WELCOME BACK WARRIORS

From your Principal

I would like to begin by thanking all of our students, parents, faculty, staff, and community for an incredibly smooth start to the 2015-2016 school year. We are very proud of our successes and accomplishments from last school year and look forward to continuing to provide engaging instruction for all of our students. Thank-you so much for your help and support with this critical mission!

Secondly, I would like to invite all of you to come out and get involved with our students by supporting them in all of their extracurricular activities. Over half of our student body participates in the many opportunities we provide and it is an excellent chance to see our students shine. Whether in the fine arts, athletics, or academic competitions, you will truly see "The Spirit of the Warrior" come out in everything we do.

Finally, please make sure to continuously communicate with your children about the importance of their academic grades and effort in all of their classes. Our Open House will be held on Thursday, September 10 and it is a great opportunity to come meet your child's teachers and join our WAVE or other organizations. Please remember, you are always welcome to visit our campus, speak with your child's teachers, and check on your child's performance at any time. An involved parent truly makes a world of difference. I look forward to seeing you soon on our campus and if I can ever help you in any way, please do not hesitate to call. Go Warriors!!

Sincerely,
David M. Hammel, Ed.D.

This Week's Teacher Features ...

Article by Maddie Giarratano

Ms. Pilkey is a new teacher to the Waccamaw family, but a familiar face. Last year, Ms. Pilkey did her student teaching at Waccamaw. She is originally from North Carolina, but has lived in South Carolina for the last 12 years. She graduated from Columbia College with a Bachelor of Arts in English and attended Coastal Carolina receiving her Master of Arts in Teaching. Coming from a family of educators, Ms. Pilkey always wanted to be a teacher but it wasn't until her first year of high school that she knew she wanted to be an English teacher. This is her first year teaching and she is super excited to be teaching at Waccamaw. Ms. Pilkey is teaching English I and III CP. Her goal for this year is to provide students with an enriching experience that fosters not only strong reading and writing skills, but also a sense of community. In her spare time, Ms. Pilkey enjoys reading, watching movies, doing crafts, and playing with her two dachshunds, Bitsy and Boppsy. We welcome you to the Waccamaw family, Ms. Pilkey!

Mr. Krask is a new teacher to Waccamaw High School. He teaches Algebra 1 and Geometry. Mr. Krask earned his bachelor's degree at Coastal Carolina University. With 20 years of experience in the teaching field, Mr. Krask taught the last three years at Georgetown High. He loves to teach because it is a great thing to do after getting out of the Military. He wants to give back to the community even more than he already has. Mr. Krask was born in Atlanta, Georgia, but later moved to Florida. He is now living in the Waccamaw area. His daughter and niece recently graduated from Waccamaw. Mr. Krask's goal for this school year is for 90% of his Geometry and Algebra 1 students to pass the final exam. He can't wait for all of his students to succeed and grow. When Mr. Krask is not teaching, he enjoys going out on the boat for a ride and catching fish. When talking to Mr. Krask, he stated that he is ecstatic to be a Waccamaw Warrior again. He is

looking forward to all of the friendships he will make this year. Welcome to the Waccamaw family, Mr. Krask!

Warriors Defeat the Raiders

By Rachel Bailey, Pictures by Maddie Giarratano / cslate@thesunnews.com / Coach Davis

On August 28th, the Warriors won their first game of the season, 28 to 13, against Hannah-Pamplico High School. This 1A school did not pose a threat to our dedicated team. Even without running back Kevin Gasque, who is still recovering from an ankle injury, Waccamaw’s defense was able to hold back the Raiders. Rashynne Knowlin (#8), known as RJ by his teammates, scored the first touchdown after a punt block, as well as scoring a second touchdown running into the end zone. Quarterback, Kelton Grant (#2) also ran the ball into the end zone, along with throwing 12 completed passes and running the ball a total of 20 times. A pass by Jack Floyd (#7) to Tylik Edwards (#14) scored our fourth touchdown. Overall the Warriors had a well-deserved victory over Hannah-Pamplico. LaDarius Taylor (#30) states, “This was an easy team, but our real test is region. However, I have strong faith in my team and I know we can get to the playoffs.” Keeping with the excitement of this last game, let’s continue to cheer on our Warriors!

Along with our triumphant win, last Friday night’s game was in support of Trey Busby, a 5th grader at Waccamaw Intermediate School. He has been recently diagnosed with Lymphoma and is currently undergoing treatments at MUSC. The school decided to dedicate our theme night to Trey, so it was declared a pink-out to match the shirts his family sold for medical expenses. In typical Warrior stride, we lovingly support one of our rising stars! We hope for Trey’s quick recovery! #TreyStrong

Speaking of rising stars, former Waccamaw football player, Tyler Davis (pictured right), left early this summer to attend training camp for the Citadel’s football team. It has just been announced that he will be starting as center in the Bulldogs’ first game against Davidson College. We are so proud of our alumni! Once a Warrior, always a Warrior!

Fall Semester Sailing Waccamaw Sailing Club

Article and picture courtesy of Mr. Mike Benton

School has begun and so has Waccamaw Sailing. Waccamaw Sailing Club has both club and competitive sailing to offer. The club sailing is for sailors not wishing to compete but would rather just be on the water in a leisurely setting. The competitive team competes in the SAISA north point series regattas.

The competitive team had its first practice and tryouts last week at Hazzard Marina in Georgetown. Seven sailors were selected for this year's team. Those sailors are Griffin DesMarteau, Noah Benton, Noah Giltmier, Ella Grace Bodie, Anna Sandor, Georgia Mattar, and Victoria Marinoff. Our Coach Bob Turner is looking forward to the 2015-2016 sailing season with our first regatta being held in Charleston on September 19.

Club sailing will begin on Tuesday, September 15 at Hazzard Marina. Due to a scheduling conflict, the date was pushed back one week; we apologize for any inconvenience. Hazzard Marina is located at the end of Meeting Street in Georgetown. Sailors will meet at the Marina office deck at 3:30pm. We have a new club coach this year. Coach Amy Rowe, a long time sailor, is excited and ready to begin the fall semester club sailing program. Anyone interested please come by the marina on Tuesday September 15th or you can call Mike Benton at 843-318-6383 for more information.

Waccamaw Sailing Club has something for anyone interested in being on the water and spending time with others interested in sailing. Come join us so that you can be a
