The first annual Read-In was held at East Bay Park on Friday, April 24th. The Read-In is a product of National Library Week that was April 12th – April

18th. National Library Week started in 1958 and is sponsored by the American Library Association along with local libraries to promote libraries across the nation. Georgetown County School District wanted to have our Read-In during National Library Week but the weather did not permit it. The Read-In was rescheduled for the next Friday, the 24th, allowing all Georgetown County School participants to have a beautiful sunny day to read on the lawn. Teachers and students brought their beach towels, blankets, etc. to relax and read a book. All Georgetown County students who participated in reading two to three books from the top 20 books in South Carolina, and then voting on the best book, were allowed to go to the Read-In. Also, any students participating in the art contest for the Read-In were invited to attend. Chaperones from WHS included: Mr. Pritchard (Media Specialist), Mr. Bethea (Art Teacher), Mr. Peterman (Art Teacher), and Ms. Cockfield (Art Student Teacher). We also had many students from Mrs. Lawson's class who read a majority of the books that qualified them for the Read-In.

The Read-In needed a logo and all schools were allowed to enter their artwork depicting the best representation for the activities. Two student works were selected per school and sent to the school district office for judging. Students selected for best art work at WHS were Kelvin Cheah and Katie Johnson. A student from Georgetown High School won overall and his work was selected as the Read-In logo that was on each tote bag given to the participants.

All schools met at Kaminski House Museum for a parade before walking to East Bay Park and listening to speakers talk about the importance of reading. Among the speakers were: Master of Ceremonies Dr. Celeste Pringle, Assistant Superintendent; Dr. Randall Dozier, Superintendent; Mr. Jim Dumm, Board Chairman; Mr. Carl L. Anderson, State Representative; Mr. Ron Charlton, County Council; Mrs. B. Huell, Educator, Author, and Businesswoman; Ms. Nikki Ewing, Georgetown Kraft Credit Union. Following the speakers, students and teachers found a spot on the ground to read a book and enjoy lunch/ice cream provided by the event sponsors. All in all, everyone had a great time and hopefully left with a positive feeling toward reading books and taking advantage of everything school media centers and local libraries have to offer.

Last Saturday, April 25th, Fellowship of Christian Athletes (FCA) and National Honor Society (NHS) members teamed up for a service project to help the elderly folks at St. Elizabeth Place spruce up for Spring! The students washed windows, raked, and planted flowers. At the end of the morning, they all enjoyed lunch together! Thanks to everyone who helped out.

Jake Homan Winner of the State Optimists Club Public Speaking Contest

Article by Karl Strittmatter
Picture provided by Mrs. Lawson

Last weekend, Waccamaw's Jake Homan and Kenzie Confer participated in the state speech and debate tournament. Selected students from all across the state competed to win a \$2,500 scholarship prize. Each participant wrote a speech on the topic, "How my optimism will help me press onto greater achievements in the future."

Congratulations to Jake Homan for taking first place in the tournament and taking home the \$2,500 prize.

Last Wednesday, the 22nd, the Warriors hosted Socastee for two heated games. The girls were able to defeat the Braves 1-0. The boys faced a considerable challenge as Socastee scored the first goal early in the game. The Warriors were able to even the odds when Blake Marsh scored off an assist from Todd Mauney, tying the game at 1-1. Socastee regained the lead in the second half after a foul within the box led to a penalty kick. Waccamaw proceeded to fall apart, allowing the Braves to put in one more shot. The game closed out with Socastee victorious over the Warriors 3-1.

Friday, the 24th, the boys traveled to Loris to take on the Lions on their home field. The Warriors scored three goals in quick succession twenty minutes into the game. Mauney was responsible for two of these, assisted by Marsh. The third goal came from Boomer Frank, who followed up a loose ball that came in on a long ball from Davis Hogan.

Loris managed to put one in of their own, but at little consequence due to the Warriors two-goal lead. Marsh scored one of his own later on, assisted by Hogan. The final goal came in the second half when Chris Crosby played a beautiful ball to Mauney who finished it for a hat trick. The final whistle sounded with the Warriors defeating Loris 5-1.

This week, both varsities traveled to Aynor on Monday, April 27th, to make up for the games that were previously rained out. The girls played a solid game, defeating the Blue Jackets 6-2. With this victory, the girls closed out the season as Region Champions. The boys took to the field, ready to ensure region victory as well. Mauney scored the first two goals, assisted first by Carson Stecz and then Marsh. The Warriors prevented Aynor from any real attempts at the goal all throughout the game. The third and final goal came from Matt Staub after Mauney put the ball into the six. The game ended with the Warriors victorious 3-0, making them Region Champions.

On Tuesday, April 28th, both teams faced off against Andrews on the road. The girls won by a confident 6-0 and the boys destroyed the Yellow Jackets with a 9-0 victory.

Both teams were scheduled to play Wednesday night in their last game of the regular season. Due to the rain, the game was cancelled. Both teams will begin playoffs next week. Congratulations, soccer, on sweeping the region and good luck in the playoffs!

Congratulations to Lydia Krask & Todd Mauney

for being selected to play in the North-South All-Star Soccer Classic which will be played on June 13th at the College of Charleston Stadium.

VARSITY BASEBALL ADVANCES TO 2ND ROUND OF PLAYOFFS

By Karl Strittmatter, Picture by Josh Stafford

Senior Night versus Andrews

Last Wednesday, April 22nd, the Waccamaw Warriors faced Andrews on Senior Night. Senior players (Brady Gantt, Will Golden, Wes Lee, Josh Carlton, and announcer/manager Richard Rasheed) took part in their last regular season home game; it was a very

emotional game for the seniors. Before the game, each senior was brought up to the mound separately with their parents; one parent of each senior threw out the opening pitches, and each player received a ball and collage of pictures signed by the team and the coaches. After the ceremonies were over, it was time to play. Both teams were scoreless in the first inning but the Warriors pulled away early with many timely hits. Seniors Lee, Gantt, and Golden led the Warriors, each having at least one hit. The starting pitcher, Levi Almond, threw a solid three innings with no earned runs. At the end of the third, the score was 6-0. Christian Hendrickson pitched the final two innings of the game ending in the fifth inning with a 10-0 shutout.

Last Regular Season Game

Last Friday, April 24th, the Warriors faced the Loris Lions in the last regular season game of the year. The Warriors took the early lead with a timely hit by Justin Busby. Starting pitcher Tucker Perry threw four solid innings. The umpires were not giving Perry any good calls and Perry allowed five runs in four innings. At the end of the fourth, the score was 7-5. The Lions closed the gap at the end of the sixth with a score of 7-7. In the seventh inning, both Busby and Alex Altman had clutch hits with runners on base to extend the lead to 9-7. Forrest Powell did a great job pitching in relief and threw the last three innings, holding the Lions in the last inning with a 9-7 win. The Warriors finish the regular season 19-5, 8-2 in region play.

First Playoff Game

Last night, April 30th, No. 2 seed Waccamaw hosted No. 3 seed Andrews in the first round of playoffs. Waccamaw shut-out Andrews 5-0. Pitcher Forrest Powell was the winner on the mound. The second round of playoffs will be at Barnwell on Saturday. Good luck, Warriors!

Regular Season Play

On Tuesday, April 21st, the Lady Warriors softball team faced Marion in a region double header. Waccamaw took the first game in a close 2-1 victory. In the next game, the Warriors dominated offensively, scoring 16 runs and only allowing two. Olivia Dunlap set the pace for offense in both games and McKenzie Lugin was the winning pitcher in both games.

On Thursday, April 23rd, the Lady Warriors defeated Dillon, the 2014 state champs, 6-5 in an intense, but exciting, region game. The Lady Warriors scored two runs in the sixth inning, and held Dillon scoreless in the seventh inning to secure the win.

The Lady Warriors faced the Loris Lions in the last game of the week. Waccamaw once again dominated offensively and finished out the week with yet another win, shutting out Loris 13-0.

On Monday, April 27th, after a week of excellent play, the team continued their dominance, defeating Timberland 11-1 in five innings.

On Tuesday, April 28th, before laying their last home game of the regular season, the senior players were recognized. The seniors are: Carley Pelasara, Hallie Butler, Olivia Dunlap, Leah Boghosian, McKenzie Lugin, Emily Heimberger, Madison Homnick, and Caitlyn Krask. The Lady Warriors ended the night beating AAA Regional Champs, Georgetown,

4-3, for the second time this season. Way to go, ladies!

First Round of Playoffs

Last night, April 30th, the Lady Warriors (No. 3 seed) traveled to Andrews (No. 2 seed) for the first round of playoffs. It was a close game but not the outcome the Lady Warriors wanted. The team lost by one run, 3-4. In double eliminate play, the team will advance to the 2nd round of playoffs. Date and time yet to be determined.

BOYS GOLF WINS BLUE JACKET INVITATIONAL

Information provided by Coach Daily

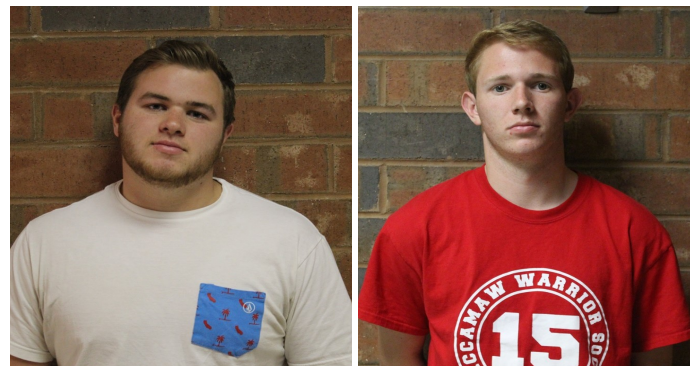

Last weekend, April 25th-26th, the varsity boys' golf team competed in the Blue Jacket Invitational held at Black Bear in Longs, S.C. The field consisted of 14 teams from different areas of S.C. Waccamaw took the win by seven shots with a two-day team total of 593. North Myrtle Beach took second with a total of 600, followed by Hilton Head (604) and Myrtle Beach (613).

On day one of the tournament, Waccamaw set a new school record with a team total of 291, 3-over par. Jackson Cole led the team with a 3-under par 69. Other individual scores were: Patrick Golden (72), Will Canipe (73), and Chris Kaylor (77). The team finished the day with a 8-shot lead. On day two of the tournament, the team shot a 302, 14-over par. Coach Daily said, "I was glad to finally get a win on the year with all the nice finishes we've had along the way. However, I'm still not completely pleased with how we finished off either of the rounds. Both days we gave up shots on the final three holes. We need to continue to work on being mentally tougher so that we can finish these rounds off and contend in the bigger events."

In the tournament, Waccamaw had four players finish in the top 10 in individual scoring. Golden finished 3rd, Canipe 5th, Cole 6th, and Kaylor 9th. Congratulations, golfers, on your win!

On Monday, April 27th, Waccamaw played Bishop England and on Tuesday, April 28th, played Socastee, both in a 9-hole match. Waccamaw lost to Bishop England by four shots but destroyed Socastee by 23 shots. Match medalist for both days was Patrick Golden shooting 34 (2-under par). Tuesday was also senior day for the golf team. Seniors Michael English and Davis Hogan were recognized.

Congratulations to Patrick Golden and Will Canipe who made the All-Tournament team!

Waccamaw's record is now 106-27-4. Coach Daily said, "The season is starting to wind down with only the Southern Cross, Aynor, Regional, and State remaining. Hopefully, we'll ride the success of the past few weeks into the final days of the season with what should be a slugfest between Bishop England and Waccamaw for the 2A State title."

This weekend, May 1st-2nd, four players on the varsity team will travel to Aiken, S.C. to compete in the Southern Cross; a field of the best schools in Georgia and South Carolina. WHS varsity players attending are: Patrick Golden, Will Canipe, Trey Salley, and Jackson Cole. Good luck, golfers!

WHS Sailors Compete in District Competition

Article and pictures courtesy of Mrs. Amy Jones

On April 18th-20th, the WHS Sailing Club - Competitive Team ended their season in beautiful St. Petersburg, Florida after qualifying as a top seven team from seven states in the South Atlantic Interscholastic Sailing Association (SAISA) district. Parents and sailors arrived in St. Petersburg on Friday to begin practicing with the boats typically used in college sailing, the Flying J's and Vanguard 420's. Sailing was organized out of two facilities, St. Petersburg Yacht Club and the University of Florida – St. Pete Sailing Center. Over the course of the weekend, a complete fleet rotation was accomplished by racing 16 races in each division – 12 on Saturday and four more on Sunday. Conditions were difficult on Saturday with south winds, 6-11 knots, influenced by different components on both sides of the course. Then on Sunday, stronger-than-forecasted winds greeted sailors blowing 10-15 knots, with recorded gusts above 20 knots, resulting in several capsizes. Race organizers ran both divisions on the same course, staggered starts allowing for many races and constant action. This event presented great challenges for four freshmen, one sophomore, and one junior.

Sailors Colt Woodhouse (skipper)/Griffin DesMarteau (crew) and Noah Benton (skipper)/Sydney Register (crew) sailed the first two races in A/B Division. Following these races, the teams divided into three sailors each in both divisions. Sydney Register and Colt Woodhouse served as skipper and crew with Ella Grace Bodie crewing for both in A division. A division scored 230 points and finished 15th. Griffin DesMarteau and Noah Benton served as skippers and crew for each other in B division with Clayton Register crewing for Noah Benton in B division. B division scored 217 points and finished 15th. Waccamaw finished 15th overall.

As the youngest, most inexperienced team in attendance, Waccamaw sailors witnessed some of the best sailing the district has to offer. They experienced many accomplishments ultimately not reflected on the score sheet such as excellent starts, great mid-fleet runs, precise mark roundings and several photo finishes. At the end of two days of intensely competitive sailing in platforms many were unfamiliar with, Waccamaw sailors held their own, gained many insights, and some well deserved confidence. They look forward to many more District Championship opportunities!

Sydney (skipper) and Ella Grace (crew) try to make room on Boat 15 as they approach the windward mark.

Griffin D (skipper) & Noah B (crew) sailed great races together!

SPACE CITIES: June 15 – 18, 2015
Monday- Thursday 9:00 A.M. - 3:00 P.M.

This class is designed for students completing 2nd – 4th grades. Students will learn about living and working in Space, where astronauts sleep, how they eat, exercise, work and spend their free time. They will design and build space stations in cooperative groups using recycled materials and participate in activities involving EVA assimilations, hands-on science experiments dealing with microgravity, weightlessness, and taste astronaut foods. Students will learn to develop their imagination and creativity. They will learn about contributions NASA has made to improve the quality of life on earth. Cost: \$180 which includes tuition and all materials. Students are welcome to repeat this class as many times as they like creating new space stations each year.

SPACE EXPLORATION: June 22 & 23, 2015
Monday - Tuesday 9:00 A.M. - 3:00 P.M.

This class is for students completing 5th - 8th grades or students who have previously completed the Space Cities Class. Discover and learn about Orion's features, innovations and design capabilities of the future. Students will learn about where America is going next, including the International Space Station, the moon, near Earth Asteroids and Mars. Students will investigate and experiment with scientific principles relating to space exploration. Classes will include hands-on experiments in topics such as robotics, rocketry,

The teaching team will be composed of Connie Richardson Smith, an educator / consultant / Morningside College adjunct instructor. Co-teaching is Mary Richardson Tester, who teaches high school special education at Waccamaw High and Ben Tester, who teaches 7th grade science at Waccamaw Middle. Connie and Mary have successfully taught this aerospace science camp for many years adding new features each year. Both teachers have completed graduate work at the University of Iowa in Science Education through the Iowa Chautauqua Program. They have completed teacher training at the Johnson Space Center through the Space Exploration Educators Conference and Mary attended MoonKam training in Las Vegas through the Sally Ride Science Institute. This summer we are fortunate to have Ben join the team to co-teach the Space Exploration Class. He is a recent graduate of the College of Charleston and a former student of Space Camp.

Registration is on a first come, first serve basis. Program materials will be emailed to participants upon registration prior to the beginning of class. **You will be notified if you are not accepted.** Registration forms can be found on the school website's home page. Partial scholarships are available for students with financial needs; contact Mrs. Tester to apply for them.
