# ANATOMY PROJECT "SYSTEMS OF THE BODY"

Pictures by Danielle Mallon

Ms. Stephenson's Anatomy classes have been learning about the different systems of the body in preparation for the year-long exploration of the human body and the dissection of the cats. Students created their own 3D representations of the three body systems. Each group taught the class about the systems they chose to represent and how they are connected to each other. This project gave students more insight into the systems that make up a person and an idea of what they would encounter when they begin their dissection of the cats in two weeks.

## Art Institute Visits CATE Classes

Article and pictures by Ms. Hossa

Last Friday, Jessica Levkoff, the High School Culinary Specialist from the International Culinary Schools at the Art Institute came to Ms. Hossa's CATE (Career and Technology Education) classes to speak. She gave a presentation about the various programs offered at the Art Institute and showed examples of past student work. In the Foods and Nutrition classes and the Family and Consumer Sciences 1 class, Ms. Levkoff focused on the culinary related fields; in Fashion class, she focused more on the fashion related fields. All classes, however, were able to see her demo of Espinacas a la Catalana, a spinach dish from Spain. She reworked the recipe to make it more of a dessert item, so the students were more apt to try the spinach.

The original recipe does not call for the baguette, cinnamon, sugar, or honey.

### Espinacas a la Catalana (Spinach Catalan Style)

Ingredients:

- 1 baguette, cut into 1/2 inch slices
- 2 Tablespoons olive oil, to toss with bread- you can use more if desired
- Cinnamon and sugar- use an amount to your liking
- 2 Tablespoons olive oil
- 1 cup sweet apple (golden delicious works well), peeled and diced
- Honey- use an amount to your liking
- 1/4 cup pine nuts (in class we used pumpkin seeds)
- 1/4 cup dark raisins
- 5 cups baby spinach, washed

Directions:

1. Slice the baguette into 1/2 slices and place in a large bowl.
2. Drizzle with olive oil so all pieces have some oil on them.
3. Add cinnamon and sugar to bread slices and toss to lightly coat.
4. Preheat oven to 400 degrees and bake bread until lightly brown.
5. Peel and dice apples. Drizzle with desired amount of honey.
6. Heat olive oil over medium to high heat (be careful not to burn the oil).
7. Add the apples to the pan and brown lightly, about 1 minute.
8. Add the pine nuts (or pumpkin seeds) and cook until lightly brown, 30 seconds, stirring occasionally.
9. Add raisins.
10. Turn off the heat, add spinach and toss until the spinach starts to wilt.
11. Add salt and pepper to taste.
12. Top bread slices with spinach mixture and serve.

# BROOKGREEN GARDENS FIELD TRIP

Article and picture by Maddie Giarratano

Last week, Mrs. Griffin and Mrs. Chadwell's English 2 Honors classes took two separate trips to Brookgreen Gardens. Over the past several weeks, students have been studying Greek mythology in a unit on *Antigone*, the summer reading for English 2 Honors. While on the trip, students had a chance to look at the statues of characters from Greek mythology, to learn about their backgrounds, how they got there, and some of the stories associated with the characters. The trip was very helpful for learning more about the gods and goddesses and the tales that go along with them.

SEE YOU AT THE POLE day was Wednesday, September 24<sup>th</sup>. FCA members, as well as anyone else who wanted to come, met at the flagpole in front of the school to pray for their school, friends, families, churches, and communities. There was a great turnout and many people came to the event. Ethan Sterneke played his guitar and led a worship song; everyone joined in to sing for the Lord. Then, people split into groups of prayer where each person from the group said something important to pray for. At the end, everyone gathered in one large circle, held hands, and recited The Lord's Prayer.

FCA meets every Wednesday at 7:15am in the Media Center! All students are welcome to come any day!

## Girls Golf Update

Girls' golf has a new coach this year, Coach Charles Chappelle. He has a golf school at the Tradition Club in Pawleys named Rock Solid Golf. In the midst of the recruiting process, Coach Chappelle said, "I am having trouble finding enough girls interested enough in golf to stay with it. My goal is to change that in short order when I get them to see all the game offers!" The girl's golf team currently consists of seniors Kelly Kaz and Connor Graham, freshman Lauren Hammond, and eighth-grader Marlee Lord. If you are interested in being a part of the team, talk to one of the girls on the golf team or contact Coach Chappelle.

## "Waccamaw Sailing Gearing up for Points Season..."

Picture courtesy of Waccamaw Sailing Club Facebook page

On Saturday, Sept. 13<sup>th</sup>, the Competitive Sailing Team from Waccamaw High School competed against 12 teams in its second Open regatta in Charleston, SC. WHS competes within SAISA's (South Atlantic Interscholastic Sailing Association) newly structured North District. WHS seized the opportunity to compete in the new "Open" regatta system, designed to encourage the development of new teams, by creating a composite team with Georgetown School of the Arts. Waccamaw senior Will Golden, juniors Griffin DesMarteau and Michael O'Tuel, along with freshmen Ella Grace Bodie and Sydney Register, competed in 6 races within two divisions for an 11<sup>th</sup> place overall finish. The team will have the opportunity to compete in a 3<sup>rd</sup> Open regatta on October 18<sup>th</sup> in Beaufort, SC before kicking off the Points season October 25<sup>th</sup> in Charleston.

## WACCAMAW SHUTS OUT THE TROJANS

Article by Karl Strittmatter, Picture by Sam Windham

Last Friday night, September 19<sup>th</sup>, the Waccamaw Warriors shut out the Green Sea-Floyds Trojans 35-0 and had a great all-around game; they are now 3-2. Rob Ferraro, Tyriq Grant, and Kevin Gasque led the offense. Ferraro started at Quarterback and had a 20-yard touchdown run. Grant also played well and had three rushes for 53 yards and a touchdown. Gasque had a personal best with ten rushes for 203 yards and two touchdowns. He was named Coastal Player of the Week and received a plaque (see below). Defense also played its part, not allowing the Trojans to score a single point and held Green Sea-Floyds to under 100 yards of total offense. It did not take long for Waccamaw to score; within the first four minutes, Waccamaw scored two touchdowns, including a 40-yard run by Gasque. Shortly before the half, it began to rain which quickly turned into a heavy downpour. This did not stop the Warriors, as the game kept going. As people began to flood out of the stadium and as the field itself began to flood, the score was 21-0 at halftime. Ferraro had the highlight play of the game; he ran to the left and when it seemed as if there was no where to go, he backtracked and switched to the right side of the field and into the end zone. The downpour continued and both sides had trouble with the ball. The Warriors still ended up on top, scoring another two touchdowns and securing a 35-0 lead that they would keep for the rest of the game.

## JV CAPTURES ANOTHER WIN!

Article by Coach Randall King

Last Thursday, September 18<sup>th</sup>, Waccamaw defeated Andrews 30-20 at Andrews. Antrix Green and LaDarius Taylor led the offensive effort; Green rushed for over 100 yards with one touchdown and Taylor had his second game with over 100 yards rushing with two touchdowns on the evening. RJ Knowlin also had an impressive night with over 90 yards of rushing. Quarterback Jack Floyd passed for 53 yards. The Warrior defensive group had a great night; every member had three tackles or more, but Tylik Edwards stood out this week. Edwards led the team with eight tackles and returned a 4<sup>th</sup> quarter interception for a touchdown which sealed the victory.

JV had a bye this week but will return to the field October 2<sup>nd</sup> with a home game against Mullins.

## Volleyball's Winning Streak

Article/Pictures by Davis Eddy

On Monday, September 22<sup>nd</sup>, the B-Team and JV played away at Carvers Bay. B-Team won convincingly, 2-1 (15-25; 25-17; 15-11) and JV emerged victorious at 3-0 (25-13; 25-10; 25-7).

The Varsity hosted Marion on Tuesday the 23<sup>rd</sup>. After losing the first game 25-13, Marion opened the second with an early lead but were soon overtaken by Waccamaw 25-16. The third game presented little challenge (25-7) and allowed the girls to shut down Marion three games to nil. Leading the Warriors in aces were juniors Leea Whetstone and Ora Parker Eddy. With

seven kills, Kate Snelson also helped to ensure the win. After Tuesday, Varsity adds another game to their clean streak within the region.

Last night, all three teams faced off against Dillon, another team within the region. Varsity won, improving their region record to 4-1. Check out next week's newsletter for details on all the matches.

The WHS marching band will be holding their first annual "Zombie OutRun" on Thursday, October 30<sup>th</sup> on the WHS nature trail. It is \$30 to enter the race and a portion of the proceeds will go back to the band. Every 5K participant will wear a band of red flags around their waist while the "zombies" chase after them trying to retrieve the flags, "infecting" the runners. The main goal for the race is not to finish first, but to finish with the most flags still attached to your waist. Come out and support the marching band and participate in Waccamaw's first ever "Zombie Outrun!"
