# The Easter Egg Hunt

By Hannah Wolf  
Pictures by Emma Karst

On Thursday, April 17<sup>th</sup>, Student Council sponsored an Easter egg hunt for Mrs. Tester's class. Council members Banks Lucas and Kareena Patel hid plastic Easter eggs outside Mrs.

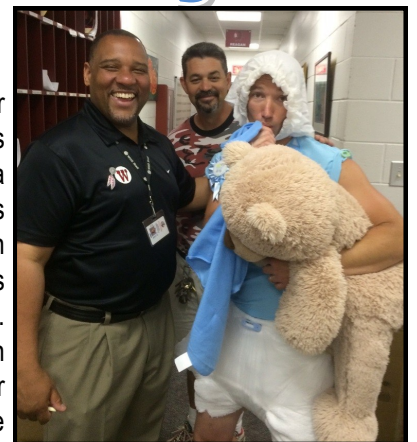

Tester's classroom on window sills, in bushes, and even on the hoods of cars. Mrs. Tester said, "The students look forward to it every year and have a great time socializing with the Student Council members while hunting for eggs." The class enjoyed having a fun adventure before leaving for spring break.

# Who's Your Baby?

Article by Emma Karst; Pictures from Ms. Herndon

Before spring break, Key Club wrapped up their "Who's Your Baby?" fundraiser in honor of The Eliminate Project. The goal was to match funds with the Pawleys Island Kiwanis to help support a program that seeks to eliminate Maternal/Neonatal Tetanus (MNT). This lethal disease affects those who struggle financially in geographically remote areas of over 25 different countries across the globe, usually afflicting many people without any health care. MNT is caused when tetanus spores found in the soil come in contact with open cuts or sores during childbirth. Newborns suffer from convulsions and extreme sensitivity to light and touch, while

Assistant Principal Davis and Coach Gregory catch "Baby Phillips" running around in the office.

mothers usually do not survive the days following the birth of their children. MNT is extremely preventable; with just three doses of a sixty-cent vaccine given to the mother, she passes on her immunity to her newborn child making the sickness even harder to spread to future generations.

Mr. Arias and Mr. Phillips, teachers at WHS, volunteered to help raise funds for this special cause. They agreed that the person who received the most donations would dress up like a "big baby"; students "voted" for their favorite baby through donations. As for Mr. Arias, he could not pull off a win over Mr. Phillips, leaving Phillips to prance around the hallways and cafeteria of WHS in his pre-planned baby outfit—complete with a giant teddy bear, bonnet, and diaper. The Key Club raised \$250 to donate to The Eliminate Project. A big thanks to all that participated in this fun-filled and very meaningful event! Go Warriors!

**May 10<sup>th</sup>**  
**8am to 12pm**

## Parents and Students

“Saturday School/ School Attendance Make-Up Day” is an attempt to assist students who academically succeed in class but, because of excessive unexcused absences, may be denied credit.

Students who are scheduled to attend Saturday, May 10<sup>th</sup>, will be notified. Late arrivals will not be admitted, no early dismissals and there is a \$20.00 charge.

Please enter from the front of the school.

Students should bring assignments from teachers and work the entire time. No talking, sleeping, playing, etc.

Students may not use Saturday School to plan for future absences.

# Color Guard Tryouts!

The WHS Marching Band is looking to recruit new members for their color guard. Coming to the spring camp would not make joining the marching band mandatory; it's an opportunity for anyone interested to see what it's like to be a part of the marching band.

The spring camp will be held on May 6<sup>th</sup>-7<sup>th</sup> for the color guard, drum line, percussion, and all rookies and May 13<sup>th</sup>-14<sup>th</sup> for the entire marching band. All those trying out must attend all six days of the camp from 3:15-4:45pm. It is advised to dress comfortably and bring sunglasses, a hat, sunscreen, bug spray, etc. because of the hot weather and lack of shade. It is a very laid-back atmosphere and is fun for everyone willing to participate!

If you still have questions, contact band directors Mr. Graham or Mrs. Randall; band booster president Mrs. Lisa Arnold; or any current color guard /marching band member.

## Waccamaw Warrior Boys' Tennis

By Coach Hunt

Our Waccamaw Warriors boys tennis team reached mid-season, continuing its winning tradition by besting Marion High in both ends of a double header. With only four matches remaining in the regular season, the Warriors are 5 and 4 overall, but are undefeated in region matches. Lower State playoffs start on May 8<sup>th</sup> and the State Team Championships will be on May 17<sup>th</sup> in Columbia.

### *Waccamaw vs Marion*

Before spring break, Waccamaw played a double-header against Marion. Justin Dunn, playing in the No. 1 position, dominated Tyler Williams, 6-0, 6-0. Playing at No. 2 Joey Hewes controlled most of the points and defeated Matt Williams of Marion 6-0, 6-1. Also noteworthy was the Warrior duo of Thomas Rowland and J. D. Tucker, two 8<sup>th</sup> graders, who crafted a fine win over Matt Pridgen and Brian McQueen 6-4, 6-2. Other scores: Ben Hewes defeated

Zi Huang 6-1, 7-5; Woody Tudor beat Gabriel Thomas 6-1, 6-0; and Parker Brinson over-powered Brandon Sanders 6-0, 6-0 concluding a Waccamaw sweep of the top of the double-header 6-0!

In the bottom of the double-header, scores were much closer. With both teams agreeing to play eight-game "Pro Sets" to save time, the Warriors got off to a great start with Joey Hewes playing the No. 1 position beating Tyler Williams 8-1. The second match was then tied when Ben Hewes playing up at No. 2 lost a close, hard fought match to Matt Williams 4-8. Waccamaw's Jaz Greene got the team back on track coming from behind to best Zi Huang 8-6. Kevin Mushock kept up the winning way by dominating Gabriel Thomas 8-1. In the next match, the contest got a little closer when Parker Lipton lost a hard fought match to Brandon Sanders 6-8!

The victory came down to winning the two doubles matches. Again, in fine Waccamaw tradition, our players came through as Justin Dunn and Joey Hewes proved unstoppable beating the

Williams brothers 8-1. Next, our No. 2 doubles team of Spencer Kemp and Scott Johnson, both 8<sup>th</sup> graders, displayed exceptional teamwork and outplayed their opponents, winning in convincing fashion 8-1.

### *Waccamaw vs Socastee*

On Monday, April 28<sup>th</sup>, the boys tennis team faced Socastee HS, last year's AAA State Champs, at home. The team lost to Socastee 3-4.

### *Waccamaw vs Mullins*

On Tuesday, April 29<sup>th</sup>, Waccamaw defeated Mullins 7-0! Most noteworthy is that the Warriors only gave up four games in the five singles matches, which may be a school record. In the No. 1 doubles match, Parker Brinson and Kevin Mushock were on a roll when the Mullins team forfeited due to an injury. In the No. 2 doubles match, 7<sup>th</sup> grader Thomas Rowland and 9<sup>th</sup> grader Lach Dancy played an outstanding match and prevailed in an eight-game Pro set 8-1.

The team starts playoffs on May 8<sup>th</sup>.

## Waccamaw Warriors vs. Wexford Collegiate

On Tuesday night, April 29<sup>th</sup>, the boys varsity soccer team was host to the Wexford Collegiate soccer team from Toronto, Canada. The Warriors won the game but not without a fight from the Wexford team. The final score was 3-1.

On Wednesday, during 3<sup>rd</sup> period, the players from Wexford came to Waccamaw and shadowed some of the varsity players.

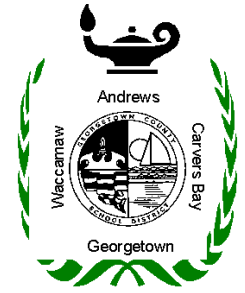

boys soccer teams will play Stratford High School in an away game. On May 12<sup>th</sup>, the girls soccer team begins playoffs and on May 13<sup>th</sup>, the boys soccer team begins playoffs.

## First Annual Summer STEM Academy

Georgetown County School District is seeking participants (rising sophomores, juniors, and seniors) for its first annual Summer STEM (Science Technology Engineering Math) Academy. Are you a hard-working, conscientious student interested in pursuing STEM related careers?

Georgetown County School District has developed the STEM Academy in conjunction with the Waccamaw Regional Education Center, Horry-Georgetown Technical College, and the Dream It Do It™ program. The summer academy is designed to encourage and serve capable, highly motivated students, who score in the middle quartiles on test performance by removing barriers and providing students with experiences that meet college and career readiness standards. This is significant because Georgetown County School District has a mission of providing challenging educational programs that prepare all students to be responsible citizens and lifelong learners.

During the five days of the course, rising sophomores, juniors and seniors will learn basic engineering principles, develop 21st Century skills, and enhance their understanding of math and science concepts. Students will tour industries within the county and visit a college campus. Additionally, students will work online in the Career Ready 101 program and take the ACT® WorkKeys® assessment giving them the opportunity to earn a National Career Readiness Certificate. On the afternoon of the fourth day, there will be an awards ceremony as a culminating event for the STEM Academy. Students participating in this program pay no fees.

If you are interested in attending the STEM Academy this summer, see guidance.

### For students going into 10<sup>th</sup> and 11<sup>th</sup> grade

Applications are now available for the Sheriff's Summer Academy. The academy is free of charge and will take place June 16<sup>th</sup> - 20<sup>th</sup>. Students will take trips and experience what it is like being an officer.
