LOCK YOUR MEDS

Every day, 3,300 more children begin experimenting with prescription drugs.² Seventy percent of those who have abused pain medication say they get the medication from friends and family.³ Prevent your children from abusing your own medication by securing your meds in places your child cannot access.

TAKE INVENTORY

Download your Home Medicine Inventory Card at www.lockyourmeds.org, write down the name and amount of medications you currently have and regularly check to see that nothing is missing.

EDUCATE YOURSELF & YOUR CHILD

Learn about the most commonly abused types of prescription medications (pain relievers, sedatives, stimulants and tranquilizers). Then, communicate the dangers to your child regularly; once is not enough.

SET CLEAR RULES & MONITOR BEHAVIOR

Express your disapproval of using prescription drugs without a prescription. Monitor your child's behavior to ensure that the rules are being followed.

PASS IT ON

Share your knowledge, experience and support with the parents of your child's friends. Together, you can create a tipping point for change and raise safe, healthy and drug-free children.

PROPERLY DISPOSE OF OLD AND UNUSED MEDICATIONS

For guidelines on safe and proper disposal of medications, visit www.lockyourmeds.org.

In the 1st quarter with only three minutes into the game, Aynor scored but missed the 2-point conversion. With 4:03 minutes left in the 2nd quarter, Senior Colin Floyd, #11, ran the ball in for a Warrior touchdown. Senior Kelton Grant, #2, ran the ball in for the 2-point conversion, ending the first half of the game 8-6. In the second half, Aynor scored in the 4th quarter, and successfully added a 2-point conversion. The Warriors fought back and tied the game 14-14 forcing the game into overtime. The Warriors scored first, making it 20-14. Aynor came right back and scored, then ran it in for the 2-point conversion, winning the game. The Warrior team was devastated but played an awesome game.

Girls Tennis Team Update

By Karina Kostova

On October 14th and October 15th, the girls tennis team played against Aynor. On the 14th, Waccamaw hosted the matches. Both teams played well and the scores were extremely close. However, Aynor took the win. The next day Waccamaw played Aynor again in a make-up match. The girls tried to improve their scores from the precious day in hopes of a better outcome. The result was another victory for Aynor. A Waccamaw win against Marion will give the tennis team a chance to face Aynor again at regionals. Good luck girls!
