# 2014 TALENT SHOW

## Waccamaw's Got Talent!

By Hannah Wolf, Pictures by Jed Parreno

On March 20<sup>th</sup>, WHS held a school talent show, "Waccamaw's Got Talent." Special guest, Kevin Jayroe, was the MC for the event; he is an agent with Prince George Sotheby's and the co-owner of Bienvenue Home in downtown Georgetown. A variety of acts performed in the talent show, many students making their first debut on stage. The Brothers Will, senior Will Ness, freshman Bryson Grove, sophomore Gabe Kohler, and 2011 graduate Ephraim Brown, started off the night by performing "No Woman, No Cry" by Bob Marley and an original song "Ocean Blue."

The first performer was freshman Courtney Beebe singing "Rolling in the Deep" by Adele and Paul Epworth. Beebe was followed by freshman Ian Kelley showing an original video presentation titled "Being Human;" the video spoke about the strange characteristics of human nature. Junior Arianna Senn sang "Desperado" which was written by Glenn Frey and Don Henley and recorded by The Eagles. Freshman Josh Stafford recited original rap lyrics he titled "True Religion." Following Josh was his twin sister, Jasmine; Jasmine sang "Popular Song" by Mika. WHS' very own Mr.

Pritchard (media specialist) performed "Ring of Fire" by Johnny Cash with Margaret Stacy, Sydney Windham, and Ms. Warr (choral instructor) singing back up and Tyler Elling accompanying them on trumpet.

Senior Jeremy Lee played guitar while senior Sarah Hawkinson sang “Soul Sister” by Train and “I’m Yours” by Jason Mraz. Freshman Sydney Windham sang “Love Never Dies” by Andrew Lloyd Webber and was accompanied by her mother, Renee Windham, on piano. Freshman Stella DeHaas performed a contemporary dance to “Seven Devils” by Florence and the Machine. Senior Eric Silvestri performed a comedic routine and kept the audience laughing through his entire act. Following the comedian extraordinaire, freshman Sara Ness sang “Skyscraper” by Demi Lovato with her brother, Will Ness, playing guitar in the background. Freshman Nahjeé Funnie danced a hip hop routine to “Holy Ghost Dubstep” by Messinian and had the crowd hollering during his performance. Freshman Trey Hart performed his original song “Sonata in a Minor” on piano before a ten-minute intermission.

After the intermission, The Brothers Will performed two songs written by lead singer, Will Ness, titled “Never Was the One (I Love You)” and “First L-O-V-E.” Following the band, junior Richard Rasheed gave a performance on the bass guitar jamming out to “Tom Sawyer” by Rush. Freshman Ian Sovine sang “Imagine,” a popular John Lennon song; he was followed by a guitar-playing duo: sophomore Jack McDonald and senior Patrick Walsh. The two boys played “Waking the Demon” by Matthew “Matt” Tuck. Afterwards, seniors Ma’Laysha Nesmith and Darmonica Brown sang a duet to “More” by Lawrence Flowers. WHS science teacher, Mrs. Valerie Hawkins, sang “We Shall Behold Him” by Anthony Burger. Freshman Margaret Stacy sang “Sebben Crudele” by Antonio Caldara accompanied by Ms. Warr on piano. Junior Emerson Joyner performed a contemporary dance to “Turning Tables” by Adele featuring a spoken poem by Rudy Francisco. Junior Stephanie Cook then sang “Till There Was You,” a piece from “The Music Man,” with Ms. Warr on piano. The performance was by junior Ashlyn DeLoach singing “Skinny Love” by Bon Iver with junior Alexa Bombich playing piano, barefoot.

Closing out the show was The Brothers Will playing “Waiting on the World to Change” by John Mayer and “Stir it Up” by Bob Marley. Despite technical difficulties and performance anxiety, all of the participants put on an amazing show for the audience. Congratulations to everyone on your performances!

Special thanks to: the WHS Choral Boosters who sponsored the talent show, Ms. Warr, director of the show, art teacher, Mr. Bethea, for the set design, and to all others who helped make the talent show a success!

Junior Ashleigh Birkbeck started a dress exchange called "A Dress for a Dress" to help girls get a prom dress without spending any money. Girls with old formal dresses, shoes, or jewelry could bring them in and exchange them with others for free. After hearing about something similar on the radio, she decided to bring the exchange to Waccamaw. On Wednesday night, Ashleigh held the event in the WHS cafeteria; snacks and drinks were provided for all who attended and there was a wide variety of dresses for the girls to choose from. Thanks to Ashleigh's creative idea, girls went home with attire for the upcoming prom.

On Thursday, March 20<sup>th</sup>, the Waccamaw Honor Band traveled to West Ashley High School to compete in the State Festival Competition. The band played three songs; "By Loch and Mountain," "The Maelstrom," and "Fantasy on a Japanese Folk Song." They were judged by high school judges on their performance, posture, and ability to follow the director. After playing the three pieces, the band moved to another room; they received a new song and had to sight-read it and play it in front of professional judges. The band received a Superior rating, the highest score a band can achieve. Great Job, Warriors! After a day of competing, the band went to Cici's Pizza where they relaxed, celebrated, and enjoyed pizza.

## Walk For ALS

By Matt Lee

On March 22<sup>nd</sup>, Mr. Dewalt and the walking Warriors participated in a three-mile walk against ALS at the Market Commons. The team raised \$920 to be donated to ALS, contributing to the events \$29,174.56 total raised. From left to right are, Preston Janco, Matt Lee, Mr. Dewalt, Mr. Williams, Mr. and Mrs. Welch, Alexis Welch, and Evelyn Frobey. ALS, also known as Lou Gehrig's Disease, stands for amyotrophic lateral sclerosis. It is a fatal disease that robs the body of the ability to walk, talk, swallow, and breath. Once someone is diagnosed with ALS, they typically have 2-5 years to live. Every 90 minutes someone is diagnosed with ALS and every 90 minutes, someone loses their fight against ALS. There is no known cause for ALS and it costs roughly \$200,000 a year for treatment. Mr. Dewalt got involved with ALS last year when he taught his students about *Tuesdays With Morrie*. When asked about the event, Mr. Dewalt said, "Thanks to everyone who donated! It is really great to see so many people willing to support such a wonderful cause and I would like to thank the National Honor Society for helping with the setup of the event."

## WHS Tennis Falls to Bishop England

By Coach Hunt

On Thursday, the Waccamaw Warriors boys' tennis team fell victim Thursday to a determined effort by the Bishop England Battling Bishops to defeat the Warriors for the first time in 14 years.

Despite strong individual efforts by the Warriors, archrival Bishop England of Daniel Island defeated them in sets, 4-2, to capture their first victory over the Waccamaw boys' tennis team since 1990.

"The team as a whole is more focused this year because we concentrated on tournament play, which made us mentally tougher – and to beat Waccamaw that is what you have to be," said Lukas Zalesky, Bishop England's No. 1 player. Zalesky defeated Waccamaw's Justin Dunn, playing in the No. 1 position, in two sets, 6-2 and 6-4.

The Warriors needed to win three of the five individual matches or two individual matches and the doubles match to force a tie-breaking doubles match in the play held at the Creekside Tennis and Swim Club in Mount Pleasant. They came close.

Waccamaw's number three player, Ben Hewes, defeated his opponent, Daniel Knott, in two sets, 7-5 and 6-2. Hewes stayed focused and hit consistently strong against Knott, a new player for Bishop England who moved to the United States from the Virgin Islands in January of this year. Hewes, a sophomore at Waccamaw, said, "He was a really good player and he fought hard. I was able to stay focused and fight throughout the entire match."

Jaz Greene, playing in the No. 5 spot for Waccamaw, defeated his opponent, Brian Privett, in two sets, 6-4 and 6-1. Greene, selecting his ground strokes carefully, kept his opponent on the move in a quick-paced match.

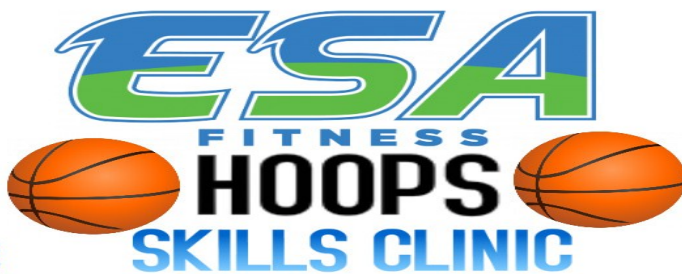

Waccamaw senior Kevin Mushock, who played with teammate freshman Stephen Russell in the doubles match, is eager for the rematch. "We have a whole month to prepare. We won't let this happen again."

Bishop England's team includes three of its top five players from last year, when they were defeated by Waccamaw. "We have been waiting 14 years to beat Waccamaw," said Bishop England coach Kristin Fleming, in her second year of coaching the boys' team. "We have a team with more depth this year, and we are happy that we accomplished what we have worked really hard for."

The Warriors gathered together after the game and collectively agreed that this match was a wake-up call, and they need to return to the level of play of two years ago when they were state champions.

Waccamaw Head Coach Lynn Hunt commented, "Waccamaw Tennis is resurging as the season progresses. We lost a close match to perennial power Bishop England without 3 of our usual starters. Coupled with the fact that several of our younger players are just coming into their own on the courts, our future looks very bright. We are looking forward to the rest of the season and expect to do well in the playoffs."

The Warriors will be playing in regional matches before they meet Bishop England again on April 30<sup>th</sup>. The Warriors played Mullins High School on Wednesday, March 26<sup>th</sup>, and played a double header against Aynor at home on Thursday, March 27<sup>th</sup>. All home matches begin at 4:30pm.

## JV Baseball Update

By Coach Vick

Waccamaw 13 Georgetown 12

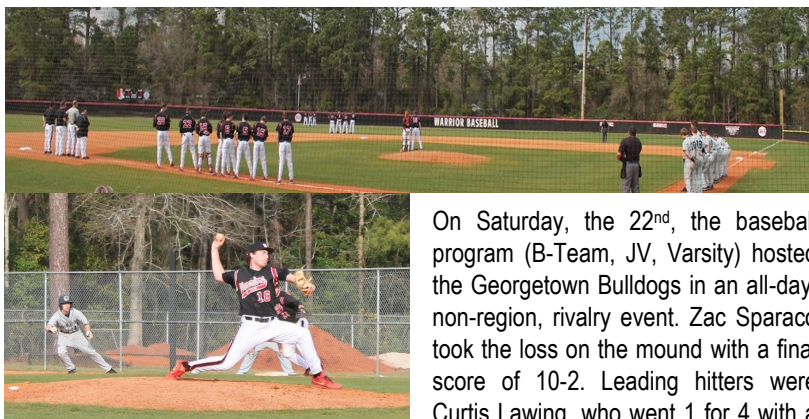

On Saturday, March 22<sup>nd</sup>, the Warriors found a way to improve their record to 6-1 after getting off to a sluggish start against Georgetown. Forrest Powell started on the mound for the Warriors and only allowed one earned run, but due to a high pitch count through 2 innings, was relieved by Christian Hendrickson in the 3<sup>rd</sup>. Hendrickson threw well and allowed the Warriors to mount a serious comeback after being down by as many as 6 runs in the first 3 innings. Hampton Roberts and Daniel Rourk helped pace the offense as they each tallied 4 hits and combined to drive in 5 runs on the day. Tripp Perrow and McKinley Grooms also had multiple hits and drove in runs as the Warriors scored 13 runs in their final 4 at-bats. David Geney came in to the game in the 7<sup>th</sup> to pick up his second save of the season. Geney struggled with his control but had stellar play from his defense when he needed it. Daniel Rourk made the play of the game in left field as he sprinted towards the corner and made a running grab to end the game and secure the game for Waccamaw. The Warriors have a busy week ahead as they are scheduled to play 5 games in 5 days, including the Yellow Jacket Clash in Andrews.

## Varsity Baseball Update

By Emma Karst and Carter Fox, Pictures by Emma

On Wednesday, March 19<sup>th</sup>, the Warriors hosted Marion in their region opener. The boys defeated the Swamp Foxes 4-3, improving their record to 5-2.

The day after, the boys traveled to Mullins to take on the Auctioneers on their home turf. The Warriors played a 5-inning game shutting out the opposing team with a score of 25-3. The winning pitcher was Justin Colegrove and the big hits of the game were a home-run by Dalton Hendrix followed by a grand slam by Tucker Perry.

On Saturday, the 22<sup>nd</sup>, the baseball program (B-Team, JV, Varsity) hosted the Georgetown Bulldogs in an all-day, non-region, rivalry event. Zac Sparaco took the loss on the mound with a final score of 10-2. Leading hitters were Curtis Lawing, who went 1 for 4 with a double and a run scored, and Justin Colegrove, who went 1 for 3 with a double and an RBI. Varsity, unfortunately, took a loss with a game-ending score of 10-2.

Varsity played again on Tuesday, at home, against Loris. The Warriors came back from a 7-2 deficit, tying up the game 7-7 in the 6<sup>th</sup> inning. Neither the Warriors nor the Lions could score a run until late in the ninth inning when Loris scored and secured their win with a final score of 8-7.

For the twelfth consecutive year, the University of South Carolina will offer the Carolina Master Scholars Adventure Series, a summer academic camp for scholastically talented rising 6<sup>th</sup>–12<sup>th</sup> graders. The Carolina Master Scholars (CMS) Adventure Series creates opportunities for young people to expand their knowledge while exposing them to many sides of collegiate life. This experience gives students a chance to explore subjects that are not taught at the middle and high school level, and learn from renowned professors and researchers at the University.

The summer 2014 courses offer an exciting array of one-week courses with commuting and residential options. For more information and class descriptions, visit [tp://saeu.sc.edu/adventures](http://saeu.sc.edu/adventures). In addition to the Carolina Master

Scholars Adventure Series courses, the University will also offer SAT/ACT Test Prep Summer Prep Courses at USC campuses across the state. The prep courses are led by expert test prep professional instructors and include 20 hours of in-classroom instruction, SAT and ACT textbooks, workbooks, lunch, and four interactive online review sessions in the fall.
