National Merit Semifinalists

National Merit is a scholarship competition, and semifinalists qualify with exemplary PSAT scores from their Junior year testing. The number of semifinalists named in each state is proportional to the state's percentage of the national total of graduating high school seniors.

Congratulations to seniors Jackson Stacy and Caroline Lalla who were notified that they are National Merit Semifinalists. Jackson and Caroline are among approximately 16,000 students who have been selected as semifinalists. They have the opportunity to continue the competition which will offer about \$33 million in scholarships this spring. About 90 percent of the semifinalists are expected to attain finalist standing, and more than half of the finalists will win a National Merit Scholarship. Way to go, Warriors!

GCSD Youth Leadership Academy Tour

Each year, the Georgetown County School District provides opportunities for students to travel to businesses in the area to learn about careers available to them. Jason Coakley, Waccamaw Regional Career Specialist, coordinates three tours for first semester and three tours for the second semester; up to five students are selected from each high school to attend a tour.

On Tuesday, Sept. 16th, Michael O’Neill, Brandon Herriott, Tim Greene, and Jonah Maro (pictured above) attended the first Youth Leadership Academy tour traveling to Low Country Forestry and Santee Cooper. Students took a tour of each business and learned about agriculture and engineering careers. Tim Greene said, "I found the trip very interesting. I was not aware that there were so many career opportunities available at Santee Cooper."

Other tours scheduled for first semester are on Oct. 14th and Nov. 18th. In October, students will have the opportunity to tour the Georgetown City Police Department and the Georgetown County Court House to learn about careers in Law Enforcement and Criminal Justice. In November, students will tour Goodwill, WBTV 13, and get a chance to check out the Horry-Georgetown Technical College Conway Campus. Other dates and tour places for second semester will not be released until January.

FELLOWSHIP OF CHRISTIAN ATHLETES

Article by Karl Strittmatter, Pictures by Mrs. Tester

Fellowship of Christian Athletes, FCA, is a club sponsored by Mrs. Tester. FCA meets every Wednesday morning before school at 7:15am in the media center. At the meetings there is fellowship and either a teaching or worship. There is also a light breakfast and a devotional brought by a WHS student or guest speaker. Fellowship of Christian Athletes is a national organization of Christians; athleticism is not required! All students, staff, Christians, and curious non-Christians are welcome and encouraged to come at any time of the year. It is open to the public and anyone who wants to join can join. Big thanks to the guest speaker, Brandon Brown, who delivered a fantastic message at FCA last week. He spoke about keeping faith in Jesus and all the great things Jesus can do in one’s life; he challenged members to bring in more people to the FCA group. On Wednesday, senior Jackson Stacy was the student speaker. He introduced the group to different Christian gatherings one can go to, most importantly *See You at the Pole*, which is next Wednesday at 7:30am. Everyone is invited to join FCA at the flag pole in front of the school.

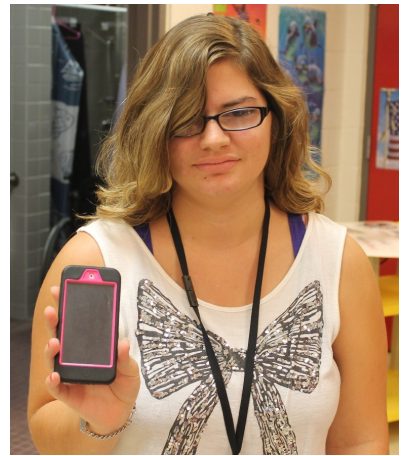

TOOMEY'S KIDS

Article by Jamie Rodriguez, Picture by Jed Parreno

Toomey's Kids is a nonprofit organization helping the special needs students in the Georgetown-Horry County areas. This year the organization donated checks to special needs classes all over the county totaling more than \$20,000! Mrs. Tester received a \$1,000 check to financially assist with community education. Toomey's Kids also donated an iPod to Mrs. Tester's student, Amber, to help her with communication skills.

Toomey's Kids also sponsors educational and social trips to places such as fishing at the Garden City Pier, the Bowling Alley, and Ripley's Aquarium. These trips help the students develop social life skills, physical, and dexterity skills. Toomey's Kids is a wonderful organization and Mrs. Tester and her students would like to thank them for being so supportive of Waccamaw's special needs students!

Any floats containing negative items will not be allowed to participate and will not be refunded.

Entry Cost: \$10.00 per float; \$5.00 per vehicle; \$5.00 for all others.

DEADLINE FOR ENTRY SUBMISSION:

Rivalry week for Varsity Football

By Karl Strittmatter
 Picture courtesy of Waccamaw Football Facebook page

Last Friday, the varsity football team suffered a loss to the Georgetown Bulldogs. The game was tied 0-0 until the second quarter when the Bulldogs ran in the ball for a touchdown, giving them a six point lead going into halftime. In the third quarter, Georgetown scored but Waccamaw answered with two touchdowns on an interception and a fumble recovery. Koron Sessions intercepted the ball and ran it into the end zone cutting the lead to 12-7. Then on a fumble, Tyriq Grant picked it up and sprinted for an 80-yard run, past every bulldog, giving the Warriors a 13-12 lead. In the fourth quarter, Georgetown scored once again taking back the lead 20-13. As the clock ran down, Waccamaw attempted a desperation play to try and score as the time ran down. They were unsuccessful, giving the win to Georgetown. The Warriors (2-2) hope for a better outcome tonight as they face Green Sea Floyds (0-4).

The varsity cheerleaders are hosting Spirit Night at Habaneros after the football game! Come out and show your school spirit!

The Marching Dead

Article by Hannah Wolf

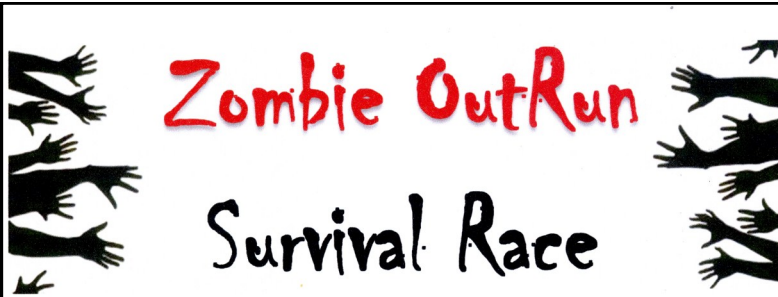

The WHS marching band will be holding their first annual "Zombie OutRun" on Thursday, October 30th on the WHS nature trail. It is \$30 to enter the race and a portion of the proceeds will go back to the band. Every 5K participant will wear a band of red flags around their waist while the "zombies" chase after them trying to retrieve the flags, "infecting" the runners. The main goal for the race is not to finish first, but to finish with the most flags still attached to your waist. Come out and support the marching band and participate in Waccamaw's first ever "Zombie Outrun!"
