs. Tester

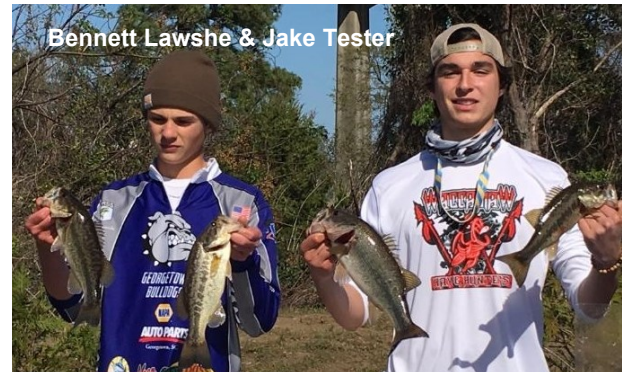

TJ McKenzie & Michael Paglio

On Saturday, March 18th, three WHS Hawg Hunters competed in the last SALT Fishing Tournament of the season. Jake Tester teamed up with a Georgetown High student (Bennett Lawshe) and TJ McKenzie and Michael Paglio teamed up. It was a rough day as they fought high tides and cold front conditions most of the day. The Hawg Hunters caught fish from water out of Ricefields ditches, lily pads, and truck docks. McKenzie and Paglio caught the allotted amount, five fish, late in the day.

McKenzie caught his fish using a senko bait and Paglio used a curly-tailed worm. The overall weight of the five fish came to 8.52

pounds, which landed them in 2nd place. Tester and Lawshe came in 8th overall. They caught two fish each. Jake used creature bait and Bennett used an artificial night crawler worm. They weighed in with a total of 5.41 pounds. Congratulations Hawg Hunters!
