Pi day may seem like a joke holiday to most people, but it became a national holiday in 2009. By definition, pi is the ratio of the circumference of a circle to its diameter; no matter how large or small a circle is, pi will always work out to be the same number. On Friday, March 14th, several math teachers celebrated Pi Day. Students brought in different foods to share with their class, performed pi-themed experiments, and enjoyed a relaxing day of pi-filled fun.

Mrs. Williams' classes found the circumferences and diameters of different items, including cookies, and divided the different results in order to reach pi. The students enjoyed performing the experiment, knowing the outcome would result in them eating delicious treats.

Ms. Graham's AP Calculus students brought in pi-themed treats to share with their class, including: cookies, cupcakes, key lime pie, brownies, and even queso dip.

Ms. Noll's Algebra II Honors classes used technology to celebrate Pi Day; students used laptops to perform an online scavenger hunt relating to pi.

Everyone had a fun time celebrating Pi Day and enjoyed

the opportunity to learn about the most widely-known mathematical unit in the world.

FCA Learns about "Love on a Leash"

Pictures courtesy of Amanda Walker

FCA meets every Wednesday at 7:20am in the media center for a light devotional and refreshments. This week, Mr. Jerry Hughes, former assistant principal of WHS, led the devotional. He brought with him Mr. and Mrs. Ed Morgan, friends he has made through the "Love on a Leash" program. They brought in their animals and spoke to the students about "Love on a Leash." This program is where people train their dogs to be therapy dogs; they take the dogs to nursing homes and hospitals to spread joy. Mr. Hughes said, "These dogs love to be loved and the people light up when they see them."

For the animals to be licensed in the program, they go through 6 to 8 weeks of training and then the owner and dog complete an internship. Mr. Hughes and his dog, Casey, a teacup Shih tzu, went through the program mentored by Mr. and Mrs. Morgan. It took about a year; he said it is very rewarding to see the smiles on people's faces from the love they receive from the animals.

Thank you Mr. and Mrs. Morgan and Mr. Hughes!

JV Baseball Update

By Coach Vick

Georgetown 15 Waccamaw 3

Warrior miscues and timely Georgetown hits led to the Warriors dropping their first game of the 2014 season at Mike Johnson Park on March 13th. The Warriors came out swinging, with McKinley Grooms leading the game off with a single and scoring; but the runs would be scarce from that point on for the Warriors. Connor Eckard started on the mound for the Warriors and pitched well, despite having several errors behind him in the field. Georgetown broke things open in the middle innings, scoring 13 runs in their final 3 at-bats. Grooms, Forrest Powell, and Alex Altman drove in the Warriors for 3 runs and Grant Blaylock was the only Warrior to record multiple hits in the loss.

Varsity Baseball Update

By Emma Karst and Carter Fox

On Thursday, March 13th, the Warriors went to Andrews to play their season opener against the Yellow Jackets. The boys played a good game despite the cold weather, taking home a win with a score of 8-2. With a strong defense behind him, Tucker Perry played the leading pitcher of the game. Andrew Reichert and Zac Sparaco hit a double each, shutting out the Yellow Jackets until the last half of the game.

The following day, the boys traveled to Columbia to watch the University of South Carolina play Ole Miss. The Gamecocks lost to the Rebels 6-4. On Saturday, the Warriors played a nine-inning game against the Batesburg-Leesville Panthers winning 10-9. Afterwards, the boys made their way back to USC to watch the second game in the series against Ole Miss. This time, the Gamecocks played a ten-inning game and won 5-4 with a walk-off single by Grayson Greiner.

The team is scheduled to play at Mullins tonight starting at 6pm. Good luck, Warriors!

Varsity Softball Struggles Against the Sharks

By Jordan McNair

The WHS varsity softball team hosted a game against the St. James Sharks last Wednesday, March 12th. The Warriors fought hard, but just couldn't get the bats cracking. Olivia Dunlap went 3-for-3 with a double and one RBI. Madison Hornick went 1-for-2 and scored a run. Waccamaw scored twice in the bottom of the 7th, but it still wasn't enough to take home the win. Overall, they had 10 hits, but 8 runners were left on base. The final score of this nail-biting game was 3-2 St. James.

Warriors Reclaim the Claude Kirkland Trophy

The Claude Kirkland Tournament was held on March 12th and 13th at Wedgefield Plantation and Wachesaw Plantation, respectively. Waccamaw played against Georgetown and Andrews High. Boys' Tennis Season Begins

By Karina Kostova

On Monday, March 10th, the boys tennis team started their season by playing against Porter Gaud, one of the biggest and most successful tennis teams in the state; last year, they went 15 and 0. The Warriors played six singles and four doubles matches winning only the #1 singles position as Paul Hendrix won 6-0, 7-6. The Waccamaw boys still played exceptionally well and came close to their opponents scores.

On Wednesday, March 12th, the tennis team also played against a strong Socastee (AAAA) team. They played well and showed great effort, but lost, 3 matches to 4. Fine performances were turned in by many of the players. Justin Dunn won in a #1 singles match, 6-2, 2-6, 1-0 (10-5) in the 3rd set tie-breaker and Woody Tudor beat his opponent 6-4, 6-4, in #5 singles. In doubles, Kevin Mushock and Jaz Greene won with a score of 6-0, 6-3. Lach Dancy and Thomas Rowland also won, however, their match was not included in the overall score. Other noteworthy players who lost close matches were: Ben Hewes in a close 10-point tiebreaker of 8-10, Joey Hewes (1-6, 4-6), Parker Brinson (0-6, 3-6), and in doubles, Justin Dunn and Joey Hewes (3-6, 4-6).
