HIGH NOTES FOR CHORUS

Chorus Seniors Celebrate

Article by Ms. Warr
Pictures by Mrs. Kelly Atkinson and Jed Parreno

Congratulations Waccamaw Chorus for receiving two superior ratings at the 2015 State Choral Festival in Columbia, South Carolina on March 24th. Waccamaw was represented by the Waccamaw Mixed Chorus and Waccamaw Ladies. The mixed chorus sang two pieces, "Angel

Breathing Out" by Alisa Bair and "A Red, Red Rose" by James Mulholland. The Waccamaw Ladies presented two pieces, "Ally Bally Bee" by Robert Coltart, arranged by Douglas E. Wagner and "No Time," arranged by Susan Brumfield and edited by Henry Leck. Ashlyn DeLoach and Ariana Senn were the featured soloists in the song, "No Time." A former student of Waccamaw, Zhongliang Chen, now a student of the University of South Carolina, performed as piano accompanist for both ensembles. We hope that our student body, staff, administration, and community will join us on Thursday, May 14th, in the WHS auditorium for their spring concert, Music Memoirs.

TALENT SHOW

On Thursday, April 16th, the Choral Boosters sponsored the 2015 talent show "Waccamaw's Got Talent." It was a wonderful evening with a variety of talented musicians, instrumentalists, film producers, and comedy. Again this year, Kevin Jayroe of Georgetown, brought the emcee personality to the stage. Mr. Jayroe always brings amazing energy to the show and we appreciate his presence as a community supporter and major area talent. Rose Steele opened the evening with "Count On Me" by Bruno Mars, followed by three film edits by Ian Kelly

and Bennett Meares who represent the Film Club here at Waccamaw. The evening featured eighteen students and acts from arias from the opera, Don Giovanni, "I Will Survive" from the entertaining Taylor Cox and Thomas Hodge, "I Ain't Got You" by Shir'Mel McCullough, a lyrical dance by Stella DeHaas, Broadway music and drama from Sydney Windham, and "Thinking Out Loud" by Ed Sheeran sung by Ashlyn DeLoach and accompanied by Alexa Bombich on piano, to name a few. In addition, a local band, Will and the Island Boys, brought a wonderful streamline of professional band originals to the show, featuring two current WHS students. We thank Will Ness and the other members of the band for giving their time and talents to support our choral program. We give a huge thank you to Mr. Pritchard, coming to us from the media center every year to show support and make the evening complete with Waccamaw Staff features.

Thank you to all the booster parents, Bennett Meares for sound work, and others who supported as stage crew and visual promotions. We thank our local businesses and parents who supported the event with monetary donations as well.

KENZIE CONFER AND JACOB HOMAN ADVANCE TO THE STATE LEVEL OPTIMISTS CLUB INTERNATIONAL PUBLIC SPEAKING CONTEST

Kenzie, Aaron, Declyn, Jacob

Article and picture by
Coach Lawson

On Saturday, April 18th, four members of the Waccamaw speech team traveled to Myrtle Beach to compete in the zone level of the Optimists Club International

Public Speaking contest. These four students had previously won at the district level contest in order to gain entry to the next level. The top three finishers were from Waccamaw High School. Aaron Lampe placed 1st, Kenzie Confer placed 2nd, and Jacob Homan placed 3rd. Due to prior commitments, Aaron Lampe will not be able to compete at the state contest in Columbia but Kenzie Confer and Jacob Homan will represent Waccamaw at the state competition. Each student will compete for \$2500 scholarship in both men's and women's divisions. Last year, both winners of the state level contest and recipients of the scholarship were from Waccamaw: Sam Averette and Amani Huell. We hope that Kenzie and Jake will follow in their footsteps! Good luck, Windtalkers!

ACT and WorkKeys Testing

Tuesday and Wednesday
April 28th and 29th

REPORT CARD SURVEYS ...Reminder...

The SC Department of Education is conducting a survey asking parents of students in Grade 11 their opinion about the school.

These surveys were mailed on Monday, April 13th, 2015 to parents. Please complete the survey and either send it to the school's main office with your student or mail it directly to the state department by Monday, April 27th, 2015.

On Thursday, April 23rd at 10:00am students in Grade 11 completed a similar survey and received a complimentary breakfast afterwards.

Thank you in advance for completing the survey and returning it on time. If your survey is returned to school with your student, please make sure it is sealed. These students will also be rewarded for taking the responsibility of returning your survey in a timely manner.

Key Club 2015-2016 Officers

Anyone interested in a leadership role for the 2015-2016 school year for Key Club must submit an essay to Dr. Herndon explaining why you deserve the position.

Essays are due April 30th, 2015.

On Saturday, April 18th, the National Honor Society attended the annual March for Babies marathon along with several other community groups. The March for Babies has raised over \$2.3 billion since 1970 to benefit the prematurely born babies, some of which spend months at a time in the NICU. This fundraiser is held every year to raise money for babies who are born weeks or even months early and are held in intensive care to fight for their lives, many of which are lost. Publix and Lowe's Foods set up tables to provide snacks for the participants and a DJ from Mix 97.7 played music to get everyone excited for the walk, engaging many in the Cha-Cha Slide. After 3.4 miles around Georgetown, with an occasional rain drizzle overhead, the participants finished at East Bay Park and disbanded for the day. Together, NHS and Student Council raised \$2,565.00 to benefit March of Dimes and their vital research they fund to support premature babies and their families. Great job, Warriors!

The Prom Promise assembly will be Thursday, April 30th starting at 10:30am in the auditorium.

VARSITY BASEBALL VERSES DILLON AND MARION

Article by Karl Strittmatter

Last Friday, April 17th, the Waccamaw varsity baseball team squared off against Dillon in a fight for first in the region. Dillon started off scoring early, scoring two runs in the first inning. This game stayed at a 2-0 score for the majority of the game. Forrest Powell did a great job on the mound and pitched the whole game, only giving up three runs. The Warriors had a huge opportunity to turn the game in their favor with a lead-off double by Will Golden in the sixth inning. However, the Warriors could not come up with a hit to drive him in and the game was left at a 2-0 score. Dillon scored one more run in the sixth inning off of a very close controversial call at home plate. The Warriors had multiple hits throughout the game but could not come up with hits with runners on base. The game ended with a score of 3-0, a tough region loss for the Warriors.

On Tuesday, April 21st, the Warrior baseball team faced Marion at home. The Warriors looked to redeem themselves after losing two straight region games. Both teams did not score in the first inning and it looked as if it would be a close game. However, the Warriors scored two runs in the second inning to gain an early lead. The Warriors then cruised and dominated offensively with timely hits by Will Golden and Levi Almond. The starting pitcher, Carter Fox, dominated on the mound, pitching six innings with eleven strikeouts. Going into the sixth inning, the score was 8-0. Marion scored three runs in the sixth off of a double in the gap with the bases loaded. However, Justin Busby held Marion in the seventh inning to complete the 8-3 victory.

WACCAMAW JV WARRIORS END SEASON

By Max Senarslan

On Tuesday, April 20th, the JV Warriors played their last game at Socastee in a five inning doubleheader. In the first game, Brecken Fox started on the mound and pitched the first three innings. The Warriors hit often, scoring seven runs while Socastee only scored five. In the fourth inning, Socastee came back and scored four more runs to take the lead 9-7. Max Senarslan came in for relief in the fourth inning and held Socastee, but the Warriors couldn't come back in the fifth inning and lost by two runs.

In the second game of the day, Miller Brinson started as pitcher and threw well. Socastee scored four runs over the course of the game because of errors and hits, but the Warriors could only score one run. The game ended with a score of 1-4.

In general, the Warriors played very well over the season and had a good run, ending with a 12-6 record. Great job, Warriors!

Varsity Golf Ties for 3rd Place in the Tournament of Champions

Information provided by Coach Daily

On April 19th and 20th, the varsity golf team competed in the Tournament of Champions at Daniel Island Club in Charleston, SC. Waccamaw played against a tough field of eight schools, six of which are defending State Champs in their division. Teams competing were: Boiling Springs, AC Flora, Wren, Bishop England, Christ Church, Hilton Head Christian, and Lexington. Hilton Head Christian took the title, with Wren as the runner up,

and Waccamaw tied for 3rd. "It was a good week all-around for the boys. They played well. Even in our lost matches we were playing well; the opponent just played better," said Coach Daily. "It will be a good spring-board for the rest of the season."

Waccamaw played their first round against AC Flora winning 4-1. Trey Salley, Jackson Cole, Will Canipe, and Patrick Golden all won their match. "Coming in we were probably the second weakest team in the event. So to get the opening win against AC Flora was huge," said Coach Daily. With the win, the team advanced to the semi-final and faced Hilton Head Christian. "We got a bit run over by Hilton Head Christian losing all matches. They are

an impressive team; by far the best team in South Carolina." Waccamaw played their consolation match against Bishop England and halved the match. Chris Kaylor and Will Canipe won their match and Jackson Cole halved his match. Coach Daily said the final match was shortened due to darkness. "Had we been able to finish it off, I think we would have pulled off the win as we were starting to pull away on the back nine."

The team continues their season with a record of 91-26-4.

Waccamaw Soccer Dominates within Region

By Davis Eddy, Picture by Jed Parreno

On March 31st, Georgetown traveled to Warrior Field to face off against both varsity teams. Yet again, the girls dominated with a 9-0 victory. The boys added another victory to their record as well, defeating the Bulldogs 5-1. Responsible for the goals were: Todd Mauney, with a hat trick and an assist, and Blake Marsh, scoring the other two, one of which was off an assist from Carson Stecz.

On April 17th, both varsities traveled to Marion in hopes of further improving their records in the region. The Lady Warriors won by an astounding 10-1. After considerable preparation, the boys took to the field in hopes of shutting down Marion for a second time. Marsh put in two early goals off of assists from Mauney who later scored two of his own. Maddox Wilkinson scored off of an assist from Stecz to ensure a convincing victory. After the eighty minutes ran out, the final score read Waccamaw-5, Marion-0.

On Monday, April 20th, the girls varsity played Academic Magnet at home. Despite the good omen of a double rainbow, the Warriors were unable to defeat the solid Magnet team. The final whistle sounded a 4-0 loss for the ladies.

On Tuesday, April 21st, Waccamaw hosted the annual International Friendly against Wexford High School from Toronto, Canada. The game was decided quickly as the Warriors shut out Wexford 6-0. Mauney scored two of the goals, assisted by Davis Hogan and Carson Stecz. Other goals were from Marsh off a cross from Davis Eddy, Stecz due to an assist from Chris Crosby, and a cross from Boomer Frank put in by Wilkinson.

The next day, both varsities welcomed the girls and boys of Wexford to shadow them at school. For three periods, each

of the WHS soccer players took their Canadian friend to class so he/she could experience school in America. The experience was culturally enriching, as it fostered a sense of community **between** the two schools. The Wexford students had much to share about their lives back in Toronto, and were eager to learn about life here in Pawleys. Eventually, it came time for the students to head out, a bittersweet moment, as it will be another year before they return to Waccamaw.

The Canadians and the Americans come together.

collin Newton Finishes 2nd in the Student Angler League Tournament Trail

Information and picture by Coach Matthews

The Student Angler League Tournament Trail is a series of five Saltwater tournaments at different sites and a final tournament. Students are challenged with different climate changes as well as adjusting to the tides at each event. Each student angler received points in each tournament so it was very important to catch fish throughout the series.

The final tournament was held on Saturday, April 11th, at Carroll Campbell Landing. With all points added up, Hawg Hunter member Collin Newton finished second in the 2014-2015 Student Angler League Tournament Trail. Congratulations! Collin received the second place trophy, a \$100 gift certificate, a t-shirt, and a tackle kit.

Coach Matthews would like to thank the following Hawg Hunters for fishing this trail also: Asher Damon, Dequan Mazyck, Jake Tester, Daniel Rourk, and McKinley Grooms.

Collin Newton and Jake Tester have been asked to help with the weigh in for this year's BASS Federation Tournament that is finishing up this week, April 22nd-24th, at Carroll Campbell Marine Complex in Georgetown.

Go, Hawg Hunters!

AEROSPACE EDUCATION

In the 21st Century

SPACE CITIES: June 15 – 18, 2015

Monday- Thursday 9:00 A.M. - 3:00 P.M.

This class is designed for students completing 2nd – 4th grades. Students will learn about living and working in Space, where astronauts sleep, how they eat, exercise, work and spend their free time. They will design and build space stations in cooperative groups using recycled materials and participate in activities involving EVA assimilations, hands-on science experiments dealing with microgravity, weightlessness, and taste astronaut foods. Students will learn to develop their imagination and creativity. They will learn about contributions NASA has made to improve the quality of life on earth. Cost: \$180 which includes tuition and all materials. Students are welcome to repeat this class as many times as they like creating new space stations each year.

SPACE EXPLORATION: June 22 & 23, 2015

Monday - Tuesday 9:00 A.M. - 3:00 P.M.

This class is for students completing 5th - 8th grades or students who have previously completed the Space Cities Class. Discover and learn about Orion's features, innovations and design capabilities of the future. Students will learn about where America is going next, including the International Space Station, the moon, near Earth Asteroids and Mars. Students will investigate and experiment with scientific principles relating to space exploration. Classes will include hands-on experiments in topics such as robotics, rocketry,

and weather. They will interact with an educational specialist from the Johnson Space Center. Emphasis will be on critical thinking skills, problem solving and deductive reasoning. Cost: \$100 which includes tuition and all rocket materials.

The teaching team will be composed of Connie Richardson Smith, an educator / consultant / Morningside College adjunct instructor. Co-teaching is Mary Richardson Tester, who teaches high school special education at Waccamaw High and Ben Tester, who teaches 7th grade science at Waccamaw Middle. Connie and Mary have successfully taught this aerospace science camp for many years adding new features each year. Both teachers have completed graduate work at the University of Iowa in Science Education through the Iowa Chautauqua Program. They have completed teacher training at the Johnson Space Center through the Space Exploration Educators Conference and Mary attended MoonKam training in Las Vegas through the Sally Ride Science Institute. This summer we are fortunate to have Ben join the team to co-teach the Space Exploration Class. He is a recent graduate of the College of Charleston and a former student of Space Camp.

Registration is on a first come, first serve basis. Program materials will be emailed to participants upon registration prior to the beginning of class. **You will be notified if you are not accepted.** Registration forms can be found on the school website's home page. Partial scholarships are available for students with financial needs; contact Mrs. Tester to apply for them.

The registration fee is nonrefundable. **A \$5 discount will be given to all participants who register by May 22, 2015.**

**For more information, contact Mary Tester at
843-602-6447 or email her at mtester@gcsd.k12.sc.us.**

SATURDAY SCHOOL

April 25th from 8:00-12:00pm

Saturday School/School Attendance Make-Up Day is an attempt to assist students who academically succeed in class but, because of excessive absences, may be denied credit.

Students have been notified if they are to attend Saturday School. The charge is \$20.00.

Guidelines for Saturday:

- ♦ Enter through the front door only.
- ♦ Be on time. No admission after 8:00am.
- ♦ Bring assignments from teachers and work the entire time. No talking, sleeping, playing, etc.
- ♦ No early dismissals.

TEXTBOOK CHECK
