Homecoming Week Comes to an End.

Article by Maddie Giarratano; Photo Credit: Charles Swenson of Georgetown Times

Last Friday, October 28th, the annual pep rally with the crowning of the Homecoming King, a parade, and the homecoming football game with the crowning of the Homecoming Queen, concluded this year's Homecoming Week. To start off the pep rally and hype up the students, a group of students from each grade level gathered in a circle for the hula hoop contest. This was a new contest this year where each group had to go through the hula hoop while holding hands. The juniors were the first to take the title of hula hoop winner. Mrs. Humowitz then announced the winners of the other contests that occurred during the week and these are the results:

Dress up Days

At 4:30pm, the annual homecoming parade took place on Kings River Road between All Saints Church and Waccamaw High. Freshmen, sophomores, juniors, and seniors all made floats appropriately fitting their class theme. Clubs, organizations, and other schools from the Waccamaw neck also participated. The judges voted on the best class float and community float. The juniors won the best class float for "Up" and T.A.D.A. won the best community float for "Mickey Mouse Clubhouse."
