## **A Season of Thanks!**

WHS Community,

As I walk the halls of our outstanding high school, I see daily in the eyes of our students the hopes, dreams, and plans that they have for their future. What an opportunity we have as educators and parents to change the course of generations to come by being involved in the lives of our children. As we enter into the holiday season and Thanksgiving is fast approaching, we all, including myself, need to take some time out of our busy schedules and spend more of that quality time with our kids. The teenage years are one of the most important and tumultuous times in your child's life. Don't let the last few opportunities you have to shape your child's life and future slip away.

With Thanksgiving squarely in sight, I would like to take this opportunity to thank all of our parents, community members, faculty, staff, and students, for a great first nine weeks. Our students have done extraordinarily well and as always exhibit Warrior pride in all their endeavors. We truly have so much to be thankful for as a school and community. Academically, our students are excelling in their classes and our discipline rates and referrals have never been lower. Athletically, our boys' swim team finished in the top five in the state with five Warriors winning state championships this fall and our boys' and girls' cross country teams finished third and fourth overall in Class AAA. Additionally, our speech and debate team continues to bring home weekly state-wide honors. Our girls' tennis and volleyball teams advanced deep into the playoffs with each squad boasting all-state players and honors. Finally, our award-winning Student Council and National Honor Society continue to shine light in our community through selfless volunteering and service projects to benefit the less fortunate in our area. Let's keep working hard to maintain the high level of excellence academically, athletically, in the arts, and in our service organizations. Always remember: "Once a Warrior! Always a Warrior!"

I hope you have a blessed Thanksgiving, with time spent relaxing and enjoying your family and friends. I look forward to seeing you at the high school very soon!

Sincerely,

*Dr. David M. Hammel*

# Waccamaw Donates Food to Helping Hands

Article and Pictures by E-P Vermont

Every year, the Waccamaw Student Council partners with Helping Hands of Georgetown to collect food for those in need. With the county still suffering from the effects of Hurricane Matthew, there are many families in need this season. WHS collected a total of 2,805 items! Great job Warriors. The top three collecting teachers were:

1<sup>st</sup> Place: Mrs. Crutchman's classes with 611 items.

2<sup>nd</sup> Place: Mrs. Kemp's classes with 588 items.

3<sup>rd</sup> Place: Mrs. Chadwell's classes with 559 items.

**Thanks to all the Warriors who participated in supporting the families in need in our community.**

Waccamaw High School has begun its first **Angel Tree** program to collect gifts and necessities for less fortunate students within the school and community. The program matches students in need and their younger siblings not yet in school with community members or groups willing to "adopt" a child and help provide them with a more exciting holiday experience - in some cases providing the only nice gifts that student may receive for Christmas.

Each year, school counselors along with the nurse work to identify homeless and other truly needy students in our school who could benefit from the program. They then compile a list of each child's needs and wants. Students will be assigned an Angel code number, so that identities are protected.

Presents should be delivered to the school for the particular angel before the district lets out for winter break. By the morning of December 16<sup>th</sup>, all presents will be in the angels' homes.

### To Adopt an Angel:

1. View the list, and select an angel (making note of their Angel code number) by Wednesday, December 5<sup>th</sup>.
2. Contact Guidance to confirm your selection:  
Email [agraham@gcsd.k12.sc.us](mailto:agraham@gcsd.k12.sc.us) or call 843-237-9899.
3. Go shopping, and purchase the items on their list. (Average cost is about \$75 each.)
4. Gift wrap your presents, make sure the Angel # is written on the outside, and deliver them to Waccamaw High School, 2412 Kings River Rd., in Pawleys Island by 4 p.m. Thursday, December 15<sup>th</sup>.

# District Rally

By Georgia Ann Mattar

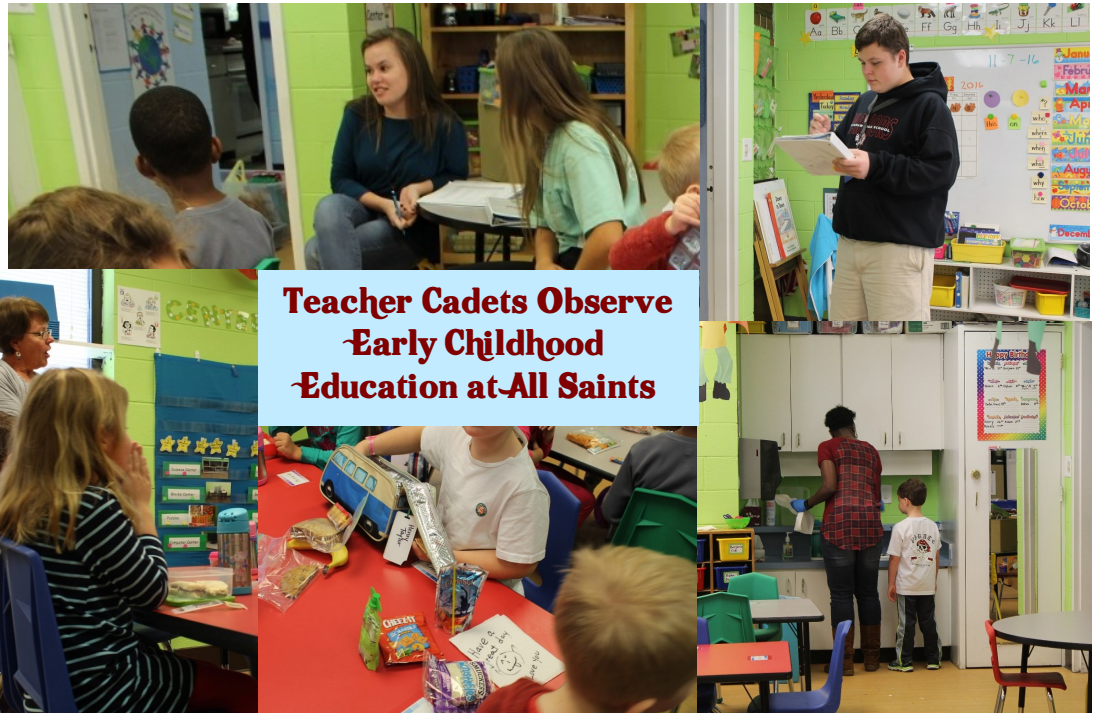

Tuesday, November 8<sup>th</sup>, was the Student Council District Rally at Sumter High School. Our very own Tess Humowitz is the District Vice Chair and helped present and orchestrate the event. Four people from Waccamaw presented workshops. Raphael Ofendo-Reyes, Emily Countess, Sara Ness, and Mrs. Humowitz. Countess took home the award for most caring workshop for her scrapbook workshop. Throughout the day, everyone who was not presenting attended three workshops each. After the workshops, everyone ate lunch, then members of the team did a team building recreation with army recruiters. Student Council returned with a lot of good information.

Last Monday, November 14<sup>th</sup>, Mrs. Humowitz's Teacher Cadet class observed All Saints Pre-school and Kindergarten classes to learn about important aspects early childhood education. During fifth period, we drove over to the school where we were greeted by Mrs. Kristin Ford, the Director of All Saints Church School. The Cadets split into two

different groups and observed a Preschool class and a Kindergarten class during lunch. We had to observe the classroom setting, the relationship between the teachers and students, and the relationship between students to learn what makes a proper classroom for children at that age. We will use our information to build a small diorama of our very own classroom, or make a pamphlet of the ideal preschool. We had so much fun observing the school and gathered so much information!

## GRILLED CHEESE GRILL OFF CONTEST IN FOODS 2 CLASS

Article by Maddie Giarratano, Pictures courtesy of Ms. Hossa

On Monday, November 7<sup>th</sup>, Ms. Hossa’s Food and Nutrition 2 class held their first annual “Grilled Cheese Grill Off”. Each kitchen was given a week to prepare and plan out their sandwiches. The grilled cheese had to include two different types of cheeses, two other ingredients that were not dairy related, a spread, and a bread of their choice. The four kitchens had to make two sandwiches with the time limit of 30 minutes. After the sandwiches had been made and the time was up, five teachers came to judge the sandwiches by their appearance, grill exterior, grill interior, taste, and creativity. It was a close call but the winning team of Shannon Wyrick, Skyler Jewell, and Joseph Chapman won by a total three points separating them from the team of Clifford Boynes, Jaylin Robinson, Mark Johnson, and Rashard Anderson. The winners of the Grilled Cheese Grill Off were each awarded a gold flipper.

## Hawg Hunters Compete in the Tournament Trail

Article and pictures by Coach Matthews

The Waccamaw Hawg Hunters fishing team participated in the South Carolina High School Low Country Tournament Trail on Saturday, November 5<sup>th</sup> at John C. Land Marina in Summerton S.C. on Lake Marion. There were 25 teams from the upper and lower state of S.C. The two members of the WHS Hawg Hunters that competed were: Micheal Paglio and TJ Mckenzie. Fishing hours

TJ McKenzie

were from 7:00 A.M. to 3:00 P.M. Fishing was tough because they had a cold front with winds of 10 to 14 mph. The fish were tight to cover and small but they caught four to six bass before catching one keeper, which had to be 14 inches long. At the end of the day, they caught 2 keepers; McKenzie with almost 3-lbs and Paglio with a one and half pounder. Over half the field that fished during the tournament didn't catch a fish all day. The boys had fun, riding a long way up and down the lake in rough water.

## Football Season Comes to an End

Article by Brecken Fox, Picture courtesy of Mrs. Linda Lane

Waccamaw hosted Aynor for the very last home game of the season on November 4<sup>th</sup>, and was defeated by a single point in a frustrating loss. Brandon Stecz connected early with Dominic Gullo for the first touchdown of the game. Stecz also found Tyree Funnye in the end zone a few drives later, giving the Warriors a 14-0 lead. Aynor soon put up their first points of the

game on a 30-yard touchdown pass on 4<sup>th</sup> and 30, and followed with a 2-point conversion. Aynor attempted an onside kick, but Gullo recovered it and ran it back. With the score at 21-8, in Waccamaw's favor, Aynor scored another touchdown. Aynor gained their first lead of the game late in the third quarter, with a touchdown run and a 2-point conversion. The Warriors answered with a 14-yard carry by senior Jordan Marshall, which put the Warriors on the goal line, and Stecz punched it in for the score. The Warriors faked the extra point, and Marshall passed to Josh Musiol for 2 points. With Waccamaw leading 29-22, Aynor scored yet again, and executed a 2-point conversion to regain the lead. The game winded down, and Waccamaw ended their last home game by a score of 30-29.

For the last game of the season, the Warriors took on Lake City. The Warriors fell 47-13, finishing the season at 1-9.

## WHS Students Attend SC Legislative Black Caucus Youth Leadership Conference

Article and Picture by Mrs. Tucker, Guidance Counselor

On Monday, November 14<sup>th</sup>, four WHS students attended a trip to the South Carolina Legislative Black Caucus Youth Leadership Conference. The students who attended were Jasmine Hazel, Aaliyah Thomas, Jayy Robinson, and Mikayla Wright. They were split into committees and deliberated on possible Bills concerning the State of South Carolina. In this mock experience, they could vote for or against these Bills after deliberation. They enjoyed their time learning about the passing of Bills and exploring the Statehouse grounds. It was a great experience as they were mentored by House Representatives and Senators from the SCLBC.

### 2017 Business at Moore Summer Program University of South Carolina Darla Moore School of Business

**Program Dates: June 17<sup>th</sup>-23<sup>rd</sup> or July 8<sup>th</sup>-14<sup>th</sup>**  
**Application Deadline: February 15, 2017**

The Business at Moore program is designed for high-achieving, high school juniors who are under-represented in business and have expressed an interest in pursuing a business degree. Participants live on campus for one week, enabling them to explore the opportunities available to them with a business degree and to experience college life. It also gives participants a chance to meet other high school students from throughout the state, as well as current Moore School students, faculty, and staff.

Thanks to our program sponsor, Wells Fargo, this program is available at **no cost** to the students. Through the program's classes and activities, students will have the opportunity to:

- Learn the essentials of how a business operates
- Learn how executives make business decisions
- Find out what types of jobs are available in business
- Talk with and learn from USC students, faculty, and local business executives
- Explore the opportunities a degree in business can provide

In addition to attending business classes and working on a group project, students experience campus life by living in the dorms, sharing meals on- and off-campus and exploring some of the local entertainment venues.

**Students who attend the Wells Fargo Business at Moore summer program and enroll in the University of South Carolina as a business major are eligible to apply for renewable four-year scholarships available through the Darla Moore School of Business and various Moore School alumni who have established scholarships for BAM students.**
