# It's Warrior Time!

Article by Hannah Wolf

Waccamaw High School opened its doors for the 2014-2015 school year on Wednesday, August 20<sup>th</sup>. The cafeteria was buzzing as students greeted their friends, talked about their summer, found their homeroom teacher's name, and waited in anticipation for the first day to begin. For the first five days, students were on an altered bell schedule so they could attend homeroom, receive important information, and give new students a chance to get acclimated to their new surroundings. On the first day, homeroom teachers passed out schedules and showed a video presented by Dr. Hammel, Mrs. McCants, and Mr. Davis. The three administrators welcomed students to the new year and spoke about the rules and policies of Waccamaw High School. Some of the main things they talked about were ID's, dress code, electronic usage, tardies, lockers, and schedule changes.

For security purposes, students are required to wear IDs; visible at all times. Students without an ID cannot leave the classroom except during class changes and must wear a temporary ID. To be prepared for the professional world, students are not allowed to wear clothing that is too short, too revealing, or show visible undergarments. Any student not abiding by the dress code policy will be sent to an administrator and eventually to the ISS trailer if clothing cannot be changed. Electronic devices can only be used before school, during lunch, and after school. If a student is caught using the device, it will be confiscated. The tardy policy is enforced so students will be responsible and arrive to every class as scheduled and not be a disruption; any student caught in the hallway after the bell has rung will be immediately sent to the ISS trailer for the remainder of that class period.

Another major aspect of the first week of school was the locker/schedule-change procedure. During lunch on the first five days of school, Mrs. McClellan set up a table to assign lockers to any student who wanted one; Dr. Hammel and Mrs. McCants also set up a table, passing out and collecting schedule-change forms and talking to the students about whether or not their changes would be possible. If a student still wishes to get a locker, they can see Mrs. McClellan in the ISS trailer.

On August 20<sup>th</sup>, freshmen ventured into WHS for their very first day of their high school life while seniors attended their last first-day at Waccamaw. Let's make it a great year! GO WARRIORS!

# 2014-2015 Newsletter Staff

Welcome students, teachers, administrators, and school community. As the sponsor of the school newsletter, I would like to introduce you to the 2014-2015 *Weekly Warrior* newsletter staff.

I have 11 new staff members and four returning members. Hannah Wolf is our editor-in-chief and will be overseeing the entire production of the newsletter. The newsletter staff is here to bring you stories, events, announcements, and special acknowledgements about the school and around the community. If you have anything you would like published in the newsletter, please contact one of the staff or myself.

Copies of the newsletter will be available for students to read at lunch, e-mailed to the teachers and community, as well as posted on the school website. The newsletter will be distributed

once a week unless there is a scheduling conflict. If you are not on our distribution list and would like to receive a copy by e-mail, please contact me at [lkelly@gcsd.k12.sc.us](mailto:lkelly@gcsd.k12.sc.us). Thank you for your support of the *Weekly Warrior* ~Mrs. Kelly newsletter!

# Meet the New Teachers....

Article by Sam Windham, Picture by Matt Simon

**Mrs. Gonzalez**, originally from Costa Rica, has made her way to Waccamaw High School to teach students her original language: Spanish. She has a Bachelor's Degree in Education, with a concentration in English as a foreign language, from the National University of Costa Rica. She also has a Master's Degree in Psychopedagogy from the National State of Distance Education in Costa Rica. She has been teaching for 19 years, 11 of those in the Grand Strand. At home, she is happily married with two kids, a fifth grader and a sixth grader, and feels it would be great if they were ever in her class. In her class this year, she plans on covering the culture of the Spanish-speaking countries, as well as cultural and conversational Spanish. As a goal for the whole foreign language department, she wishes that they could help students succeed in their language, and be able to speak it, not just recite it. When asked if there was anything else she'd like to say, she said, "I love teaching; it is

what I truly enjoy. No matter what I do, I always love teaching." We are looking forward to a wonderful year with Mrs. Gonzalez; welcome to the Waccamaw family.

Article by Will Brock, Picture by Jed Parreno

**Mr. Peterman**, from Columbus, Ohio, is the new Art 1 and Art 2 teacher at Waccamaw High School. He graduated from Ohio State University with a Bachelor's Degree in Art Education and Fine Art; he has been putting those to good use in his 15 years of teaching; the last 4 at Carvers Bay High. When asked why he chose to teach he said, "I like seeing young people grow into successful adults. I also like to try to help mold these people and help them build a foundation for success." His goal this year is "to see each student become better individuals as a whole, and, of course, help them become better artists." Some of Mr. Peterman's hobbies are: painting, traveling, fitness, sports, anything relating to the beach, and animals. He will be coaching track and field in the spring; if you are interested in signing up, stop by and see him. Welcome to the Waccamaw family, Mr. Peterman.

Article by Jamie Rodriguez, Picture by Zach Trzop

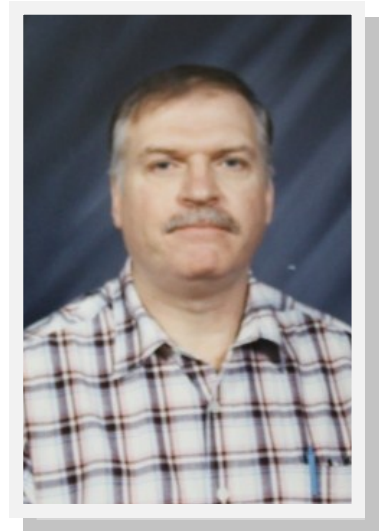

**Mrs. Villamizar** is from Bucaramanga, Colombia, a small town by the mountains in the middle of the country. She studied "Teaching English as a foreign language" at Universidad Industrial de Santander, Colombia and received a Master's Degree in Education at the University of Alabama. Mrs. Villamizar chose teaching because she loves sharing ideas and helping others. Mrs. Villamizar has been teaching for five years; her goal for this year is to help her students as much as she can so they love Spanish and can become fluent speakers. In her spare time, she enjoys reading, jogging, and traveling. Mrs. Villamizar is proud to be part of the Waccamaw family. Welcome!

# Meet the New Teachers....

Article by Josh Stafford

**Mr. Ares** is a new teacher here at Waccamaw High School. This year he is teaching: French I, French II, French II Honors, French III Honors, and French IV. He has earned a bachelor's degree from the University of Massachusetts as well as his master's from the University of California. Mr. Ares has 18 years of experience teaching in Virginia, Alabama, and South Carolina. He is originally from New England, but has lived in the South for the past 20 years. Some of Mr. Ares' hobbies include: reading, fishing, biking, traveling, and studying foreign languages. Welcome to the Waccamaw family!

Article by Matt Simon, Picture by Jed Perrano

**Ms. Kueneman** is from San Diego, California. She has two sisters, three half-sisters, and a half-brother. She was the first to go to and graduate from college in her family. Ms. Kueneman attended San Diego State University. She graduated with a Bachelor's Degree in Mathematics and a Master's in Special Education. Ms. Kueneman has 19 years of teaching experience; ten in southern California and nine in Mt. Pleasant SC. Ms. Kueneman teaches Algebra I and Geometry. When asked why she chose teaching she said, "I wanted to make a difference in my student's lives, like my teachers did for me." She aims to challenge, prepare, and encourage every child she

encounters. Outside of teaching, she enjoys reading, music, exercising, decorating, and bargain shopping. Ms. Kueneman also wanted to share that she is very accepting, spiritual, and happy. Welcome to the Waccamaw family, Ms. Kueneman.

## IT'S A BOY!

*Carter J. Noyes, a healthy baby boy, was born Tuesday, June 10<sup>th</sup> 2014 at 3:10pm in Waccamaw Community Hospital.*

*He was 19 in. in length and weighed 7 lb. 10 oz. at birth.*

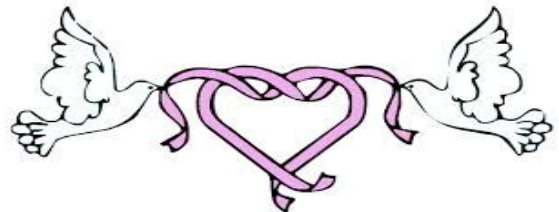

*His mother, our very own Veronica Noyes, said that he is doing well and she is very happy to have him as part of the family, though it may be a while before she gets any sleep.*

*(Chemistry students beware.)*

## CONGRATULATIONS

Mr. and Mrs. Hammond on becoming a newly wed couple on June 7<sup>th</sup>, 2014.

### Reminder:

### Juniors and Seniors

In order to attend a 4 year school, you MUST take the ACT or SAT, preferably before the end of the 1st semester of your junior year. You may need to test a couple of times before you get your desired scores and this will give you time to boost those scores when you retake. You should have the scores you want by the beginning of your senior year. Colleges will not accept you without scores. Please check your college's webpage to see what scores you will need for that institution for admissions.

### America's Most Widely Accepted College Entrance Exam

The ACT® test assesses high school students' general educational development and their ability to complete college-level work.

The multiple-choice tests cover four skill areas: english, mathematics, reading, and science.

The Writing Test, which is optional, measures skill in planning and writing a short essay.

Test Date	Registration Deadline	Late Registration
September 13, 2014	August 8, 2014	August 9—22, 2014

The SAT test measures students' basic knowledge of subjects they have learned in the classroom - such as reading, writing, and mathematics - in addition to evaluating how they think, solve problems and communicate.

Many college admission officers use SAT scores to help them assess a student's academic preparedness for college. However, the most important factor in college admission is the students' high school transcript - both the grades received and the rigor of the courses. SAT scores are intended to supplement the student's record and other information, such as extracurricular activities and letters of recommendation.

### Step In The Name Of Love

From now until Friday, September 12<sup>th</sup>, WHS will be in a friendly competition against Georgetown High School. The event is called "Step In The Name Of Love" where we will be collecting shoes (new or gently used with no holes) to give to Helping Hands. These shoes will be going to those less fortunate in our community. There will be a box in the front office where you can drop off your shoes. Bring as many shoes as you can! Also on Friday, September 12<sup>th</sup>, there will be a box at the football game against Georgetown High School. That night, GHS has invited us to dress in neon in collaboration with them as our schools play each other.

## Waccamaw Prepares for First Home Football Game

Article by Josh Stafford

On Friday, Sept. 5<sup>th</sup>, the varsity football team will be playing their first home game of the season against the Carvers Bay Bears. Come out and show your Warrior Pride and blind the Bears by wearing your neon; kickoff is at 7:30pm. \*\*Before the game, come out at 6:30 and participate in the AntiBullying Walk. All schools from the neck will be walking for the cause.

On August 22<sup>nd</sup>, Varsity traveled to Andrews to play the Yellow Jackets in the season opener. The score was 0-0 at half, but Andrews dominated the second half taking the win 7-19. Coach Davis stated that, "the hot weather contributed to a lot of problems with guys sidelined with cramps."

On August 29<sup>th</sup>, Varsity traveled to Hannah-Pamplico. The team took the win 42-15 They are now 1-1 heading into the first home game of the season. Go Warriors!

## Swim Team Deep into the Season

Article by LeeAnn Ray

The boys' varsity swim team started their season on August 23<sup>rd</sup>. Congratulations for their amazing finish at the Ripley's Invitational in Myrtle Beach! As a team, the boys came in second behind Academic Magnet and were awarded the silver metal! Good job!

On Saturday, August 30<sup>th</sup>, the boys' and girls' swim team participated in the NMB Invitational. "Both the boys and girls teams did an outstanding job Saturday," stated Coach Dear. "We're consistently dropping time and adjusting. We've got more strength and depth on both teams than last season and it is enabling us to put some good relays together and to spread out over more events." The boys' team took another silver metal with a 2<sup>nd</sup> place finish behind Socastee. Great Job!

## Volleyball Update

Article by Davis Eddy

The varsity volleyball team had a rocky start to the season with a double-header in Carolina Forest. The team faced off against Carolina Forest and Johnsonville, losing both games. Things looked grim for the days leading up to their next game. However, the Warriors defended their home-court as they took on Georgetown, winning 3 games to 1. Now with the wind once again under their wings, the girls challenged Timberland and Goose Creek. The results of the matches were not available at press time. Volleyball will face St. James on tonight, Thursday, Sept. 4<sup>th</sup>. Go Warriors!
