Peyton Alford

The summer of 2017 has officially come to an end. Our Warriors have had a memorable summer. The activities of our student body ranged from touring Italy to staying at the beach in Pawley's Island. Whatever our warriors did, they definitely made the most of every day.

Madeline Lanford got to tour Venice and other parts of Italy.

Rylee Allison dove deep with the sea turtles in Cozumel, Mexico.

Hunter Lane went to the Galapagos Islands.

Katherine Kopplin, Mason Pinkerton, Ashley Kopplin, and Lilly Mullen visited Walt Disney World.

The Great American Eclipse of 2017

Photo by Hunter Lane

Hunter Lane

On August 21st, 2017, a Total Solar Eclipse swept across the United States, from Oregon to South Carolina. Solar Eclipses occur when the Moon passes in front of the Sun, casting a shadow on Earth. The path of totality, or the part of the shadow where the moon covers the sun completely, passed right through Litchfield. Many people in the community, as well as people from around the country battled traffic to drive to the beach to watch this astronomical event. The next solar eclipse to pass through North America is not until April of 2024 and will not take the same path, so for many, this was a once in a lifetime opportunity.

GIRLS TENNIS CAUSES A RACQUET

Photo credits: Kayleigh Rhodes

By Abi Luquire

The Waccamaw girl's tennis team is a little bit different this year because of the lineup. The top five singles players are Aynsley-Aimee Flowers, Kate Drosieko, Addison Flowers, and Annie Reichert. Aynsley and Addison are twin sisters and both attend at Waccamaw Middle School as seventh graders. The coach, Mary Cannon says that the difference between the seventh graders and the older players who aren't in the lineup is all about the amount of time spent on the court. Our number four player, Annie Reichert spent her summer working at Debordieu Tennis Club teaching lessons. Many of the players in the top five lineup also took lessons at Stables Park, which is where the tennis team plays all of its home matches.

Many of the players, as well as the coach, are set on beating their rival for many years now, Bishop England. When they player Summerville High School, their coach said that they also liked to play against more challenging schools so they could experience more and get better. Olivia Brown, a 10th grader on the team has been playing since the 7th grade. Olivia says, "my favorite thing about the sport is being able to be active with my friends". Her goals for this season are to improve her "technique and skill, and also bond more with [her] teammates". Mary Drosieko, another 10th grader on the team has been playing tennis since she was 11, "since it was only two minutes away from where I lived". Her favorite thing about the sport is "the fight or the process it takes to win". Mary says, "tennis is an individual sport, which makes it a lot fun". Her goals this year for the team is to ultimately win state. "We've been so close before, but have a real shot at it this year because of the new players that joined the team". Mary and Olivia both agree, as well as the rest of the team, that Bishop England is our biggest rival. Hard work and practice will help the team get to where they need to be.

individual sport, which makes it a lot fun". Her goals this year for the team is to ultimately win state. "We've been so close before, but have a real shot at it this year because of the new players that joined the team". Mary and Olivia both agree, as well as the rest of the team, that Bishop England is our biggest rival. Hard work and practice will help the team get to where they need to be.

FOOTBALL BUILDS ON EFFORT AND BELIEF

Photo credits: Peyton Alford

By Hunter Lane

The Waccamaw Warriors Varsity Football team played their first games after a summer full of hard work. In addition to summer workouts, the Warriors got involved in some community service.

The team help set up a Habitat for Humanity event on Pawleys Island, and they helped move books to the new Waccamaw Library near the Intermediate School. When asked about the summer, Senior Defensive Tackle Liam Sullivan said, "summer practice went very well. It was a fast paced workout and we had great attendance all summer and I had fun bonding with the guys this year." The Warriors have played two games so far this year, and

one of their games was cancelled. Despite losing both games, the Warriors continue to work hard and keep their heads up as region play begins soon. Coach Fidler, the first year Head Coach said that "two games do not define us, the hard work they put in during the spring and the hard work they put in during summer and everything since then will define us... we know it's a process and we believe in it". Coach Fidler also thanked the student section for their enthusiasm and encouraged the students to continue to show their support. The Warriors have 3 Home games in a row starting September 15th, against Hemingway, Hannah-Pamplico (Homecoming), and Dillon.

GIRLS GOLF IN FULL SWING

By Abi Luquire

The members of the Waccamaw girl's golf team are Kimberlyn Cerasaro, Allie Bird, Kyndra Patterson, Lauren Maser, Riley Young, Brianna Hammond, Caroline Lankford and Marlee Lord. Marlee, an 11th grader on the team started playing on the team when she was in the 7th grade, with only two other people. Her favorite thing about the sport is that "you are playing for yourself and each round you are playing to beat your last score". Her goals for this season are to "have the team work together to make this season better than last year". Marlee feels that she "bring(s) some leadership to the team... being one of the older girls and having played with the team for so long". The Lady Warriors have four meets in September, the first two being away (9/11 and 9/18). They return home on September 21 to face So-castee at True Blue. They end September with an away meet at Aynor. They start October with a home match against St. James at True Blue and then move into Regions, Lower state, and State. We wish our lady Warriors the best of luck this season!

Volleyball Builds Character On and Off the Court

Photo Courtesy Mrs. Minkin

Volleyball season began back in May with spring training and continued through the summer on into the beginning of the school year. The grueling hours spent sweating it out in the gym or weight room have now come to fruition as the season is in full swing. This summer, the girls woke up early to be in the weight room by 6:30 am. The varsity players spent three days at College of Charleston for camp. The sacrifices given build character, but volleyball wasn't all these girls did.

The College of Charleston camp, according to Aaliyah Thomas was, “fun. We got to bond as a team, learned new techniques and skills, and grew closer together.” Savanna Morris liked it because “not only did we play together, but we learned how to play together.” Although there weren't official team bonding exercises, Morris said, “we bonded over early mornings and lots of soreness”.

Photo Courtesy Coach Schoen

Many players volunteered with the JOY School, spending time at the pool and beach with its students. Morris felt the experience was “heartwarming. It really makes you feel good about yourself.” She said, “I wanted them to feel comfortable, and I wanted to feel comfortable around them as well. When you're in the pool, it's a different experience. They hold onto you, we learned a lot about them, like their favorite colors, and what they like to do. They were really, really sweet.” Rae Schiess called the experience “eye opening” to see “how they interact with each other”.

Because of her involvement with the students at the JOY School, Anne Thomas Surratt said that it has “inspired me to learn sign language. I am going to minor in it when I go to college.” It offered her “a different perspective. I was just so filled with joy seeing all of these kids filled with joy.”

The players capped off summer by making a delivery of school supplies to Teach My People. It was rewarding to see their hard work and donations being handed over. They donated backpacks, notebooks, markers, paper, and many more supplies that will be used by our community members.

Varsity has four captains this year: Anne Thomas Surratt, Grace Mann, Savanna Morris, and Aaliyah Thomas. Each brings her own unique contribution to the team. Aaliyah says, “I'm very serious. I feel like I have a duty, and as Coach Schoen tells us as players, we've been 'hired to do a job'.” Savanna feels that she “brings a sense of spirit and confidence, as well as encouragement.” She is a “mediator between the coach and players.” Grace feels that she brings “energy, enthusiasm, and lift[s] the team”, while Anne Thomas brings “the team together. I bring order and hype.”

On the court, Varsity has competed in the Carolina Forest tournament, a tournament ripe with the area's, and the state's, best competition. This tournament gave the team an opportunity to face some elite competitors before taking on regular season. The squads have since faced Carolina Forest twice, Johnsonville, Andrews, North Myrtle Beach, and St. James. Their respective records, so far, are 2-4 for Varsity and 4-2 for JV. Morris feels that the team is “going to do great. We're coming on strong and are going to pull it together for playoffs”.

Swim Team Impresses in Opener *By Joshua Ford*

The Waccamaw High School Swim team really impressed in the Ripley's Invitational on Saturday, August 26. The girls' team placed 7th out of 11 schools, scoring 32 total points. Some highlights for the girls included their 200 yard Medley Relay team, composed of Cameron Kuenzle on the first leg, Taylor Baker on second, Emma Sullivan on third, and Victoria Marinoff holding up the anchor. They placed 7th with a time of 2:16.85.

Courtesy of the Waccamaw Athletic Booster

In the Girls' 50 Yard Freestyle, Waccamaw did quite well. Victoria Marinoff led the way for us getting 9th place with a time of 28.71 seconds. Taylor Baker took 13th followed by Cameron Kuenzle in 21st and Hannah Schuyler in 48th. Marinoff also got the best time for the girls team in the 100 Yard Freestyle getting 10th place followed by Mirella Paglio in 29th and Hannah Schuyler in 40th.

In the Girls 200 Yard Freestyle Relay (Victoria Marinoff, Emma Sullivan, Taylor Baker, and Cameron Kuenzle), Waccamaw placed 5th with a time of 1:59.18.

More times include Cameron Kuenzle placing 18th in the Girls' 100 Yard Backstroke with a time of 1:26.58. In the Girls 100 Yard Breaststroke, Taylor Baker got 9th place and Mirella Paglio got 17th.

Emma Sullivan had a great day getting first place in the girls' 200 yard freestyle with a time of 2:00.31 while second place was a good three second behind her. Sullivan also got first in the girls 500 Yard Backstroke with a time of 5:18.90.

For the boys' team, Waccamaw placed 3rd overall out of 12 schools with 84 points. Some highlights for the boys team were the 200 Yard Freestyle Relay made up of Sean King on first leg, Michael Paglio in second, Cameron Bonham at third, and John Grey Crosby on anchor, came in 1st place with a time of 1:37.31.

John Grey Crosby also had a great day for the boys. In the 50 Yard Freestyle, Crosby came in first with a time of 23.41 seconds followed by Henry Danysh in 15th. Crosby also placed first in the boys' 100 Yard Freestyle with a time of 50.88 seconds with Henry Danysh in 15th.

Courtesy of the Waccamaw Athletic Booster

Another standout was Sean King who destroyed the 100 Yard Backstroke with a time of 58.74 seconds. The swimmer in second place had a time of 1:04.10, which is about four and a half seconds behind King.

The Boys came in first place in their 400 yard Freestyle Relay as well (Sean King, Michael Paglio, Cameron Bonham and John Grey Crosby), with a 3:36.29 time.

Courtesy of the Waccamaw Athletic Booster

Michael Paglio, despite placing 3rd in the boys' 100 Yard Backstroke and 6th behind teammate Cameron Bonham in 2nd in the 500 Yard Freestyle while helping the boys' relay teams claim first, thinks he can be much better.

"It could have been better, but I liked how I felt. (I just have to) work hard and practice more."

All in all, the Warriors look good in their first meet so we'll see how they can top that next time at the Warrior Invitational on September 9.

Sports Action

Warriors Run with Attitude

By Joshua Ford

This past weekend in Spartanburg, SC at the Roger Milliken Center, was a great showing for the Warriors Cross Country Team. The Eye Opener had one event, the 5,000 meter there were separate divisions for boys and girls. 83 school from across North and South Carolina were in attendance on September 2 and 3.

Our girls' team was split into two categories. The Championship Girls and JV girls. The boys' team only had a Championship boys side.

Courtesy of Waccamaw High School XC & Track and Field

Courtesy of Waccamaw High School XC & Track and Field Facebook

For the Championship Girls, Annabelle Scully led the way taking 13th place in the 5,000m run with a time of 20:11.00. The next Warrior, Alice Francke, came in 46th place with a time of 21:41.80. Finishing up the top 100 for the Championship Girls is Ella Fata who ran a 21:57.40 that got her in 56th place. Excellent results for the top three.

There were more Championship Girls who placed great also. Corin Gregory came in 111th followed closely by Briley Arnold, who got The Sun News' Toast of the Coast Girls Track and Field Athlete of the Year, in 117th who was about four seconds behind Gregory. Arnold was trailed by Sam Kelly in 122nd who was about eight seconds behind her. Racheal Neil finished it up for the Championship Girls with a time of 23:37.00 in 139th. Great results for the Championship Girls in a race of 326 others.

The JV girls were led by Anna Margaret Loftus in 23rd who ran a 23:44.10. Zoë Dear was next with a strong placement of 39th running a 24:12.30. Zoë had a serious leg injury near the end of this past track season, so it's good to see her bounce back. The rest of the JV girls were extremely close to each other: Hannan Mackey came in 59th, Abbey Brockman 61st, and Caroline Junkins in 62nd. Amazing results for the JV girls to have everyone in the top 62 out of 437 people!

For the boys' team. Perrin Jones, who earned All-American status in the 2000 meter steeplechase, came in 7th at 17:01.00. Rob Buffington followed in 12th with a 17:15.60 time. Berndt Anderson was close behind Rob with a time of 17:22.10 in 17th place. Again the top three of Waccamaw doing fantastic. Jack Moody came in 26th, Rion Keese in 34th, Patrick Lanford in 72nd, William Daniels in 89th, and Jackson Junkins in 225th.

Courtesy of Waccamaw High School XC & Track and Field Facebook

Great performances by the Warriors led to the boys placing 2nd out of 49 teams, the Championship Girls placing 8th out of 39 teams, and the JV Girls getting 3rd out of 34 teams.

Coach of the boys' team, Robert DelBagno, is proud of the way his team carried themselves.

"I think the boys ran well Saturday, but more than just running well, they carried themselves like a team that wants to do big things this seasons. I'm excited for them because it is a very talented group and when talent works hard, it's a beautiful thing to watch."

He also is confident in the depth that the boys have.

"All thirty of the guys are able to contribute in their own way. Hard work and having a positive attitude is contagious."

Dance Team Kicks Off

By Kayleigh Rhodes

This year's newest addition to Waccamaw's sports department is the Dance Team. The Dance Team is coached by Meagan Stone, who is also a dance instructor at Litchfield Dance Academy. Meagan majored in Choreography at Lander University, and now is sharing her passion with the community.

Practicing their kick line @ WHS

Seventeen girls make up the team. Those girls include: Lauren Amerson (10), Faith Bierman (12), Miller Christen (10), Maggie Darden (10), Caroline Hall (10), Alex Hough (10), Kaitlyn Howard (9), Caroline Kaylor (11), Kelly Grace Kerr (12), Briana Kowalewski (9), Zoe Mabe (10), Kayleigh Rhodes (10), Mackenzie Russell (12), Sidney Stuckey (12), Margaret Anne Tucker (10), and Mikayla Write (12). Kelly Grace Kerr is a senior

this year, and is also the girl's captain. Kerr said, "It's my passion to dance, and by joining the dance team I can become present in my community while promoting school spirit and maintaining a positive reputation". A lot of these girls have a passion for dancing and are excited to show their talent and dedication to the community. Darden said, "The main reason I joined the dance team was to be more involved in school. You get to try new things, meet new people, and have a great time while doing it".

Coach Meagan Stone

The Dance Team's first performance was for all of the Waccamaw area schools' staff at their back to school luncheon. The Dance Team will be at all home Varsity Football games, as well as when Waccamaw travels to Georgetown. You will also see them in the upcoming basketball season. You may see the dance team out in the community as the year goes and they become more established.

After practice @ Litchfield Dance

Cheerleaders Lift Teams to Victory

By Brooklyn Miller

So far this season, our varsity cheerleaders have been doing a great job of showing Warrior pride for our school, while our junior varsity has been waiting to show pride due to weather cancellations. Coach McClellan says her "favorite thing about cheer is supporting the basketball and football players and showing school spirit". She is very versatile when it comes to liking spirit cheer or competition cheer: "they both have their positives that equal out". Coach McClellan has been at Waccamaw since 2011.

Coach E. Fidler is new to WHS. She teaches Aerospace Engineering, Algebra I CP, and Introduction to Engineering. Her favorite part of coaching cheer is "supporting [her] husband and the team". This season is her and her husband's first year teaching at Waccamaw. Mr. Fidler teaches U.S. History CP and World History and is the Head Football Coach.

Congratulations to Caylee McClellan, Maddy McConnell, Taylor Cox, and Danielle Gaddy for becoming the varsity captains. Also congratulations to Abby Sellers and Morgan Gunn for becoming the JV captains.

Peyton Robinson, a freshman varsity cheerleader, explains, "I like being apart of a team and having school spirit. I've been doing cheer since 7th grade and I like it." She says her favorite part of cheerleading is tumbling and stunting.

The first competition will be at Cane Bay High School on September 30, 2017. Come support our Lady Warriors! We wish you the best of luck this season!

New Faces

Mr. Miranda

By Amber Grimes, Rachel Moore

This year is Mr. Fernando Miranda's first year at Waccamaw High. Mr. Miranda is from Colombia, South America, and taught there for 10 years. This is his first year teaching in America. Mr. Miranda will be teaching Spanish II CP and Spanish III Honors. He earned his B.A. & Masters in education from Universidad Del Atlantico in Barranquilla, Colombia. Mr. Miranda is married, and his wife will be arriving in the states shortly. He considers his students as his children. His goals for the school year are for the students to fall in love with Spanish and for the students to be interested in using Spanish in the future. Mr. Miranda enjoys reading, dancing, going to the movies and any outdoor activities. Mr. Miranda loves Pawleys Island is ready to have fun in his classes. He's looking forward to a great school year. A fun fact about Mr. Miranda is that he actually knew the singer Shakira before she became famous.

Photo: Iyanna Miller

Officer Kohut

By Iyanna Miller

Officer A.J Kohut is from New Jersey. He graduated from JP Stevens High School and was once a criminal investigator before coming to Waccamaw High School. Officer Kohut has two daughters. His favorite hobby is to go fishing. One of Officer Kohut's reasons for choosing this line of work was because he had always wanted to be a policeman. He has one cat named Snowball, and also wants to visit Hawaii because he's never been. One word to describe him is "rewarding". His main reason for coming to Waccamaw High School was because he wanted to try something new and wanted to build relationships with students.

Photo by: Iyanna Miller

Ms. May

By Amber Grimes, Rachel Moore

Barbara May is beginning her first year at Waccamaw as an educational interpreter for a hearing impaired student. Ms. May is originally from San

Diego, California. She also attended high school and college in California. Ms. May chose to become an interpreter because she enjoys using sign language in a school setting. Ms. May moved to South Carolina two years ago. Her family includes her parents, an older brother, and a niece in North Carolina. Ms. May's goal for the year is to get to know all of the students in Ms. Tester's class. Her favorite color is blue, and she likes horses and taking pictures. Ms. May is looking forward to a great school year.

Photo by: Amber Grimes, Rachel Moore

Coach Fidler

By Hunter Lane

Coach Shane Fidler is from York, Pennsylvania. He graduated from Dover High School, and attended The University of South Carolina. Before he came to Waccamaw, he taught at Colleton County High School in Walterboro, SC, where he was the Offensive Coordinator for the football team and the Head Soccer Coach. He has a wife named Emilee Fidler, who teaches math at Waccamaw as well. He enjoys coaching football, playing golf, and spending time with his wife. He chose to teach because he wants to reach students in a different way than on the football field. If Coach Fidler was stuck on an island, the three things he would want with him are his wife, his dog, and a Chick-fil-A. His favorite book is *One Word* by Jon Gordon. His favorite football player is John Kuhn, because he went to high school with him. Coach Fidler is "very happy to be a part of the Waccamaw Family for many years to come".

Photo by: Hunter Lane

New Faces

Ms. Buzzell

By Peyton Alford

Ms. Buzzell was born in Conway, South Carolina and grew up in a town called Irmo also located in South Carolina. Ms. Buzzell graduated from Irmo High School and continued her education at Furman University, where she graduated college. Before teaching at Waccamaw High School, Ms. Buzzell taught at Dutch Fork Middle School, Lakeview Middle School, and most recently, Waccamaw Middle School. Her family consists of her and her daughter, Peyton Buzzell who also attends WHS and is a sophomore. When Ms. Buzzell isn't teaching she enjoys spending her time traveling, reading and watching mysteries. Ms. Buzzell also enjoys cake decorating whenever she finds the time to do so. Ms. Buzzell decided to pursue a job in teaching because of her love for math and her love for working with young people. Ms. Buzzell's pet peeve is when people smack their gum and when people don't use their manners. If Ms. Buzzell was stranded on a deserted island she would bring her Bible, a flare, and her phone. WHS is so ecstatic to have her as a teacher here this year. She would also like to add that, "It's my first year and I'm excited to be at the high school!"

Photo by: Peyton Alford

Mrs. Bolin

By Abi Luquire

Though not totally new to Waccamaw, Mrs. Bolin will begin her first full year this August. Mrs. Bolin is originally from Crossville, Tennessee and she graduated from Tribeca in Nashville. Before coming to Waccamaw she was a teacher in Tennessee. She has a husband named Gary and is the mother of five children. She enjoys anything having to do with the outdoors and doing things with her family. She likes to go to the beach, go on the boat, scuba dive, and hike. She is very excited for a wonderful year at WHS.

Photo by:
Kayleigh Rhodes

Mrs. Fidler

By Kayleigh Rhodes

Mrs. Emilee Fidler is one of the newest additions to our Waccamaw Family. She attended the University of Louisville located in her home state of Kentucky. Mrs. Fidler's parents were both educators, which prompted her to follow in her parents footsteps. Before teaching at Waccamaw High, she was teaching in Walterboro, South Carolina at Colleton County High School. Mrs. Fidler is not only teaching Algebra, but helping assist our cheerleading team. Her husband, Mr. Fidler, is also coaching our football team. Mrs. Fidler enjoys helping out with cheer, has a passion for math, and loves going to the beach. We are glad to have Mrs. Fidler join the Waccamaw family.
Photo by Kayleigh Rhodes

Mrs. Maxwell

By Abi Luquire

Mrs. Meghan Maxwell is originally from Pennsylvania, and she graduated from The University of Pittsburgh in 1997, moving that same year to South Carolina. Before that, she went to the University of Pennsylvania for her undergraduate degree. Before coming to Waccamaw High school to be our guidance counselor, she was a counselor at Choppee High school, Carvers Bay High school, Waccamaw Elementary school and Plantersville. She is married with two kids, whose names are Garrison and Danni. Garrison is a freshman at Waccamaw high school and Danni is in 7th grade at Waccamaw middle school. In her free time she enjoys watching her kids play sports, or anything having to do with being in the water. She likes to go to the beach and also on the boat. She is excited to be at Waccamaw so she can help and talk to the kids that attend here and can do what she can for the people around her.

New Faces

Mrs. Cameron

By Joshua Ford

Mrs. Mary Cameron knew early on that she was meant to be a teacher. No doubt about it. Mrs. Cameron was born and raised in Pennsylvania where she would later graduate college with Master's and Bachelor's degrees at the University of Indiana Pennsylvania.

Mrs. Mary Cameron has been teaching for 37 years and going. Ever since the ninth grade, she knew she wanted to teach consumer science.

"I don't remember **not** wanting to teach." Mrs. Cameron says, "When I was trying to figure out what I wanted to do, there was never a question with teaching. The only thing I needed to decide was what I wanted to teach."

The decision at the time was between Physical Education and Home Economics, two things she loved. It either her passion of sports, or her desire of home relations.

Photo by Joshua Ford

"I like to swim. I'm a lap swimmer." Mrs. Cameron explains, "I was a swimmer in high school and all my friends were going into physical education so I decided to try home economics. So I knew in ninth grade and I've never thought of doing anything (else)."

Mrs. Cameron hasn't got the chance to visit the YMCA yet, but she plans on registering so she can go swimming after school. For such an active person, Mrs. Cameron's summer was more a relaxing period.

"We usually spend our summers traveling and running around and this summer we just stayed put. We caught up on some of the things that don't get done during the school year."

When she says 'we', she's including her husband, two cats, and her American Staff Terrier dog. Her dog is currently sick right now but is gradually getting better.

People always ask teachers who teach about food, what's their favorite thing to cook or favorite way to cook. Mrs. Cameron has some experience with microwaves so she's a "microwaver".

"I'm a microwave cooker. When I first graduated college, I started teaching in the evenings, I worked at the Liten Company as a project demonstrator. I'd stand in front of a wall of microwaves and demonstrate how to use them. So I'd do almost everything in the microwave and I like that because it doesn't make the house hot and it's quicker and it's easier and I have more time to spend with the family."

When asked about this school year with her plans and future she shared her excitement about our school.

"I'm excited about being here and I'm so thrilled because since I've been here, everybody has been so nice and so kind and so helpful and my students are so polite and well mannered."

Tuning In With the Band

By Iyanna Miller

Photos by JaQuala Robinson

The band kicked off by holding camp at the high school in the beginning of August for two weeks. Their first competition will be on September 23rd in Summerville. Band members truly enjoy being a part of something special. Briza Roblero "enjoy[s] seeing the familiar faces and spending time with them. She also enjoys "playing music and teaching others more about it." Another band member, Jazmyne Dolson, also explained, "playing music and having new choreography and costumes" was what she enjoyed most about being in the band. Tess Humowitz loves "the sense of family that [the band] has going on. Performing is rewarding to Tess because of

the "time, thought, and effort [put] into it." As for previews of what to expect, Humowitz adds, "you can definitely expect super cool music, and an awesome percussion section pairing with the wind ensemble." Dolson says, "it's all about money: ... how you really want money and how you're going to get it." Roblero says to expect, "a lot of pop-like music" and "a good amount of solos throughout the show."

On Our Plate

Amaya Greene

Anything Froz is located in Litchfield Beach, owned by Ross and Joni Metcalf. The married couple first opened their doors on June 5th, 2015, inspired by his wife’s dream and vision. His wife was looking “for something fun and unique. She wanted long work, but not hard work”. Ross is a retired chiropractor of 30 years. His wife is from Maryland and he is from Nebraska. As a couple, they had vacationed in North Myrtle Beach but later ended up in Pawleys Island to start the business.

Their goals at Anything Froz are to offer the best products with more affordable everyday prices. A family friendly, and family owned and operated business, they try to appeal to the like. For example, espresso drinks sold anywhere else are very expensive, but not at Anything Froz. They try their best here to keep drinks at the most affordable everyday prices for you.

The store’s current hours are 8am-9pm Mondays-Saturdays and Sundays 2pm-9pm (in season). Out of season, they are open 8am-8pm Mondays-Saturdays and closed Sundays. They consider October-February out of season. The store is lucky to have had visitors from all over the country. In fact, they display a map where customers can proudly mark their hometowns.

Their most popular sold items besides frozen yogurt are coffees, espressos, cold brew coffee, smoothies (fruit based) , frappuccinos and ice-based fresh juices with or without pulp. Their smoothie bases are almond milk or coconut water. The customer is able to have their choice of fruits or vegetables. The cold brew is perhaps their most exciting option. Cold brew coffee is water and ice passed through course brew coffee for about 9 hours. It takes one hour and fifteen minutes before the first drop comes out. Customers are able to add flavors to their coffee. We tried the salted caramel cold brew and a vanilla bean frappucino. Both tasted really great. Our staff recommends any coffee or yogurt lovers go try it out.

Located in the same shopping center as Subway, Burger Stop, and Dominos
