The boys' team finished second overall in the meet. The girls that participated in the meet were Amelia Jones, Jamie Barnett, Mackenzie Arnold, Mary Butler DeSpain, Emily Heimberger, Briley Arnold, and Emma Lacey. The girls' team finished fourth overall in the meet. The boys top five runners were Robert Jones (16:32), Blake Marsh (17:13), Maddox Wilkinson (17:15), Grant Smith (17:21), and Todd Mauney (17:40). Congratulations to Coach White, Coach Del Bagno and all the runners on an outstanding 2013 season!

The Jones' did it again! During the meet last Saturday, Amelia and Robert Jones helped their team succeed in the state championship. Amelia took first place for the girls and also beat her personal record with a time of 19:15 making her the 2013 Girls' State Champ! Robert finished in second place. He was only 4.26 seconds short of being the state champion for the boys. This is the first time that a brother and sister team has come this close to being state champions together. A big congratulations to both Amelia and Robert!

# The Brothers Grimm Spectaculathon

By Hannah Wolf, pictures by Matt Lee

Tuesday night, Nov. 12<sup>th</sup>, W.H.A.T. presented their first ever faculty play. Under the direction of Andi Stevenson, the teachers performed tales from the Brothers Grimm in *The Brothers Grimm Spectaculathon*.

Starring in the play were Melanie Maxon, Brandon Shoemaker, Ree Lawson, Veronica Noyes, Sharon Bray, Rob Phillips, and Jose Arias. Others who assisted in the play were: WHS student Aaron Lampe and parent Tracy Stevenson. The play was very entertaining and the audience really got a laugh seeing the teachers perform. From the reaction of the audience, the first ever faculty play was a huge success. When asked about her experiences in the play, Mrs. Noyes said, "It was completely life-changing. I am now considering selling all of my belongings and joining a traveling actors group, of my own creation of course. Auditions will be held later next month."

# When Cornflowers Bloom

After the faculty play, W.H.A.T. actors Jack Monroe and Andi Stevenson performed a play written by W.H.A.T. director Brandon Shoemaker called *When Cornflowers Bloom*. The play featured the two performers while they conveyed the hardships of love during a time of war. Brandon Shoemaker stated, "We will be taking *Cornflowers* to the South Carolina Theatre Association Festival in Charleston this weekend to compete against many other high schools from around the state. The competition is pretty tough, as we are up against the best schools in the state, but we are still very hopeful." Good luck this weekend!

# Kristi Schoenfelder Visits WASA

Article by Mr. Pritchard, WASA Sponsor

Kristi Schoenfelder shows students her PIA powerpoint presentation.

WASA (Waccamaw Association of Space and Aviation) club was fortunate enough to have guest speaker, Kristi Schoenfelder, to speak at a WASA meeting Oct. 21<sup>st</sup>. Ms. Schoenfelder represents PIA (Pittsburgh Institute of Aeronautics) of the Myrtle

Beach area. She wanted to show WASA how aviation enthusiasts such as themselves might be interested in a career in aviation. PIA trains students right out of high school to become aircraft mechanics, now called aviation techs, where they learn the basics on repairing many different kinds of aircraft. PIA graduates airplane, jet, and helicopter techs with a starting salary of \$36,000.

New members (far left) Tyler Zeh and Tatum Tarte, and veterans of the WASA club listen as Ms. Schoenfelder explains the program.

The student goes to school for a period of 16 to 21 months and graduates depending on his or her field choices. Financial Aid is available for those who qualify and PIA was named a "Military Friendly School" for 2012 by *G. I. Jobs Magazine*. Want a higher degree than a Diploma or Certificate from PIA? PIA has a partnership with Horry-Georgetown Technical College so a student can also receive an Associate Degree. Ms. Schoenfelder told WASA while some of their friends will be flipping burgers when they are 20 years old PIA graduates will start in at \$36,000. If you're interested in a fascinating career working on the latest aircraft that most people can only see from a distance according to Ms. Schoenfelder, then call her at 843-238-2700 or email: [kschoenfelder@pia.edu](mailto:kschoenfelder@pia.edu).

# Waccamaw Science Department Receives Grant Money from ExxonMobil

The science department received a grant of \$1000 from the ExxonMobil Educational Alliance program for science education. The program is designed to provide Exxon and Mobil retailers with an opportunity to invest in the future of their communities through educational grants to neighborhood schools. Local ExxonMobil gas station retailer Bill Hemingway worked with WHS to secure the grant. The money will go towards replacing some of the consumable supplies for the science inquiry labs.

A special thank you to ExxonMobil Corporation and to the Hemingway family for their support of the school and the education of the students.

# Speech and Debate

Article and pictures by Jamie McNair

## Food Drive

By Sarah Ball

Waccamaw and other schools in the county teamed up with the Helping Hands of Georgetown to collect cans and other goods like turkey pans and cake mix for Thanksgiving meals for needy families in the community. Mrs. Maxon's classes took the lead in this drive with 600 cans of corn muffin mix. On Thursday, November 7<sup>th</sup>, the Salvation Army came and collected the goods and money raised. A big thanks to sophomore Berkley Lane who organized the food drive and to everyone who participated in this event to provide good meals for the needy.

## Waccamaw Sailing Club Places in 6<sup>th</sup> at First Regatta

Article written by Mrs. Ashley DesMarteau

(Mooreville, NC)--The wind blew 6-10 knots on Lake Crabtree as Waccamaw Sailing Team competed in their very first regatta, just months after receiving donated Vanguard 420 boats to help them start a team. In a few months it has all come together; community donations, support from volunteers and a great group of kids who are quickly learning to be a great group of sailors. Now from their home port of Hazzard Marine, 33 WHS students are learning how to sail and compete.

WHS Sailing Club meeting and planning their strategy before the race.

Fifteen different High Schools from North Carolina and South Carolina competed in the 2013 SAISA Inland North Points Regatta at Lake Crabtree County Park, and despite the tough competition, Waccamaw Sailing Club finished with a very respectable 6<sup>th</sup> place out of 13. Captain for A Fleet, Skipper Griffin DesMarteau had an 8<sup>th</sup> place finish with Matt Staub, Jacob O'Tuel and Ethan Chapman as crew. Captain and Skipper for B Fleet, Sydney Reigster had a 5<sup>th</sup> place finish with Will Golden and Andrew Nappier as crew. Sydney & her crew Michael O'Tuel won their race.

Michael and Sydney take first place in the heat.

The Waccamaw Sailing Club will not have much time for celebrating their successful debut, practice will be focused on preparing for the SAISA Fall Championship in Charleston at the end of the month.
