# Coming Home Week

By Matt Lee, Pictures by Jed Parreno, Lyric Wigfall, Karina Kostova, and Dennis Amuser

Coming Home week kicked off on Feb. 3<sup>rd</sup> as the Warriors celebrated their winter sports teams. Students and staff dressed up all week to earn spirit points for their grade. Monday was Sports Maniac Day where students wore hats, shirts, and even shorts that featured their favorite college and professional sports teams. Tuesday was Tacky Day; the halls were filled with mismatched and multicolored outfits. Wednesday was Save the World Superhero Day; students came dressed as some of their favorite comic book heroes, while some created their own superheroes. Thursday was Class Color Day where Freshmen wore red, Sophomores wore salmon, Juniors wore green, and Seniors wore black. Today is Warrior Pride Day and students are wearing black and red to show their WHS school spirit.

The annual Stud Muffin Volleyball game will be held during 7<sup>th</sup> period today for all students who purchased a ticket. Following the game will be a pep rally recognizing the winter sports teams and the crowning of the King and Queen of Hearts, the Ice Princess and Mr. Irresistible.

To end Coming Home Week, come out to the Warrior Coliseum tonight to support the Varsity Basketball teams as they play against the Aynor Blue Jackets. The girls' game starts at 6:00pm followed by the boys' game at 7:30pm.

# A Cool Coming Home

# Congratulations to Imani Atkins

for being the selected state finalist for the 34th Annual Selection of South Carolina's Homecoming Queen.

Being crowned the Waccamaw High School 2013-2014 Homecoming Queen allowed

Imani Atkins to qualify for the America's Homecoming Queen Selection. Imani submitted an application to the national office and was selected as a finalist for the pageant. She will compete in the state pageant on March 23<sup>rd</sup>, 2014 in Salisbury, North Carolina. Judging will be based on personal interviews and a prom gown competition. If Imani wins at the state pageant, she will advance to the national finals where she has the opportunity to earn a scholarship that can help further her education after high school.

America's Homecoming Queen, Inc. has been around for over 30 years and "promotes education and community service for high school homecoming queens in all fifty states and gives young women, who have shown outstanding leadership ability, the opportunity to achieve their dreams and goals of being our leaders of tomorrow."

## Winter Break: Part Two

Written by Hannah Wolf; Pictures taken from Instagram

On January 28<sup>th</sup>, 29<sup>th</sup>, and 30<sup>th</sup>, all schools in the Georgetown County School District were closed and had a 2-hour delay on the 31<sup>st</sup> due to "freezing, black ice and dangerous road conditions in many parts of the county." Students took this icy opportunity to play outside and enjoy the winter wonderland that is rarely ever seen in South Carolina.

February 2<sup>nd</sup> was Groundhog Day and, on this day, a groundhog named Punxsutawney Phil came out of his hole to predict the weather. 19th century American farmers believed that if a groundhog saw its shadow, then there would be six more weeks of winter; if he didn't see his shadow, then Spring would come early that year. So, on February 2<sup>nd</sup>, Punxsutawney Phil left his home, saw his shadow, and scurried back inside. Six more weeks of winter for us!

# Les Livres de Couleurs

By Sarah Ball, Picture by Matt Lee

Ms. Hile, a WHS Foreign Language teacher, assigned a project to her French I students to make children's books that focused on color vocabulary. The books had to include a specific theme and pages with French color-words along with a picture representing each color. Some of the themes presented were: Disney princesses, fruits, vegetables, and alpacas. After reading the books, Ms. Hile stated, "I am pleased to see that the students had gone above and beyond my expectations to include intricate pages with pull-outs, pop-ups, detailed drawings, large and colorful pictures, and textured

materials." Freshman Katie Ball made her book about farm animals and said, "I really liked learning about the French colors and I had fun making them into a book for little kids to enjoy." French students (past and present) and some of the Teacher

Cadets will deliver the books to Waccamaw Elementary School to be enjoyed by possible future French students. Bon travail français !!

## Varsity Basketball Update

By Emma Karst

Over the weekend, the varsity teams played two of the top teams in the state: Mullins (4<sup>th</sup> in the state for girls) and Dillon (1<sup>st</sup> in the state for girls). Mullins was a scheduled Friday night game, but Dillon was a makeup game caused by the increment weather last week. It was a tough battle for Varsity as both teams were unable to bring home a win Friday or Saturday. Even with the disappointing weekend, the teams went into this week with high hopes and positive attitudes.

On Tuesday, Feb. 4<sup>th</sup>, Varsity took on Loris in the Warrior Coliseum. Both teams celebrated a win; the girls taking charge with a score of 45-34 and the boys dominating their game with a score 63-49.

On Wednesday, Feb. 5<sup>th</sup>, Varsity played Mullins with hopes of improving their game from last Friday. The girls had a tough night as Mullins dominated the court the entire game taking the win 79-30. However, the game turned around for the boys' team when they defeated the Auctioneers 52-49 giving Mullins their first loss in region play. Coach Quinn said, "It was a total team effort and I'm very proud of my players."

Tonight, Varsity will host the Aynor Blue Jackets in the Warrior Coliseum closing out Coming Home Week. Come out and show your support.

## JV Basketball Update

By Alani Scott

On January 27<sup>th</sup>, the girls and boys JV basketball teams traveled to Marion to battle the Swamp Foxes for the first time this season. With a record of 10-1, the girls fought hard for another win but came up two points short giving them their second loss of the season 18-20. Samirah Murray was lead scorer for the Lady Warriors with 7 points. The boys team continues to struggle through the season with another disappointing loss with a final score of 35-48. The teams were evenly matched after the first quarter but Marion jumped into high gear and took control of the game in the second and third quarter tallying 35 baskets to Waccamaw's 15. Waccamaw never recovered. Leading the Warriors were Quan Gibbs, Darnell Dadd, and Juan Bryant.

JV had several games that were canceled due to increment weather but were back on the road Monday, Feb. 3<sup>rd</sup> to play Loris. It was a close and intense game for the girls as they battled back and forth for the lead. At the end of the game, the Lady Warriors took the win 35-34. Katie Gordon and Samirah Murray led the team in points with 13 and 12, respectively. The boys' team had another tough game watching their 7 point lead at halftime disappear. The Lions dominated the second half defeating the Warriors 35-48. Darnell Dadd led the team with 13 points.

Last night, Feb. 6<sup>th</sup>, JV played the Aynor Blue Jackets but results were not available at press time. JV has two games left before closing their season. Go Warriors!
