Night Watch

By Hannah Wolf, Pictures by Matt Lee

On October 10th and 11th, the Waccamaw High Acting Troupe performed their first play of the year, *Night Watch*. The play was a psychological thriller that kept people guessing until the very end. The lead roles, played

by Brontë Rapps, Suni Strickland, and Noah Veon, all played off of each other's lines and emotions and created an incredibly suspenseful night for all who attended. Brontë Rapps said, "I had an awesome experience being the lead for the first time, but I know this play wouldn't have been possible if it

weren't for our amazing director and every person who took part in the play." Moni Brown, Meagan Fitzgerald, Evelyn Frobey, Aaron Lampe, Gibran Trujillo-Pelicastré, and Noah Veon all made their acting debut last week during *Night Watch*. In honor of Andi Stevenson's first time directing, the actors came together and framed a poster advertising the play and presented it to her after their last performance of *Night Watch* on Friday night.

LADY WARRIORS VOLLEYBALL TEAM IS REGION CHAMPS!

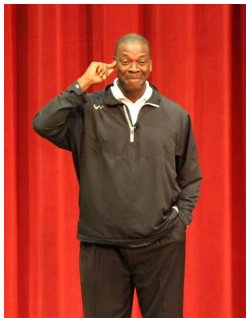

FIELDS OF FAITH HELD AT GHS TONY EUBANKS IS GUEST SPEAKER

By Sarah Ball

On Wednesday night, October 9th, students and their families from the Georgetown School District gathered at the GHS stadium to participate in Fields of Faith, an annual nationwide gathering of students to worship; this year hosted by GHS and WHS. At this event students come together to share their faith with others, encourage their peers to read the Bible and to come to faith in Jesus Christ. Tony Eubanks, the former Clemson University Chaplain, was the guest speaker this year and delivered a funny yet powerful message. Two Waccamaw students, senior Morgan Welch and junior Jackson Stacy, gave their testimonies along with other Georgetown students, and the worship band, consisting mostly of students, played some inspiring music. This was the second time Georgetown County Schools has had this event. Last year about 375 students and supporters attended. This year over 600 people attended the event, and the FCA (Fellowship of Christian Athletes) organizers hope for an even bigger crowd next year. They say the main goal is for people to be brought together as a community by their faith.

Mrs. Tester, sponsor of Waccamaw's FCA, would like to thank the FCA leadership team and sponsors who helped put the Fields of Faith event together. The team includes: Mary Glazier, Kyle Wright, Daresha Holmes, Maddy Middleton, Morgan Welch, Jackson Stacy, and Captain Robert Jones. A special thanks to the following businesses who also helped with the event: The Seaview Inn, Heritage Plantation, As for Me and My House, South Atlantic Bank, Pawleys Island Bakery, Pawleys Island Golf, and Pawleys Outdoors.

TONY EUBANKS SPEAKS AT WACCAMAW

By Braedan Black, Pictures by Jed Parreno

On Thursday, October 10th, the freshmen and sophomores were given the opportunity to listen to Mr. Eubanks speak at the school. He asked the group, "What really matters in life?" He

gave examples of his heroes he looked up to as a kid: a tricycle at the age of five, a red wagon at the age of seven, baseball at the age of nine, and basketball at the age of twelve. But Eubanks said, "All of these heroes let me down." He told the students as they go through life, many things will cause them to become unfocused. He demonstrated this using students out of the audience. He asked sophomore Alonzo Trent to stand with his back facing him and he threw a basketball at him, but when he called Alonzo's name, Alonzo missed the ball and the audience laughed. Eubanks then asked the crowd to encourage Alonzo, and the second time the ball was thrown, Alonzo caught it to the cheers of encouragement from his peers. He also told sophomore Makaela Wilson to trust that when she threw a ball up and tried to catch it behind her back that she could. Mr. Eubanks was a very entertaining speaker and the students really enjoyed listening to him. At the end of the assembly, Mr. Eubanks told the audience four things that will help them through life: Faith, Commitment, Accountability, and Focus!

Join FCA... Every Wednesday at 7:15am, students, teachers, and youth leaders gather in the school media center for food, prayer, and worship. This group is student led, and anyone who wants to attend a meeting can just show up. Over 50 people have attended past meetings, and the group now has t-shirts selling for \$10. The group participates in various service projects, and to help the victims of the Georgetown Front Street fire, FCA collected over 300 articles of clothing as donations. If you would like more information, talk to the members of the FCA leadership team.

Celebrating Hispanic Heritage

By Hannah Wolf, Pictures by Matt Lee and Jed Parreno

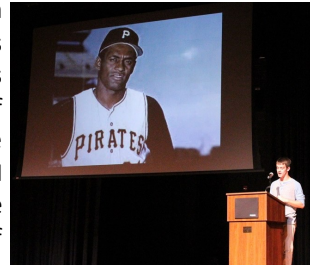

Señor Arias' Spanish IV classes held a Hispanic Heritage assembly on Tuesday for all juniors and seniors during 4th period and all freshmen and sophomores during 7th period. The event was kicked off by an introduction to the event hosted by Guerry Green and Alexis Knowlin. After a short video featuring the President of Spain, Señor Arias came out onto the stage and presented El Grito de Dolores imitating the president.

Guerry Green read the first poem by Pablo Neruda followed by Sam Tansey also reading one of his poems and presenting a short biography of the author. Alexis Knowlin explained the concept behind the 'Running of the Bulls' and was later acted out by many of the Spanish IV students. Alexis also conducted a Who Am I about Selena and read a short biography on the

Grammy-award winning singer followed by Tristan Hood singing one of Selena's songs, "Como La Flor."

Brianna Mawra presented a short video on how to make turrón, a spanish dessert dish. Sam Insignares recited a short poem translated to Spanish and afterwards, Mackenzie Arnold and Grant Smith danced to a mix of Bachata and Merengue music. Devin Arnold read another Who Am I about Roberto Clemente and also read a short biography of the famous baseball player. Scott Hiler recited a poem and read the biography of Vicente Fox, the president of Mexico from 2000 to 2006. Jordan Wilkinson read a Who Am I and a biography on Shakira and later read a poem she had written herself. Sam Sisney also presented a Who Am I about Victor Cruz and read a short biography on the NFL player.

All of the students worked very hard to put together a presentation for the whole school to enjoy and to celebrate Hispanic heritage. The freshmen and sophomores in the 7th period assembly even got to participate in part of an on-stage salsa lesson. Great job Spanish IV students!

THE MOVIN' OUT BAND PERFORMS FOR THE FINE ARTS STUDENTS

By Lyric Wigfall

On Friday, October 11th, four members of the original band from the Broadway musical "Movin' Out" came to WHS to perform for the chorus, piano, and band students. The group, some of which are original band members from Billy Joel's own band, performed tunes from the best of Billy Joel's classic rock music. The group put on a great performance and the students absolutely loved it. They rocked the school! The band said they like sharing their expertise with younger musicians, focusing particular on ensemble playing.

The Movin' Out band was formed in 2001 strictly for the musical, but after it ended, the band continued to play together. They are all professional musicians and have other shows, but the band said they enjoy coming together at their Billy Joel Concerts. On Saturday night, October 12th, the Movin' Out band performed for the Pawleys Island Music and Art Festival.

Volleyball Wins the Region Title!

Article by Emma Karst, Pictures by Matt Lee and Sienna Herndon

They say history has a way of repeating itself, and that is surely true for the Lady Warriors varsity volleyball team. Monday night in the Region Championship game, Waccamaw played the Dillon Wildcats. They won all three games (scores of 25-23, 25-13, and 25-19), beating their rivals for the second time this season. The Lady Warriors earned the title of "Region Champs" for the third year in a row. Leading the Warriors were Mags Grafe, Ora Parker Eddy, Raven Brooks, Sienna Herndon, and Mary Glazier in kills and aces. The night ended with smiles from all of the varsity players and the determination to end their season on top!

The JV girls traveled to Dillon on Monday night, hoping to overcome the Wildcats. Unfortunately, they were defeated in both of their games. Leading the team were middle hitters D'avion Funnye and Brianna Brooks.

October 10th was "Senior Night" where special thanks and honor was given to the five senior members of the Waccamaw volleyball varsity team. Sienna Herndon, Raven Brooks, Gabby Minervini, Mary Glazier, and Spencer Marshall were all in tears as they celebrated their volleyball careers with their fellow teammates. The girls played Aynor and won with an overall score of 3-0 to end their night of tribute.

Varsity Football Unable to Recover from Injuries

By Jed Parreno

Last Friday night, the Warriors went on the road to play their second region game against the Loris Lions. Unfortunately, the outcome of the game was unmerciful for the Warriors with a score of 0-55. The team was missing six starters, due to injuries, which created troubles for Waccamaw's offense. In defense, Deandre Richardson led the team with 17 tackles and Jack Monroe had an interception. After two defeats, the Warriors are ready and strong-willed for their next game against Aynor. The game against Aynor is a "must-watch." The victory of the game will determine if Waccamaw will play in the Class AA Division II playoffs. The team's season record is currently 4-3, 0-2 in region.

CROSS COUNTRY COMPETES IN FLORIDA

By Alani Scott, Pictures courtesy of Cross Country Facebook Page

Last weekend the middle and high school boys and girls cross country teams travelled to Orlando, Florida to compete in the 18th Annual Disney Cross Country Classic. During the meet they faced a lot of schools from Georgia, North Carolina, South Carolina, Florida, Tennessee, New York, New Jersey, and Virginia. Both the girls and boys varsity team finished the 5K run 8th out of 25 teams. The teams were led by Robert Jones with a time of 17:35.02 and Amelia Jones with a time of 21:28:47. The JV boys

finished 10th overall led by Max Overly with a time of 20:08.57 and the JV girls finished 11th overall led by Joy Milane with a time of 26:35.65. The middle school teams ran in the 3200 meter run. Briley Arnold and William Daniels were the top runners. A special congratulations to William who received a medal for placing 4th out of 143 runners with a time of 11:07.70.

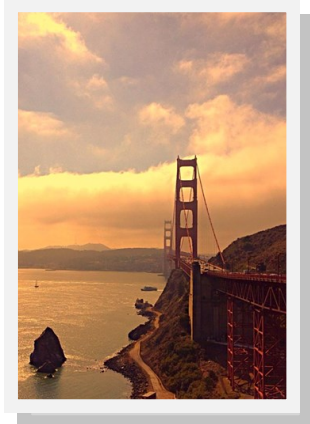

It was not 'all work and no play' for the cross country teams. After competing on Friday, they enjoyed the Disney parks on Saturday. Well deserved, teams!

Back on Pawleys soil, the cross country teams hosted Tuesday's meet at Stables Park. The teams competed against Aynor and Loris. Waccamaw swept the field taking first place, Aynor took second, and Loris third. Once again the Jones led the way with first place finishes in the race. This ended the regular season for the cross country team with the boys and girls undefeated in the season. Cross Country will have their Region Championship meet next Tuesday, Oct. 22nd, at

GIRLS TENNIS CALIFORNIA TRIP

By Karina Kostova, Pictures by Alana Maser & Caitlyn Krask

Last week, from Wednesday to Sunday, the girls tennis team went to San Francisco, California. The top ten girls and all the seniors were able to go (13 players and their parents and coaches for a total of 28). "This is a bonding time for the players and also a reward for all of their hard work," said Coach Cribb. While they were there, the team played South San Francisco High School and won against them. The girls also had the opportunity to tour historical parts of San Francisco, ride cable cars, view the Golden Gate Bridge, take a walk in China Town and much more!

On October 21st, the tennis team will play Aynor in their last match of the regular season. A win will secure a region title and also give them an undefeated record in the regular season.

First Fishing Tournament of the Season

Article written by Blair Avant and Conner Summer
 Pictures provided by the Fishing Team

On Friday and Saturday, October 11th and 12th, the Waccamaw High School Fishing Team participated in the First Annual South Florence High/Southside Middle School Invitational Fishing Tournament held at Clearwater Cove Marina on Lake Wateree.

The field consisted of teams from White Noll High School, South Florence High School, Southside Middle School and Waccamaw High School. Number of participants were 22 students. Coach Matthews said, "We had a beautiful day but the fish were not biting aggressively. Weather was cool with a small amount of wind. Some of our team missed 4 and 5 pound fish that got off right at the boat." Congratulations to Blair Avant and Conner Summer on placing third in the tournament. Avant caught two fish, one being a bass that didn't fit the required length, and the other weighing 1.5 pounds caught on a shaky head. Summer caught one fish weighing 3.5 pounds on a crank bait. The Waccamaw Fishing Team is planning on a having a fall tournament with Bass and Redfish.

SAILING CLUB INTERVIEWED BY CHANNEL 15

Article and pictures provided by Mrs. DesMarteau

Mr. Joel Allen, of Channel 15 News, came out to WHS Sailing Club practice this week to catch up with the Warriors on the water. Allen interviewed two students new to sailing--Banks Lucas and Andrew Nappier, and spent the afternoon watching the team--from rigging on land--to a few hours on the Coach Boat watching the students sail around their marks.

Many of the students will be volunteering this weekend in Georgetown at the 24th Annual Wooden Boat Show. Griffin DesMarteau and Jacob O'Tuel are managing the regatta for the wooden Opti Sailing program, and many of the Warriors will be supporting the event on land by selling raffle tickets and BBQ.

This week the Warriors had another cause for celebration--Palmetto Emergency Physicians just donated \$500 to support the Waccamaw Sailing Club. Hats off to all the community support for this new club.
